her best to manipulate the line of succession in favor of her daughters but by 1946 Japan had invaded Sarawak sending Sylvia and her husband into exile ending one of the more unusual chapters of British colonial rule Philip Eade s Sylvia Queen of the Headhunters is a fascinating look at the wild and debauched world of a woman desperate to maintain the last remains of power in an exotic and dying kingdom **Under Cover Queen** Sidney St. James,1900 UNDER COVER QUEEN Sequel to JADED LOVER Book 3 PART TWO The Whodunnit Series Seems like you would have found your own self by now but late at night those lover s tears come back faces in your dreams fingers in your back voices of the memories for cryin out loud Jerry Jeff Walker In this love quadrangle genealogy plays a vital role in wealth versus the poor and sex versus love Mix in a hint of Whodunnit in the murder of one of the characters and you have a two part series of trying to catch the killer and figure out the hidden skeletons in the closet Everyone loves a love triangle especially when it s two triangles that come together at the same time just as long as they are not part of it Obviously it is the other characters drama that makes us feel better about our own lives In this moving story of mystery and intrigue there so much for the reader to find in the conflict and resolutions of the cutthroat dealings of what were thought to be best friends The settings of this novel take place along the west coast of the United States in Black Rock Cove Oregon Three wealthy families one to the north one to the south and one right along the coastline in downtown Black Rock Cove The year is 1882 Reggie Scott is in love with Julia Esser and was but one day away from marrying the wealthy young woman heir to the largest estate on the west coast in Oregon They have both been made for each other since they were very young children However Reggie didn t know until one day before his best friend and best man at the wedding dug up a mystery of his past so frightening he used it against him to try and steal the woman he loved and make her his own Overnight Reggie left on the midnight train to travel to New Orleans to find out the truth of this mystery He needed to know and couldn t bear letting anyone in on this mysterious past he possessed Streaming tears cleansed Julia s red cheeks the day she was left standing at the altar Her vision was blurred with waves of sadness The salty tears flowed into her mouth so that she could taste her own sorrow Why did Reggie not call or show up for the wedding Where did he go Julia experienced bitter and unforgiving pain in her heart Marco Ross and his twin sister Angie were out to win the hearts of Julia and the man she loved who never showed at the church In our story conflict is a vital ingredient for the story Few romance mysteries can manage to be interesting without this conflict Relationships are flat without it Love triangles are beyond any doubt dull without it However in this two volume set of THE WHODUNNIT SERIES there s positively a struggle discomfort a lot of inner strife and maybe a murder or two Andrews' American Queen ,1893
