Rehabilitation Of Clergy Alcoholics Ardent Spirits Subdued:

The Rehabilitation of Clergy Alcoholics Joseph Henry Fichter, 1982 Current Catalog National Library of Medicine (U.S.), **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), **Naked Parish Priest** Stephen Loudon, Leslie J. Francis, 2003-08-01 Based on a survey sent out to Catholic clergy in the UK this study is a major contribution from empirical theology towards interpreting the health and potential of the priesthood today The issues raised by this new study concern the nature and health of the priesthood a topic of most urgent concern at a time of clerical scandal and abuse The conclusions of this book are extremely revealing but fundamentally positive for anyone concerned with the future of the Christian Church at the start of a new millennium Alcohol, Addiction and Christian Ethics Christopher C. H. Cook, 2006-05-04 Addictive disorders are characterised by a division of the will in which the addict is attracted both by a desire to continue the addictive behaviour and also by a desire to stop it Academic perspectives on this predicament usually come from clinical and scientific standpoints with the moral model rejected as outmoded But Christian theology has a long history of thinking and writing on such problems and offers insights which are helpful to scientific and ethical reflection upon the nature of addiction Chris Cook reviews Christian theological and ethical reflection upon the problems of alcohol use and misuse from biblical times until the present day Drawing particularly upon the writings of St Paul the Apostle and Augustine of Hippo a critical theological model of addiction is developed Alcohol dependence is also viewed in the broader ethical perspective of the use and misuse of alcohol within communities **Applied Interpersonal Communication Matters** Beth A. Le Poire, René M. Dailey, 2006 It is an important time for scholars of communication to develop rich theory addressing critical applied interpersonal issues Stress substance abuse violence health problems divorce safety and aging are but a few of the problems individuals address in their day to day interpersonal communication That communication is critical to coping successfully with these challenges Stressing the timeliness of such applied contributions the International Communication Association instituted a regular feature in its newsletter on communication matters and focused its most recent conference on applied issues in communication This edited volume containing individual chapters by original researchers explores socially meaningful contributions to the study of interpersonal problems involving language and social action Spirituality and Psychiatry Chris Cook, Christopher C. H. Cook, Andrew Powell, Andrew Sims, 2009-06 This book explores the nature of spirituality its relationship to religion and the reasons for its importance in clinical practice Different chapters focus on the key subspecialties of psychiatry including psychotherapy child and adolescent psychiatry intellectual disability psychiatry substance misuse psychiatry and old age psychiatry **From Sin to Disease** Jonathan K. Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA*

and the introduction of the 12 Steps AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue

Rethinking Celibacy, Reclaiming the Church Michael H. Crosby, 2003-07-02 In this courageous work Michael Crosby offers a trenchant analysis of mandatory celibacy in the Roman Catholic Church He shows how the imposition of celibacy has now revealed a deeper issue the abuse of power as well as the abuse of women and homosexuals in the Church Crosby asserts that to argue that the present discipline of mandatory celibacy is based on the New Testament is a misuse of scripture imposed celibacy continues to be used as a means of maintaining clerical control through fear and intimidation a religious system demanding celibacy exposes a deeper control the abuse of power endemic throughout the system while difficult to live out even when freely chosen enforced celibacy can result in dysfunctional behaviors at all levels Integrating his personal experience as a celibate and cleric with biblical exegesis historical study and the behavioral sciences Crosby believes that healthy celibacy demands intimacy with God and others a healthy church will reorder its current power dynamics in a way that mitigates sexual abuse this will once again reveal Roman Catholicism to be a religion with an inspiring model of evangelical life and witness This updated revision of Crosby's award winning Celibacy Means of Control or Mandate of the Heart also addresses the abuse of power in the Catholic Church by those male clerical celibates who control it He convincingly points the way to a Church that will be with all its ministers healthier and holier

Sociology of Religion in America Anthony Blasi, 2014-03-20 Sociology of Religion in America tells the story of the controversies involved in the development of a scientific specialty that often makes news in America The evidence it presents runs contrary to the many myths about the field Sometimes viewed by scholars as a backwater actual evidence from the 1890s to the 1980s shows that sociology of religion had a steady presence in sociology all along Seen as a force alien to religion by some it was actually in a mutually supportive relationship with religious organizations Examining dissertations dating from 1895 to 1959 and scientific articles from the 1960s to the 1980s Anthony J Blasi discovers who the major

sociologists of religion were and what they did He traces the field's previously unknown tradition in community studies the exigencies of the research institutes and dramatic changes in the professional associations **Bulletin of the Menninger Clinic** Menninger Clinic,1982 **Project MATCH Monograph Series** ,1992 *Project MATCH Hypotheses* Richard Longabaugh,2001 *To be Continued--* Charles Bishop,Bill Pittman,1994 Sociology ,1982 Alcohol Problems and Alcoholism James E.
