Independent Woman, 1927 **Recharge Your Faith** MARCIA S. WATSON-SAYERS, 2015-01-14 Life has more ups than downs ups of crisis after crisis with minimal opportunity to balance yourself Without any invitation stress kicks in and depression makes itself comfortable and homey because your faith fuel ran low You begin to doubt as experiences of the past flood your mind and cross over into your soul Your spirit begins to

droop and becomes deficient When your fuel is low you cannot travel your destined course so you get off track and compromise because of fear To get back on track you have to recharge your faith Dont let negativity control your life If you cannot get a positive reaction from a negative action then it belongs in the trash disposal Take back control of your life Recharge your faith so your hope will be strengthened Dont let the past navigate your future Let your faith stand out and reflect the glory of the Son like the sunflower reflects the rays of the sun This book is a tool to help you maintain your salvation keep your faith alive and help you utilize the potentials you were given at birth to glorify God Elohim Yahweh Recharge your faith so you can impact the world **Psychological Perspectives on Sexual Problems** Jane M.

Ussher,Christine D. Baker,1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of Psychological Perspectives on Sexual Problems is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders Psychological Perspectives on Sexual Problems is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality
