Recht Unten:

Mittelalterliches Nordisches Recht Bis 1500 Dieter Strauch, 2011 Medieval Nordic legal sources are to be found across a wide area from Greenland Iceland and the Scandinavian countries to Finland and Russia The acceptance of Christianity led to decisive changes in these legal sources the polity private law and everyday life This volume considers sources from Greenland to Kiev and explains how they came about as well as reviewing their content and their further development until about AD 1500 It presents for the first time a consistent picture of medieval Nordic legal sources Popularization and Knowledge Mediation in the Law. Popularisierung und Wissensvermittlung im Recht Jan Engberg, Karin Luttermann, Silvia Cacchiani, 2018 This volume widens the scope of Legal Linguistics from the traditional focus on performative texts like statutes to the popularization of legal knowledge for different purposes The chapters written in English German or French discuss the theoretical basis and methods and investigate popularization efforts by national institutions law firms and community websites The objects of study cover a variety of modes and media from different national contexts reaching from print folders over online written texts to YouTube videos and movies *Grüne Infrastruktur / Green Infrastructure* Bund Deutscher Landschaftsarchitekten, 2015-08-31 The more intensively we exploit the urban and rural landscape the greater the demands we place on our environment and what it can provide Demographic change shrinking cities urban expansion climate change and the transition to renewable energy sources are confronting us with challenges of ever greater magnitude Solar fields and bio energy crops are changing the face of the landscape and new traffic and energy infrastructure criss crosses the countryside Meanwhile vast efforts are being made to adapt existing infrastructure to meet changing demands In the process it has once again become clear that we must consider our use of natural resources not just from a local perspective but within a broader context Green infrastructure strategies can take quite different forms ranging from floodwater protection measures to the integration of traffic and energy systems and the development of urban green The goal for society is to improve the diversity and resilience of our environment and to minimize the effects of climate change In essays interviews and profiles of the best realized projects from the past few years Green Infrastructure examines the challenges and tasks facing contemporary landscape architecture and what it can achieve to address them This book is published on the occasion of the awarding of the German Landscape Architecture Prize 2015 *Urkundenbuch Der Abtei Sanct Gallen* , 1917 *Schmidt's Jahrbuecher* , 1835 *Grundriss Des Germanischen Rechts* Karl von Amira, 1913 **Reichs-Gesundheitsblatt** Germany.
