Privy Council,1878* War, Public Opinion and Policy in Britain, France and the Netherlands, 1785-1815 Graeme Callister,2017-04-03 This book offers a detailed investigation of the influence of public opinion and national identity on the foreign policies of France Britain and the Netherlands in the late eighteenth and early nineteenth centuries The quarter century of upheaval and warfare in Europe between the outbreak of the French Revolution and fall of Napoleon saw important developments in understandings of nation public and popular sovereignty which spilled over into how people viewed their governments and how governments viewed their people By investigating the ideas and impulses behind Dutch French and British foreign policy in a comparative context across a range of royal revolutionary and republican regimes this book offers new insights into the importance of public opinion and national identities to international relations at the end of the long eighteenth century **The Register of the Privy Council of Scotland: 1569-1578** Scotland. The Register of the Privy Council of Scotland John Hill Burton,David Masson,1878 **Regents and Rebels** Wayne Ph Te Brake,1989-01-01 **Register** Scotland. Privy Council,1878 *Said and Rubiyah - A Tale of War, Ambition & Love in Javanese History* A.N. Satrio,2023-04-04 This is the epic story of a man who defied all odds and rose to become the founder of the mighty Mangkunegaran dynasty a kingdom whose power rivaled that of the largest kingdoms in all of Java Raden Mas Said was a boy born into political intrigue as an outcast in the Palace of Kartosuro in 1728 But he was not one to be held down by his circumstances With the unwavering support of his grandmother and uncle he fought to carry on his father s legacy and prove to the world that he was destined for greatness However greatness would not come easily With his small force of army Said had to face three archenemies at once the powerful kingdoms of Yogyakarta and Surakarta as well as the formidable Dutch trading company VOC With each victory his might more undeniable that his enemy named him pangeran samber nyawa the prince of soul snatcher And then there was the matter of Rubiyah the wife who held the light to Said s path to become the king of Java Their union was anything but simple Twisted between lust and political interests he made her entangled in a battle for his love and attention where she had to go against the Javanese woman expected to be This historical novel draws on the transcription of the Babad Lelampahan written by Raden Mas Said as well as the insights of influential Javanese historians to vividly bring to life the epic story of this legendary figure **The Age of Revolutions** Nathan Perl-Rosenthal,2024-02-20 A panoramic persuasive and inspiring New Yorker new history of the revolutionary decades between 1760 and 1825 from North America and Europe to Haiti and Spanish America showing how progress and reaction went hand in hand The revolutions that raged across Europe and the Americas over seven decades from 1760 to 1825 created the modern world Revolutionaries shattered empires toppled social hierarchies and birthed a world of republics But old injustices lingered on and the powerful engines of revolutionary change created new and insidious forms of inequality

In *The Age of Revolutions* historian Nathan Perl Rosenthal offers the first narrative history of this entire era Through a kaleidoscope of lives both familiar and unknown from John Adams Toussaint Louverture and Napoleon to an ambitious French naturalist and a seditious Peruvian nun he retells the revolutionary epic as a generational story The first revolutionary generation fired by radical ideas struggled to slip the hierarchical bonds of the old order Their failures molded a second generation more adept at mass organizing but with an illiberal tint The sweeping political transformations they accomplished after 1800 etched social and racial inequalities into the foundations of modern democracy A breathtaking history spanning three continents *The Age of Revolutions* uncovers how the period's grand political transformations emerged across oceans and slowly and unevenly over generations [On the Trail of the Yellow Tiger](#) Kenneth Swope,2018-07-01
