Ademola Oyejide, Benno Ndulu, David Greenaway, Jan Willem Gunning, 1997 **Human Rights in Nigeria's External Relations** Philip Aka, 2016-12-20 This book is a broad ranging argument for thorough reforms at home and abroad in Nigeria as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Because of its enormous material and human endowments Nigeria is dubbed the Giant of Africa It is a moniker many of its leaders take seriously Yet Nigeria is a state rife with instability some of it periodically erupting into violence Given still ongoing national security challenges in the land that notoriously includes a bloody religion oriented terrorism the Fourth Republic since 1999 the longest period of continuous democratic rule since independence key to the timeline of this book has not been insulated from the spell of instability The main argument of this work is that internationally agreed upon ethical standards embedded in human rights can save Nigeria This book is a methodologically and theoretically grounded seminal discourse on Nigerian foreign relations that spells out the human rights or lack thereof in those relations including underlying and impinging domestic forces This work is set around six issues of application embedded in a template of Nigeria's human rights foreign policy comprising two steps and four pillars reconstructed national interest increased human rights at home redesigned peacekeeping reshaped foreign policy machinery increased bilateralism in foreign relations and the use of ECOWAS as human rights tool Although focused on the period since independence for proper understanding of events from the past that shape the current patterns of politics in the land this book also embodies a historical background chapter that overviews the pre colonial and colonial eras *Regional Integration and Trade Liberalization in SubSaharan Africa* David

Greenaway, Ademola Oyejide, Benno Ndulu, 2016-01-29 An authoritative guide to Africa's economic development and prospects This is volume 4 in a major international research project coordinated by the African Economic Research Consortium and bringing together the top academics in development economics trade policy and international economics from Africa Europe and North America This fourth volume draws upon the theoretical framework and detailed studies of both individual countries and regional schemes of the previous three books to present an analysis of Africa's prospects for economic development regional integration and co operation and her changing place in the world economy today

**Regional Developmentalism through Law** Jonathan Bashi Rudahindwa, 2018-05-20 Offering a study of regionalism in Africa and investigating the ways in which law can be used to address the issues raised by regional processes on the continent this book examines the African Economic Community considering that it has been entrusted to coordinate and to harmonize policies between various Regional Economic Communities RECs across the continent thereby influencing the continent's approach towards regional integration It seeks to identify how law can be used to strengthen the African RECs while ensuring that they achieve their goal of promoting regional development across the continent Drawing upon economic and political theories and using a critical doctrinal analysis of legal texts and norms the book uncovers the legal and economic underpinnings of the model of regional integration followed by the regional schemes operating under the banner of the AEC aiming to contribute to the search for effective methods to ensure the success of these various initiatives Proposing the concept of Regional Developmentalism Through Law as the most suitable conceptual framework to support the effective establishment of an African Economic Community this book will be of interest to researchers academics and policy makers interested in the correlation between law regional integration and development in Africa

**Investment and Risk in Africa** Paul Collier, Catherine Pattillo, 2016-07-27 This book brings together academics in the fields of economics political science and law with business practitioners in the fields of risk assessment and portfolio management Their contributions are sequenced to tell a story Africa is perceived as being a highly risky continent As a result investment is discouraged These risks are partly exaggerated However to the extent that they reflect genuine problems they are capable of being mitigated by insurance and reduced by political restraints such as central banks investment charters and international agreements

Regionalism in Africa Daniel Bach, 2015-12-22 Africa which was not long ago discarded as a hopeless and irrelevant region has become a new frontier for global trade investment and the conduct of international relations This book surveys the socio economic intellectual and security related dimensions of African regionalisms since the turn of the 20th century It argues that the continent deserves to be considered as a crucible for conceptualizing and contextualizing the ongoing influence of colonial policies the emergence of specific integration and security cultures the spread of cross border regionalisation processes at the expense of region building the interplay between territory space and trans state networks and the intrinsic ambivalence of global frontier narratives This is emphasized through the identification of distinctive threads

of regionalism which by focusing on genealogies trajectories and ideals transcend the binary divide between old and new regionalisms In doing so the book opens new perspectives not only on Africa in international relations but also Africa s own international relations This text will be of key interest to students and scholars of African politics African history regionalism comparative regionalism and more broadly to international political economy international relations and global and regional governance

Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors  
Philip C. Aka, 2024-07-17 Under the Fourth Republic since 1999 the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad Taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari s departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari s departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within Nigeria coincide with equally epoch making developments in the UK Nigeria s former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria s external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely

*Borderless Africa* Francis Mangeni, Andrew Mold, 2024-04-18 The African Continental Free Trade Area established in 2018 represented a monumental step forward for Africa in terms of meeting longstanding aspirations for greater economic and political integration But it has nonetheless been met with scepticism in some quarters both within the continent and beyond *Borderless Africa* makes the case for the AfCFTA in an accessible and compelling way without shying away from technical and academic debates Francis Mangeni and Andrew Mold take us on a journey through the different dimensions and implications of the AfCFTA the largest free trade zone in the world starting with its underlying economic rationale Pointing to the numerous historical examples of successful regional integration they argue that the African continent will need to take on board such lessons as the agreement is implemented They discuss too the more controversial elements of the AfCFTA including the freedom of movement protocol contending that this should not be seen as an optional extra but as an intrinsic part of the accord Also exploring the role of external partners in the
