Regime Of Islands In International Law:

The Regime of Islands in International Law Hiran W. Jayewardene, 2021-09-27 **The Legal Regime of Islands in International Law** D. Bowett, 2024-12-09 **United Nations Convention on the Law of the Sea, 1982** Myron H. Nordquist, Shabtai Rosenne, Satya N. Nandan, 1985 Volume III is the fourth substantive volume to be published in this series covering articles 86 to 132 of the 1982 Convention These articles address the issue of States rights and jurisdiction in maritime areas beyond the limits of national jurisdiction with the exception of the international seabed area as well as the regime to be applied to islands in enclosed and semi enclosed seas and with the access of landlocked States to and from the sea Volume III is a direct continuation of Volume II which deals with maritime areas under the sovereignty or jurisdiction of a State and completes the commentary on the provisions of the Convention negotiated under the auspices of the Second Committee at UNCLOS III The work of the Second Committee was an integrated whole and the unity of the theme has been spread over two volumes solely as a matter of convenience A number of documentary annexes have been included in this volume **Islands and International Law** Donald R Rothwell, 2022-07-14 Islands and their status in international law have become one of the more contentious issues in public international law However despite this there is no contemporary book length study on the question This book fills that gap Written by one of the world s leading public international lawyers it offers an authoritative overview of how public international law operates in relation to islands Key issues such as artificial islands archipelagos sovereignty territorial rights maritime entitlements and governance are explored in depth This will become a classic text in the field of international law **International Law** Malcolm N. Shaw, 2003-09-25 This fifth edition of Malcolm Shaw s bestselling textbook on international law provides a clear authoritative and comprehensive introduction to the subject fully revised and updated to Spring 2003 Basically preserving the structure which made the previous edition so successful a new chapter on Inter state Courts and Tribunals considers the role of the International Court of Justice and the International Tribunal on the Law of the Sea and there is a new chapter on international humanitarian law Also examined are arbitration tribunals and the role of international institutions such as the WTO in resolving conflicts The prosecution of individuals for violations of international law is examined Additional coverage of events in Kosovo and Iraq analyses the questions of humanitarian intervention and the role of the UN Written in a clear and accessible style setting the subject firmly in the context of world politics and the economic and cultural influences affecting it this book remains a highly readable and invaluable resource for students and practitioners alike The scope of the text makes this essential reading for students of international law international relations and the political sciences The book is also valuable to professionals and governmental and international civil servants *The Regime of Islands Reframed* Clive Schofield, 2021-02-08 In *The Regime of Islands Reframed* Clive Schofield examines the definition of islands and other insular features under the international law of the sea Particular reference is made to the arbitration case between China and the Philippines concerning the South China

Sea which as the first detailed international judicial examination and interpretation of the Regime of Islands has reframing understanding of the definition of islands Reactions to the Award in the South China Sea case are appraised confirmations and clarifications provided by the Award are highlighted as well as remaining uncertainties and scope for conflicting interpretation The high standard for fully entitled island status set by the Tribunal in the South China Sea case is underlined as is scope for flexible application of the approach to island definition adopted by the Tribunal The potential implications of the Award both within and beyond the South China Sea are explored

Islands, Law and Context Malcolm D. Evans,Reece Lewis,2023-07-01 This ground breaking book challenges legal orthodoxy presenting an original approach to the treatment of islands in international law It offers a new perspective on how to define islands in international law questioning how they differ from other maritime features It focuses on the contextual factors that bear upon the legal treatment of islands recognising that in practice islands have varied and unequal impacts and arguing that greater focus on context is needed to understand legal outcomes particularly those concerning maritime boundary delimitation

The Legal Regime of Offshore Oil Rigs in International Law Hossein Esmaeili,2017-03-02 This book reviews and examines the relevant portions of all international treaties cases and the national law and practice of states in relation to international aspects of offshore oil rigs By doing so it offers an understanding of the legal regime surrounding oil rigs and formulates an international law framework It investigates the issues under consideration by analyzing provisions of international law pertaining to all aspects of oil rigs as well as international treaties and their travaux preparatoires It also examines the national legislation of major offshore oil and gas producers and defines a framework of customary international entities such as the OSPAR and the petroleum industries of certain major offshore oil producers Based upon the book s findings it is clear that in spite of their increasing importance offshore oil installations are subject to fragmentary and vague legal rules under international law

Contemporary Developments in International Law Rüdiger Wolfrum,Maja Seršić,Trpimir Šošić,2015-12-22 For the Liber Amicorum dedicated to Professor Budislav Vukas his colleagues and former students have contributed essays on topical issues of contemporary international law primarily in the fields that were the focus of Professor Vukas s interest during his long lasting academic and international career at the University of Zagreb Faculty of Law the International Tribunal for the Law of the Sea the International Labour Organization the Institut de Droit International and many other law schools and international institutions and organizations The essays in this collection thus deal with current developments concerning the subjects of international law i a jurisdictional immunities of states responsibility of states international organizations other non state entities the law of the sea i a jurisdictional zones delimitation piracy underwater cultural heritage protection fisheries land locked states human rights law including minorities protection i a European Court of Human Rights humanitarian assistance protection in the event of disasters social and labour rights rights of the child and dispute

settlement i a International Court of Justice International Tribunal for the Law of the Sea arbitration diplomatic means Of the 49 essays written by scholars and practitioners from different parts of the world six are in French **Akehurst's Modern Introduction to International Law** Peter Malanczuk,1997 12 The law of the sea *The South China Sea Arbitration* Yoshifumi Tanaka,2019-11-28 Beyond the scope of the dispute settlement between the Philippines and China the South China Sea arbitral award can be thought to significantly influence the development of international law and the law of the sea Accordingly this book seeks to examine the South China Sea arbitration from the perspective of the development of public international law and its limitations Specifically it addresses the issues of jurisdiction of the Annex VII Arbitral Tribunal the historic rights the legal status of maritime features the lawfulness of various activities of China and the role of the South China Sea arbitration in the international dispute settlement In considering these issues this book examines the South China Sea arbitration in three respects i the clarification of relevant rules and obligations under the UN Convention on the Law of the Sea as well as international law ii the protection of community interests at sea and iii considerations of time elements in international law This title is included in Bloomsbury Professional s International Arbitration online service [Maritime Claims and Boundary Delimitation](#) Nicholas A. Ioannides,2020-09-27 This book delves into the major developments triggered by the hydrocarbon discoveries in the Eastern Mediterranean over the last twenty years focusing on maritime boundary delimitation Examining the impact that the hydrocarbon discoveries have had on the application of the law of the sea rules by the East Med states the book looks at the new trends concerning the implementation of the law of the sea in the region The book analyses regional state practice in terms of maritime delimitation namely the conclusion of bilateral agreements based on the law of the sea rules both conventional and customary reflecting the East Med states willingness to cooperate in order to reap the benefits of the energy windfall Alongside this analysis an outline of the hydrocarbon discoveries and the pertinent maritime activities is given as well as further coverage of the overlapping maritime claims and disputes between Greece Cyprus and Turkey on one side and Lebanon and Israel on the other Moreover the book examines the validity of maritime claims made by or through non state entities in the region namely the State of Palestine the UK Sovereign Base Areas and the so called Turkish Republic of Northern Cyprus and their potential impact on the delimitation agreements already in place The book argues that the East Med paradigm concerning the successful application of the pertinent norms in maritime delimitation proves that international law is resilient and capable of providing solutions in other turbulent regions around the globe This book will be of interest and importance to academics and students of international law professionals in the oil and shipping industries legal professionals and government agencies **Chinese (Taiwan) Yearbook of International Law and Affairs, Volume 27 (2009)** ,2020-02-03 The Chinese Taiwan Yearbook of International Law and Affairs commenced publication in 1981 under the auspices of the Chinese Taiwan Society of International Law The Yearbook publishes on multi disciplinary topics with a focus on international and comparative law issues regarding Taiwan Mainland China and the Asia

Pacific region The Yearbook is one of the foremost publications in the world concentrating on issues of greater China **The Regime of Islands in International Law** Hiran Wasantha Jayewardene,1981 *The South China Sea Arbitration* S.
