Reiki A Gift Of Love:

Reiki a Gift of Love Brian Daxter, Carole A. Daxter, 1996 *Dancing with Death Thru Senility Into Eternality* Toni Delgado, 2002-09-10 We have wondered so far from our Beginning that few of us have memory of who we are or why we are here We have become so disconnected from our Source ourselves each other and this very precious planet that houses and sustains us We have in essence lost touch with our very nature Until we arrive at that place of enoughness until we have championed the conditioning of the programs we volunteered to heal until we have received enough Cosmic Dispensations from the Company of Heaven to speed our evolutionary and ascensionary process until Light Workers have done enough selfless service to raise this sweet Earth out of the quagmire of human miscreations we have work to do I can think of no finer selfless service no finer Karma Yoga than doing the work to return to the natural state that God Goddess intended for us That natural state is the state of Life Everlasting Life Eternal Physical Immortality It is an awesome journey reclaiming this gift and getting there is packed with challenge It is a journey worth doing We must do it at the very least some of us must do it so that it can become commonplace once again so that others can remember *Guided by Love* Tiffany A. Engle, 2022-07-29 Guided by Love Channeled Messages from Archangel Gabriel By Tiffany A Engle Author Tiffany A Engle is listening so she heard Archangel Gabriel pose this question one of many that he has asked her during their conversations over the years Engle is a clairaudient a way in which our Spirit Guides Angels and departed loved ones communicate with us This book is about the author's spiritual journey with the help of Archangel Gabriel and it is intended to make people aware of their own spiritual awakenings as well In their enlightening conversations Archangel Gabriel's sense of humor shines through as he illuminates the spiritual learning that can come from everyday life **A Life of Love** Eileen Love, 2012-10 A love of the beauty and restorative power of nature was always a faithful constant in an occasionally turbulent life Through poetry and prose Ms Love now shares her reflections and expresses her gratitude for where life has brought her Along the route here she found that love of nature later kept company by a love of meditation and of Reiki as well Let this insightful sometimes autobiographical book slip into your heart and bring a smile to your face *Love is the Thread* Leslie Moise, Ph.D., 2011-12-01 Sustained by the metaphor of knitting the memoir Love is the Thread traces the way one spiritual friendship can change all our relationships with strangers and friends from friends to family and beyond Love is the Thread centers on the friendship between two women one snared in a life long struggle with bipolar disorder the other reweaving her life after an abusive relationship Spirituality encounters with nature and vacations on the Delaware shore form the threads of a friendship as varied and closely knit as the stitches in a handmade sweater From the discovery of hidden colors in fresh snow to the satisfaction of teaching a young nephew to knit Love is the Thread savors life's small glories ultimate challenges and all the moments of humor and tenderness in between *A Poet Dreams* Mark Crawford, 2014-04-01 Like most self made millionaires thoughts of becoming a lifer convict never enter Mayor Marks mind He was a butterfly flying

through life without worry until his best friend ends up dead and he's the primary suspect. All that is known to him is ripped away leaving him alone and angry as he knows his innocence. He attempts to cope with prison life and insanity takes hold when Mark meets a stranger called the Painter. Who is this man who mysteriously appears giving Mark a compelling view into self-actualization forcing him to look within. What he finds there is shocking. The Seven Jewels of Reiki Michael Fuchs, The Seven Jewels of Reiki reveals the seven core elements of the Japanese healing art of Usui Reiki Ryoho and the foundations of the Butterfly Reiki System. Using relatable examples in a friendly engaging voice the author shares the benefits of these transformative energies and offers guidance for anyone wishing to discover their secrets. This book is a valuable resource for Reiki students and instructors alike. *The Revolution of Marie* Noel A. Brand, 2015-05-28 Author Noel A. Brand first met Marie Le Claire a spirited young Frenchwoman in July of 2013. Over the course of several interviews with Brand she shared stories of her life and of her death in the eighteenth century. Marie is in fact a past life persona of Brand's present day wife Diane. In this biographical study Brand recalls how he came to discover this relationship and what that discovery meant for Diane. He first explores his own background and considers the process of accessing past lives as well as how past lives may influence people's present existence. He then shares Marie's life story an engaging tale that is surprisingly relevant to the struggles of women today. Finally he discusses the connection between Marie and Diane providing practical exercises for the reader to use in their own past life discovery. This personal narrative presents an exploration of past lives through the stories of a young woman from eighteenth century France and the modern day Australian to whom she is connected. *The Love Inspiration Ascension Pathway* Love Inspiration, The Love Inspiration Ascension Pathway helps to accelerate the transition from an old egoic based consciousness into a new unified or love based consciousness.
