Regional Public Finances:

The production and financing of regional public goods (Occasional Paper IEI = Documento de Divulgación SITI ; n. 8) Vito Tanzi, 2005 Theory of Public Finance in a Federal State Dietmar Wellisch, 2000-01-13 The central question of this book is whether the assignment of government functions to the individual jurisdictions in a federal state can ensure an optimal allocation of resources and a fair income distribution The analysis thereby gives a new answer to the old question about the optimal degree of fiscal decentralization in a federal state It shows that fiscal decentralization is a method to disclose the preferences of currently living and future generations for local public goods to limit the size of the government and to avoid excessive public debt finance While the allocative branch of the government benefits from fiscal decentralization it is difficult to obtain a distribution of incomes that differs from the outcome that the market brings along

OECD Studies on SMEs and Entrepreneurship Russian Federation: Key Issues and Policies OECD, 2015-10-16 This publication examines the major policy challenges achievements and next steps for the creation of a more entrepreneurial population and a stronger SME sector in the Russian Federation Report of the Technical Committee for Regional Government Ittīhād al-Ishtirākī al-Sūdānī. Technical Committee for Regional Government, 1980 **Central and Local Government Relations in Asia** Naoyuki Yoshino, Peter J. Morgan, 2017 Sustainable and inclusive growth in emerging Asian economies requires high levels of public investment in areas such as infrastructure education health and social services The increasing complexity and regional diversity of these investment needs together with the trend of democratization has led to fiscal decentralization being implemented in many Asian economies This book takes stock of some major issues regarding fiscal decentralization including expenditure and revenue assignments transfer programs and sustainability of local government finances and develops important findings and policy recommendations Diagnosing Corruption in Ethiopia Janelle Plummer, 2012-07-06 This is a study of the nature of corruption in Ethiopia It maps eight key sectors The diagnostics strongly suggest that in Ethiopia corrupt practice in the delivery of basic services is potentially much lower than other low income countries but that there are emerging patterns in sector level corruption *The State of Public Finances 2015 Strategies for Budgetary Consolidation and Reform in OECD Countries* OECD, 2015-11-06 Previous OECD publications have tracked the fiscal policy responses adopted by OECD governments during the early years of the crisis 2007 2012 This book takes stock of how these responses have evolved in recent years up to 2014 15 **Regional Government Competition** Chen Yunxian, Gu Wenjing, 2018-12-07 This monograph provides a coherent and systematic explanation of China's regional economic development from the perspective of regional government competition It gives an almost unknown exposition of the mechanisms of China's regional economic development with numerous supporting cases drawn from both China and elsewhere This book is an invaluable resource for anyone interested to learn more particularly the development and transformation of China's regional economy from both the Chinese and global perspectives Information Technology

Science Tatiana Antipova,Álvaro Rocha,2018-02-21 This book includes a selection of articles from the 2017 International Conference on Information Technology Science MosITS 17 held on December 1 3 2017 at the Izmailovo Convention Centre Moscow Russia MosITS 17 was an international forum for researchers and practitioners to present and discuss the most recent innovations trends results experiences and concerns in various areas of information technology science The papers cover topics such as information technology in communication management science public administration economics business finance history health rehabilitation education and in architecture

Political Representation in the European Union Sandra Kröger,2014-04-03 In recent years the financial and economic crisis of 2008 9 has progressed into an equally important political and democratic crisis of the EU These troubled times have set the framework to re assess a number of important questions in regard to representative democracy in the EU such as the normative foundation of political representation the institutional relationship between representatives and represented the link between democracy and representation and new arenas and actors This book examines the diverse avenues through which different sorts of actors have expressed their voices during the Euro crisis and how their various interests are translated into the decision making process It offers a state of the art assessment of what political representation means in this context as well as a contribution to the representative turn in democratic theory The authors address three key themes The main actors and channels of political representation in the EU Interlocking levels of representation in the EU and the way in which national and supranational representation works How the European institutional system represents EU citizens through law and administration Focusing on the importance of representation in the legitimation of democracy this book will be of interest to students and scholars of European Union politics European studies democratic theory representation studies civil society and transnational democracy

Research on China's Public Finance Construction Index System Peiyong Gao,Bin Zhang,Ning Wang,2017-10-09 This book employs a qualitative analysis of China s publicly financed construction sector taking the system design as its point of departure and applying comprehensive evaluation techniques to create an index system for this type of construction which in turn serves as a basis for quantitatively evaluating China s publicly financed construction sector Given the fact that China s publicly financed construction sector is a very complex field of systems engineering involving multiple subsystems as an important indicator of China s fiscal innovations since its reform and opening publicly financed construction is now shifting from theory to practice demonstrating that China has entered an era of fully publicly financed construction

Multi-level Finance and the Euro Crisis Ehtisham Ahmad,Massimo Bordignon,Giorgio Brosio,2016-01-29 Representing a unique contribution to the analysis and discussion of the unfolding Eurozone crisis in terms of the relationship between central and local government this book addresses a number of important fiscal and political economy questions To what extent have local and regional governments contributed to the crisis To what degree have sub national services and investments borne the brunt of the adjustments How have multi level fissures affected tensions between different levels of government from the supranational to the local This volume covers these and many other critical issues that have been largely ignored despite their relevance The book first addresses general issues of fiscal coordination and management across levels of government in the context of incentives which can be altered by the existence of a supranational tier The country specific chapters prepared by leading experts provide a thorough review of the key problems

of multi levels of government in the biggest economies in the Eurozone France and Germany and Southern Europe Portugal Spain Italy and Greece In further chapters the juxtaposition of Barcelona and Turin provides an opportunity to evaluate large investments in a multi level context associated in this case with the Olympics Macedonia provides a discussion of the related issues in an EU accession country As a whole the book explores the long term impact of the crisis on local service delivery and investment and the consequences for sustainable growth and political cohesion It also offers rarely found insights and suggestions to increase the stability and strength of multi level European institutions This is an enlightening resource for all those from academics and graduates to policy makers and practitioners seeking a comprehensive understanding of European fiscal federal and financial issues **Public Finance and Public Choice** James M. Buchanan, Richard A.

Musgrave, 1999-10-12 In this volume based on a week long symposium at the University of Munich's Center for Economic Studies two leading scholars of governmental economics debate their divergent perspectives on the role of government and its fiscal functions James M Buchanan who was influential in developing the research program in public choice concentrates on the imperfections of the political process and stresses the need for rules to restrain governmental interference Richard A Musgrave a founder of modern public finance points to market failures and inequities that call for corrective public policies They apply their differing economic and political philosophies to a variety of key issues Each presentation is followed by a response and general discussion **The Russian Labour Market** Vladimir Gimpelson, Douglas Lippoldt, 2001 Traces labour market developments during the transition from a planned to a market economy focussing on the period 1992-1998 Covers old vs new jobs wages and wage arrears social benefits and the politics of labour market adjustment Includes some data on labour turnover in Eastern European countries Public Financial Management Systems—Indonesia Asian Development Bank, 2018-05-01 Foreign aid to Indonesia takes the form of loans or grants The loans can be made either to the government or to state owned enterprises with a guarantee from the government This report documents Indonesia's financial management systems covering budgeting funds flow monitoring and analysis accounting and reporting and auditing It also provides insights into the quality of internal control systems staff capacity and information technology structure The intent is to provide project teams and consultants with a better understanding of financial management systems during project preparation Find out how high quality financial management assessments support project implementation through the identification of key risks and enabling the implementation of mitigating actions and reforms

The Top Books of the Year Regional Public Finances The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Regional Public Finances : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Regional Public Finances : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
