**Crusade** James Shane,2003-04 *Miraculous Mountain Mover* Chuck Klingman,2017-12-15 By definition a disciple follows As contemporary Christians today most of us are sincere about proclaiming that we are disciples of Jesus Christ Yet in truth and by definition few of us really are Many of us are genuine about conforming to the Lords character at least in part and thats a worthy pursuit However for various reasons as explained in this book very few of us today are personally carrying on with the Lords own miraculous works and ways as directed In truth our own prayers personal ministries and methods seldom resemble the timeless prayers ministry and methods of Jesus nor do our results resemble His miraculous results This powerful book is passionately committed to helping and encouraging every believer to follow Jesus in the miraculous ways of a mountain mover while explaining just how to do it So much more than another great book on prayer and discipleship the *Miraculous Mountain Mover* is an invitation into the powerful life of active faith that is intended for every believer and follower of Jesus As Christians we are the Body of Christ His hands and feet His mouthpiece and were called to do His work on the earth in our day Pastor Chuck has a first hand experience of this and it is his contagious passion to help others to do the same Be forewarned this book is not for the faint of heart As you read this book you will be very encouraged However you will also be challenged to step out of the shadows of fear and doubt and into the adventurous life of faith that awaits Enjoy Brett Masters Senior Pastor Dream Center Lake Elsinore [The King and the kingdom: a study of the four Gospels](#) ,1893

*The Gospel of Matthew, vol. 1* Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins

Busse, 2014-07-18 Virtually all scholars agree that Jesus did one very risky thing he exorcised demons Exorcism was an illicit activity in the Roman world so why would Jesus risk condemnation arrest and even death for the sake of the demon possessed Some point to his compassion Roger Busse a thirty nine year veteran of risk analysis and a graduate of Harvard Divinity School has another answer from the world in which he lives risk assessment People engage in risky ventures only when not doing so would pose even greater risks What was the greater risk for Jesus He believed that his land and home then suffering under foreign occupation was filled with demons He believed that if he did not drive them off all might be lost and the forces of darkness might win out leaving only the kingdom of Satan Given this context Busse reassesses the gospel traditions Using risk analysis Busse provides a new approach that recovers the specific charismatic practices sayings and parables that the exorcist Jesus employed in his deliberate and dangerous strategy to drive Satan from the land and reestablish the kingdom of God *To Be Near the Fire* offers a new portrait of Jesus and the origins of Christianity      *Semanatorul (The Sower), Volume One, Number Two* Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-02-19 About the Theology Journal This is the second issue of Volume 1 of Sem n torul The Sower The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by faith It also provides an opportunity for a visible act

of proclamation of the Lord's death Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson's use of the theme of the atonement as an apologetic tool The essence of Carson's argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God's existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul's various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors Hamilton Moore Editor **Shepherds** Daniel C. Fredericks, 2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God's relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God's very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation Life in the Spirit New Testament Commentary French L.
