Recherches Sur La Chancellerie Et La Diplomatie De Lagides:

The Journal of Hellenic Studies ,1926 The epistrategos in Ptolemaic and Roman Egypt J. David Thomas,2013-11-11 It is over sixty years since the office of epistrategos in Roman Egypt was subjected to a detailed examination and in the intervening years a great deal of new papyrological and epigraphic material has come to light It was my original intention to write a study of the office in this period with by way of introduction a brief sketch of the epistrategos in Ptolemaic Egypt It soon became apparent however that a much more fundamental study of the Ptolemaic epistrategos was desirable which would attempt to answer or at least to clarify the various problems connected with the office in this period In this book I have tried to present a comprehensive up to date picture of our knowledge of the Ptolemaic epistrategos I am far from claiming to have successfully answered all the questions raised in particular the fundamental problem of the nature of the office remains an enigma but I hope that I have at any rate provided a basis on which others can build As the Ptolemaic and Roman epistrategoi did not have a great deal in common apart from their titles an examination of the office falls naturally into two parts It therefore seemed not inappropriate to publish separately the first half of this work dealing with the Ptolemaic epistrategos without waiting for the completion of the second part which will deal with the Roman epistrategos It is hoped that this second part will follow without undue delay *The Cambridge Ancient History: The Hellenistic monarchies and the rise of Rome* ,1928 Petitions, Litigation, and Social Control in Roman Egypt Benjamin Kelly,2011-10-13 Through the analysis of legal documents surviving on papyrus such as petitions reports of court proceedings and letters this book examines the contribution that petitioning and litigation made to the maintenance of the social order in Roman Egypt between 30 BC and AD 284 and focuses on how the legal system achieved its formal goals The Periodical ,1925 A History of the Greek World from 323 to 146 B.C.
