extraordinarily dutiful matriarch Part biography part meditation on a changing society The Last Queen asks how long can the House of Windsor survive beyond the reign of Elizabeth II Picking up his tale in 1936 with the abdication of Edward VIII Irving follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in attitudes towards the monarchy a story honed by the critical eye of an investigative reporter who has been close to the action since the very beginning *Queen Elizabeth II* Jessica Leggett, 2023 Introduction to Elizabeth II Gilad James, PhD, Queen Elizabeth II is the longest reigning monarch in British history having ascended to the throne on February 6th 1952 She was born on April 21st 1926 in London England to the Duke and Duchess of York who later became King George VI and Queen Elizabeth respectively Elizabeth was married to Prince Philip Duke of Edinburgh and they had four children together Prince Charles Princess Anne Prince Andrew and Prince Edward Throughout her reign she has been a figurehead for the United Kingdom and the Commonwealth attending various public events and performing ceremonial duties Throughout her reign Queen Elizabeth II has seen significant changes and challenges including the end of the British Empire and the rise of the Commonwealth of Nations She was also instrumental in modernizing the monarchy both in terms of its public relations and its duties Throughout her reign she has maintained a strong sense of duty and is widely respected for her unwavering commitment to her role as monarch Today she is one of the most famous and beloved figures in British history having lived through numerous world events and providing a sense of stability and continuity during times of change *Your Majesty* Graham Fisher, Heather Fisher, 1992 *Lateinamerika im Film*, 1983 *Queen Elizabeth II* Tim Graham, 2004-09 Hail to the Queen in this complete beautifully photographed illustrated history of the reign of Queen Elizabeth II from her coronation in 1952 to the Golden Jubilee this year Over 1 000 illustrations **Queen Elizabeth II** Charles River Editors, 2015-05-21 Includes pictures Includes quotes by the Queen about her life and reign Includes online resources and a bibliography for further reading Includes a table of contents When I was twenty one I pledged my life to the service of our people and I asked for God's help to make good that vow Although that vow was made in my salad days when I was green in judgement I do not regret nor retract one word of it Elizabeth II Until the implementation of new legislation on March 26 2015 men were given preference to women in the British royal line This system of male primogeniture meant that women seldom inherited the throne and even when they did they were often dominated by male councillors Those women who married British kings gained the title of Queen but they were queen consorts holding the title with no power This makes Elizabeth II one of a select few queens regnant queens ruling in their own right and one of even fewer to set her own course in the history of her family and its throne This is ironic given that history and Elizabeth's relation to preceding monarchs made it highly unlikely that she would ever even inherit the throne It was only the abdication of her uncle in circumstances that shocked the world that put the young Princess Elizabeth's father on the throne and made her the heir In less tumultuous times hers would not have been the head that wore the crown Nonetheless Queen Elizabeth II has become so much a part of British society and culture that

her presence is taken almost for granted setting the standard people now expect of a British monarch The longest lived and second longest reigning monarch in British history Elizabeth II has overseen her country during a time of incredible turmoil and ever accelerating change providing a stable figure at the heart of a nation going through seemingly endless upheavals Her impact in this regard extends beyond the United Kingdom and all the way to those countries of the Commonwealth over which she is still monarch In too many ways to count hers has been an extraordinary reign but even as she has been able to portray herself as a figure of tradition she has been a modern queen in many respects so even as she reaches old age and her subjects are forced to consider what life will be like without her she has set the Royal Family on a path to modernity Queen Elizabeth II The Life and Legacy of Britain's Second Longest Reigning Monarch traces the life of Elizabeth II and the history of her reign Along with pictures of important people places and events you will learn about Queen Elizabeth II like never before in no time at all
