*The Regions of Italy* Roy Palmer Domenico, 2002      **The Regions of Italy** Roy P. Domenico, 2001-12-30 Through most of their history Italians have identified more with their own locales than with what is now known as Italy This comprehensive reference allows readers to view the land as its denizens have for centuries regionally Domenico superbly surveys the regional and provincial characteristics and culture of the 20 regions including economy cuisine history recent politics and arts This is the only single general reference volume in English on Italy s regions and will be highly in demand by teachers students of Italian language and culture and travelers Italy s enormous contributions to western civilization continue to make it a cultural and economic powerhouse and a top tourist destination The Regions of Italy succinctly conveys the formidable richness of the whole through its parts with a user friendly format that makes it easy to glean the important information on the area of interest A chronology glossary and wide selection of photos accompany the text      **Italy** Robert Anderson, 2006 Discover the people and places of Italy      *American Reference Books Annual, 2002* Bohdan S. Wynar, Libraries Unlimited, 2002-05 This source of information on contemporary American reference works is intended for the library and information community It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas It should help the user keep abreast of reference publications in all fields answer everyday questions and build up reference collections      *All Things Ancient Rome* Anne Leen, 2023-06-15 Through roughly 160 alphabetically arranged reference entries this book surveys the material culture and social institutions of Ancient Rome Ancient Rome was one of the great civilizations of antiquity Honoring the contributions of their cultural forebearers who included Etruscans Asians and Egyptians as well as Greeks Roman artists writers and thinkers freely borrowed where tradition dictated and innovated where personal talent and imagination directed forging a unique creative experience that formed the basis of Western European artistic literary and philosophical production for 2 000 years While other reference works typically examine battles and politicians this book focuses on Roman social history and daily life painting a detailed picture of the material culture and social institutions of Ancient Rome A timeline highlights key events while an overview essay surveys the achievements of the Romans Reference entries provide objective information about art architecture literature commerce transportation government religion and other topics related to Roman life Each entry provides cross references and suggestions for further reading and some provide sidebars of interesting facts along with excerpts from primary source documents The book closes with a selected general bibliography of resources suitable for student research

**Memories of Belonging: Descendants of Italian Migrants to the United States, 1884-Present** Christa Wirth, 2015-02-11 Memories of Belonging is a three generation oral history study of the offspring of southern Italians who migrated to Worcester Massachusetts in 1913 Supplemented with the interviewees private documents and working from U S and Italian archives Christa Wirth documents a century of transatlantic migration assimilation and later generation self

identification Her research reveals how memories of migration everyday life and ethnicity are passed down through the generations altered and contested while constituting family identities The fact that not all descendants of Italian migrants moved into the U S middle class combined with their continued use of hyphenated identities points to a history of lived ethnicity and societal exclusion Moreover this book demonstrates the extent of forgetting that is required in order to construct an ethnic identity

**Food Cultures across Time** Anca-Luminița Iancu,Alexandra Mitrea,2021-08-23 This volume explores the intricacies and complexities of food and maps food cultures and food routes in fiction by analysing consumption related matters in the literary and cultural endeavours of authors from countries as diverse as Ireland Romania the UK and the USA The topics addressed in this vibrant inter disciplinary collection of essays open up questions for further studies and explorations on the interconnections between food fiction and culture

The Sacred Home in Renaissance Italy Abigail Brundin,Deborah Howard,Mary Laven,2018-07-11 The Sacred Home in Renaissance Italy explores the rich devotional life of the Italian household between 1450 and 1600 Rejecting the enduring stereotype of the Renaissance as a secular age this interdisciplinary study reveals the home to have been an important site of spiritual revitalization Books buildings objects spaces images and archival sources are scrutinized to cast new light on the many ways in which religion infused daily life within the household Acts of devotion from routine prayers to extraordinary religious experiences such as miracles and visions frequently took place at home amid the joys and trials of domestic life from childbirth and marriage to sickness and death Breaking free from the usual focus on Venice Florence and Rome The Sacred Home investigates practices of piety across the Italian peninsula with particular attention paid to the city of Naples the Marche and the Venetian mainland It also looks beyond the elite to consider artisanal and lower status households and reveals gender and age as factors that powerfully conditioned religious experience Recovering a host of lost voices and compelling narratives at the intersection between the divine and the everyday The Sacred Home offers unprecedented glimpses through the keyhole into the spiritual lives of Renaissance Italians

The School Librarian's Compass Rebecca J. Morris,2023-06-30 By working through these cases and the accompanying learning exercises both pre service and practicing school librarians will strengthen their readiness expand their perspectives and build confidence for solving problems and making informed thoughtful decisions in their school libraries In their preparation for school librarianship library students learn foundational ideals and observe best practices that center and guide their work However discussions of aspirational versions of school librarianship often leave

out sufficient practice in managing the many challenges and decisions school librarians face on the job In this book veteran educator Rebecca J Morris uses stories of day to day librarianship to empower school librarians as they navigate and manage the complex interactions decisions and opportunities of their work The book s alignment with the AASL CAEP standards makes it helpful to school library educators planning curriculum syllabi and course activities Perfect for reading or study groups graduate classes and professional development these stories invite reflection and lively conversation

*The Popes against the Protestants* Kevin Madigan,2021-08-17 An account of the alliance between the Catholic Church and the Italian Fascist regime in their campaign against Protestants Based on previously undisclosed archival materials this book tells the fascinating untold and troubling story of an anti Protestant campaign in Italy that lasted longer consumed more clerical energy and cultural space and generated far more literature than the war against Italy s Jewish population Because clerical leaders in Rome were seeking to build a new Catholic world in the aftermath of the Great War Protestants embodied a special menace and were seen as carriers of dangers like heresy secularism modernity and Americanism as potent threats to the Catholic precepts that were the true foundations of Italian civilization values and culture The pope and cardinals framed the threat of evangelical Christianity as a peril not only to the Catholic Church but to the fascist government as well recruiting some very powerful fascist officials to their cause This important book is the first full account of this dangerous alliance

Address Variation in Sociocultural Context Agnese Bresin,2021-02-15 This study looks at the sociocultural context of five Italian regions and at the situational context of restaurant encounters a sub type of service encounters to examine address variation in spoken Italian with a focus on singular address pronouns tu voi and lei It offers a thorough examination of distance and power dynamics between waiters and customers in a wide range of restaurant types This book marks the introduction of Italian to the field of regional pragmatic variation and it will be of interest to linguists Italianists and researchers more broadly working on service encounters The author offers a new dimension to the understanding of social interaction and language use in contemporary Italy uncovering cultural and linguistic differences between even adjacent geographical areas within a modern European nation state

**From Independence to Revolution** Gillian Kennedy,2017 Argues that the relationship between a divided Islamist movement and the state create a pattern of instability within Egypt

Remaking Italy in the Twentieth Century Roy Palmer Domenico,2002 Although the unification of Italy in 1870 initially defined the nation s geographical boundaries Italians faced challenges of determining their nation s social political and cultural identity This volume examines the struggle to recast the nation according to their visions

**Italian Women in Basilicata** Victoria Calabrese,2024-04-08 This study examines the role of southern Italian women who remained behind when their husbands emigrated in the late nineteenth and early twentieth centuries By piecing together limited archival source material the author argues that married women were not voiceless or powerless when their husbands were abroad but they took on roles beyond their limited legal position They petitioned local officials requested passports received

remittances and handled the family finances all in the absence of their husbands the legal head of the family The study also emphasizes the connection forged between women and the new Italian state at a time when women did not have political rights Centering on Basilicata a forgotten region of the Italian south and one that has not been a major focus of scholarly investigation this study challenges stereotypes that the Italian south was backwards uncivilized and lagging behind northern Italy The author argues that large scale emigration greatly impacted the married women left behind in the villages of Basilicata changing their social political and economic role

**The EU and Neighbors** Brian W. Blouet, 2018-02-13 TRY FREE for 14 days OR RENT this title [www.wileystudentchoice.com](http://www.wileystudentchoice.com) Europe is the second smallest of the continents yet it is the third most populated and its rich history has played out on the world's maps for centuries The region's borders have undergone near continuous evolution through the rise and fall of nations rebellions and civilizations and the paths these borders take have repercussions around the globe This book presents a systematic survey of Europe and individual country by country coverage based on the most current data From the core of the European Union to the lesser known corners of the continent this book provides in depth examination of the physical cultural economic and political geography of this powerful region Fresh perspective sheds new light on recent events including Brexit Russia's takeover of Crimea terrorist attacks in France and the EU's newest members while the European Union's future is explored in light of the possible loss of the region's second largest economy With deep insight into each nation and its relationship to the region this book offers a uniquely intimate look at the various dynamics shaping Europe today

**The Silent Shore** Charles L. Chavis Jr., 2022-01-11 The definitive account of the lynching of twenty three year old Matthew Williams in Maryland the subsequent investigation and the legacy of modern day lynchings On December 4 1931 a mob of white men in Salisbury Maryland lynched and set ablaze a twenty three year old Black man named Matthew Williams His gruesome murder was part of a wave of silent white terrorism in the wake of the stock market crash of 1929 which exposed Black laborers to white rage in response to economic anxieties For nearly a century the lynching of Matthew Williams has lived in the shadows of the more well known incidents of racial terror in the deep South haunting both the Eastern Shore and the state of Maryland as a whole In *The Silent Shore* author Charles L. Chavis Jr. draws on his discovery of previously unreleased investigative documents to meticulously reconstruct the full story of one of the last lynchings in Maryland Bringing the painful truth of anti Black violence to light Chavis breaks the silence that surrounded Williams's death Though Maryland lacked the notoriety for racial violence of Alabama or Mississippi he writes it nonetheless was the site of at least 40 spectacle lynchings after the abolition of slavery in 1864 Families of lynching victims rarely obtained any form of actual justice but Williams's death would have a curious afterlife Maryland's politically ambitious governor Albert C. Ritchie would in an attempt to position himself as a viable challenger to FDR become one of the first governors in the United States to investigate the lynching death of a Black person Ritchie tasked Patsy Johnson a member of the Pinkerton detective agency and a former prizefighter with going undercover in Salisbury and

infiltrating the mob that murdered Williams Johnson would eventually befriend a young local who admitted to participating in the lynching and who also named several local law enforcement officers as ringleaders Despite this a grand jury after hearing 124 witness statements declined to indict the perpetrators But this denial of justice galvanized Governor Ritchie s Interracial Commission which would become one of the pioneering forces in the early civil rights movement in Maryland Complicating historical narratives associated with the history of lynching in the city of Salisbury The Silent Shore explores the immediate and lingering effect of Williams s death on the politics of racism in the United States the Black community in Salisbury the broader Eastern Shore the state of Maryland and the legacy of modern day lynchings *Catholic Pirates and Greek Merchants* Molly Greene,2010-08 Subjects and sovereigns The claims of religion The age of piracy The Ottoman Mediterranean The pursuit of justice At the Tribunale The turn toward Rome **The Trojan Kings of Britain** Caleb Howells,2024-04-15 Caleb Howells author King Arthur The Man Who Conquered Europe argues that the legend of Brutus is based on real historical events Constructing a compelling argument based on a re examination of original sources the book offers a fresh perspective on the history of Britain *Reference Books Bulletin* ,1997
