Life

Changing Moments in Inner Healing Peter Mack,2012 This book is a delightful read and describes how a medical doctor used regression therapy to explore and transform the past lives of four of his patients to assist in their rapid healing The patients came with a variety of symptoms including insomnia fearful dreams water and snake phobia deja vu procrastination rage loss of memory fear of success fear of public speaking and unexplainable pain Through reliving and reframing their past life stories under trance all four patients were able to gain rapid insight into their spiritual self and achieve healing The book is written for the general reader and will also interest medical professionals and their patients

The Hypnotic Use of Waking Dreams Paul W Schenk,2006-11-29 Near death experiences can be profound and life changing Through hypnotically facilitated waking dreams Schenk shows clients how they can benefit from the life changing effects of a near death experience without the life threatening cardiovascular crisis

Transpersonal Hypnosis Eric D Leskowitz,2019-05-23 Transpersonal Hypnosis presents a multidimensional energy based view of human awareness that integrates disparate biological psychological and spiritual therapeutic techniques Each of the chapters all from world renowned contributors includes both a historical overview and the theory behind the development of each technique The authors emphasize experimental studies that examine the validity of using hypnotically accessed transpersonal states of consciousness to heal the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine

Confessions of a Regressionist Barbara H. Pomar,2012-05-17 For the past thirty five years Dr Barbara Pomar has guided her clients on journeys into their past lives *Confessions of a Regressionist* presents both her personal account of her work with clients working to reverse past decisions to change the present and future and the theories behind the practice For some the very existence of past lives let alone the ability to reconnect with them is a point of spirited debate Even so Dr Pomar has helped many to come to their own conclusions about the validity of this technique Now she guides readers on using her techniques to live more fully or mold their destinies She also discusses theories on why and how past life regression is possible If youve ever struggled with how the possibility of past life regression fits within your faith Dr Pomar offers advice on how to evaluate your conflict If you are a regressionist Dr Pomars work can help you realize that by helping your client you also help past and future generations as well If youve ever considered meeting with a regressionist Dr Pomar explains how this sort of experience can help you live more fully in the present with joy confidence and prosperity by releasing or neutralizing memories of harmful events

Framework of Reality: Understanding Our Subtle Spiritual Nature Douglas Kinney,2014-06-06 *Framework of Reality* highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to

Frontiers of Knowledge which is a large research book with all the details and all the references Framework provides all the same information in a summary form It can be considered the Cliffs Notes for Frontiers of Knowledge Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge

The Big Book of Reincarnation Roy Stemman, 2012-05-01 IS DEATH THE FINAL CHAPTER In The Big Book of Reincarnation Roy Stemman attempts to answer one of the big questions of existence Is death the end Or is it merely the end of a chapter in the book of existence A self described skeptical believer Stemman uses his skills as a professional journalist to perform an in depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives of those affected by reincarnation such as children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject

Kardec's Spiritism Emma Inc. Bragdon, 2012-11 Especially of interest to those involved with healing and healthcare The first book to describe contemporary spiritual healing centers in Brazil including a psychiatric hospital where spiritual healers collaborate with conventionally trained healthcare professionals There are more than 12 000 of these centers in Brazil 20 40 million Brazilians use this resource for spiritual growth healing and to maintain wellness These Centers welcome people of all religions and cultures offering effective forms of healing as a free service The introduction to the philosophy of Spiritism is presented in a clear easy to understand manner

The description of the methods for healing used over more than 150 years demonstrate that Brazil has developed an effective model of integrative health care The author spent half of each year 2001 2012 in Brazil studying these centers and hospitals She is a psychologist teacher prolific author and pioneer in the area of healing and spiritual awakening She suggests that importing components of Brazil s Spiritist Centers could help us improve our ailing healthcare system *Spirits, Angels, Demons, and Gods* Don Little,2010-03
