and so the naval officer now has grandchildren Three generations of Navy men and women who loved them learn to survive the entire period of history known as the war to end all wars Scenes are set carefully with attention to accurate research of the low country of South Carolina as well as our Nation s Capital circa 1912 1920 The People s Standard History of the United States written by Edward S Ellis and published by Western Book Syndicate and copyrighted by Woodfall Company have provided background materials maps of the period and needed information on how the federal government was organized and functioned during this period of our history
