How To Make Your Relationships Work Eric Pritchard, 2023-10-16 This book was written to help people to improve the quality of their existing or future relationships with a view to making them work The approach that this book takes starts from the inside out Everything starts with you the individual As you work your way through the chapters useful exercises are outlined for the reader to complete that are designed to improve the readers understanding of themselves and what they may want from a relationship The book then covers how to assess and deal with issues in

relationships before seeking to offer techniques that can be used to bring couples closer. If outside help is needed, guidance is offered as to the types of help which is out there, which ranges from family and friends to professional help. Towards the end of the book, a bonus fun chapter has been added which looks at compatible star signs. Finally, throughout the book, it is emphasised how important it is to have honest and open communication.

[Infertility For Dummies](#) Sharon Perkins, Jackie Meyers-Thompson, 2011-04-20

Are you having problems becoming pregnant? You're not alone: over 7.2 million Americans are facing the same challenges of infertility. Though some non-experts say that it's all a matter of relaxation or taking medication, you need clear, straightforward and trustworthy answers from healthcare professionals without feeling insulted, humiliated or scared. Written with compassion as well as professional knowledge, *Infertility for Dummies* combines comfort and expertise to walk you through your journey to becoming pregnant. This plain English guide explains how infertility affects both men and women while covering the latest treatments. It covers all key areas including:

- Determining if you are infertile
- Maintaining a healthy relationship with your partner
- Making healthy pre-conception lifestyle changes
- Understanding the male and female anatomy
- Techniques for timing your conception
- Different ways to diagnose infertility
- Dealing with early pregnancy loss
- Finding the right doctor
- Different types of alternative insemination
- New advances and concerns in infertility
- Improving your chances of conceiving

Infertility for Dummies includes strategies for dealing with family and friends, what to expect from them, how to deal with inappropriate comments and understanding that they are just trying to help. This book also provides the names and profiles of fertility medications and where you can find them.
