Regulatory Law And Policy Cases And Materials By Shapiro 3rd Edition:

A Handbook of Legal Education in Nigeria Emiri, Oghenemaro Festus, 2018-05-22 This book is on the nature and practice of legal education in Nigeria with comparative material sometimes deployed to shed light on current local situation The primary goal of legal education is to prepare students for the profession To do this a faculty will need to pay attention to a theory of learning to guide it in implementing a programme that will serve the mission It is hoped that the basic information here provided on the basic structure and content oflegal education and ensuing challenges should point in more fruitful directions to all in the legal profession in Nigeria Regulatory Law and Policy Sidney A. Shapiro, Joseph P. Law and Development Piotr Szwedo, Richard Peltz-Steele, Dai Tamada, 2019-09-14 This book examines the Tomain. 1992 concept of development from alternative perspectives and analyzes how different approaches influence law Sustainable development focuses on balancing economic progress environmental protection individual rights and collective interests It requires a holistic approach to human beings in their individual and social dimensions which can be seen as a reference to integral human development a concept found in ethics Development can be considered as a value or a goal But it also has a normative dimension influencing lawmaking and legal application it is a rule of interpretation which harmonizes the application of conflicting norms and which is often based on the ethical and anthropological assumptions of the decision maker This research examines how different approaches to development and their impact on law can coexist in pluralistic and multicultural societies and how to evaluate their legitimacy analyzing the problem from an overarching theoretical perspective It also discusses case studies stemming from different branches of law **Administrative Law from the Inside Out** Nicholas R. Parrillo, 2017-03-23 This collection of essays interrogate and extend the work of Jerry L Mashaw the most boundary pushing scholar in the field of administrative law <u>Essentials of Lawyering Skills in Africa</u> Festus Emiri, Ernest Owusu-Dapaa, 2020-07-01 In twenty two chapters divided into six parts for convenience the authors not only lay bare the art of lawyering but also provide invaluable nuggets of perfecting and excelling as a solicitor and advocate There is little doubt that the contents of this book dramatically make a lawyer especially the lawyer in Africa to be more effective more skilful and a proper lawyer useful to the client and society **Ending Dirty Energy Policy** Joseph P. Tomain, 2011-06-20 Climate change presents the United States and the world with regulatory problems of a magnitude complexity and scope unseen before The United States however particularly after the mid term elections of 2010 lacks the political will necessary to aggressively address climate change Most current books focus on climate change Ending Dirty Energy Policy argues that the US will not adequately address climate change until it transforms its fossil fuel energy policy Yet there are signs that the country will support the transformation of its century old energy policy from one that is dependent on fossil fuels to a low carbon energy portfolio A transformative energy policy that favors energy efficiency and renewable resources can occur only after the US has abandoned the traditional fossil fuel energy policy has redesigned

regulatory systems to open new markets and promoted competition among new energy providers and has stimulated private sector commercial and venture capital investment in energy innovations that can be brought to commercial scale and marketability Federal Administrative Procedure Sourcebook William F. Funk, Jeffrey S. Lubbers, Charles Pou (Jr.), 2000

The Need for a European Contract Law J. M. Smits,2005 The aim of this book is to discuss the need for a uniform contract law in Europe At present it is debated to what extent uniformity of law is required from the economic perspective. The view of the European Commission seems to be that diversity of law stands in the way of a proper functioning of the internal market but this view does not seem to be shared by business in the reactions to the Communication on European Contract Law 2001 it was striking to see that most companies do not consider the present diversity to be a true barrier to trade This book offers five different perspectives on the need for a uniform contract law These perspectives include economics behavioral law and economics psychology and law Current Publications in Legal and Related Fields, 2003
