Auerbach,2010-09-15 GHOSTHUNTING is a common sense approach to the investigation and resolution of cases of reported ghostly happenings including apparitions hauntings and poltergeists Written so that the reader quickly grasps what parapsychologists think ghosts are and how to best deal with the phenomena and the experiences of the people having them Covers the investigative process from the initial call and assessment to the on site investigative techniques and technology Deals with how to come up with solutions and resolutions ways to get rid of the phenomena Includes a discussion of the use of technology and the use of psychics in paranormal investigations and if anyone can prove the existence of ghosts Finally the book covers information resources and organizations that the new ghost hunter and the person who encounters a ghost can find to learn more about the subject and for help with cases they're investigating or phenomena they're experiencing *The*

Outline of Parapsychology Jesse Hong Xiong,2009-11-09 This is a work of systematic parapsychology The book aims to construct a framework and system of parapsychology taking a comprehensive approach to the field The Outline of Parapsychology states that parapsychology has a different philosophical background from the existing science and religions and posits that pantheism could be the theoretical basis of parapsychology The book also integrates parapsychology with oriental philosophies and New Age movement thought Handbook for the Amateur Paranormal Investigator Or Ghost Hunter

Brian D. Parsons,2008-05 How to conduct paranormal investigations **Encyclopedia of New Age Beliefs** John Ankerberg,John Weldon,1996 This comprehensive indexed volume includes short one page listings of pertinent facts about a particular movement its founder how it claims to work scientific evaluations done and its potential dangers Some topics covered are angels visualization shamanism hypnosis new age medicine and martial arts *Coast to Coast Ghosts* Leslie Rule,2012-11-06 Ghosts have been the entertaining subject of many works of fiction but they're even more intriguing and perhaps even scarier when they are the focus of real life hauntings in our own backyard An employee of the St James Hotel in New Mexico watches in shock as a fair haired toddler with a terribly disfigured face disappears into the floor This is just one of the paranormal mysteries Leslie Rule shares with us a result of extensive interviews and research uncovering the reasons behind ghost sightings across the country Coast to Coast Ghosts features dozens of spine tingling real life ghost stories and approximately fifty black and white photographs taken by Rule including some believed to have captured actual apparitions Only the reader can decide Ghost Talk Robert H. Coddington,2001 There have been many books written about troubled spirits who are trapped on earth and who continue to haunt the living Ghost Talk goes one step further Robert Coddington and his psychic wife Marianne know firsthand that ghosts are among us During a ghost hunt in Richmond Virginia Marianne

s body first became the medium for the lost spirit of a teenager named Angelica who forever changed their beliefs about life and death In this spellbinding trip to the other side readers will meet the Coddingtons ghostly subjects in their own words and learn of the Coddingtons extraordinary methods for contacting the lost and frightened souls of the dead Readers will share in another incredible experience how earthbound spirits unaware of their mortal deaths and still trapped on this plane of existence can be guided to the Light *The Third Path* Bud Carroll,2013-08-01 When I finished reading this book all I could say was WOW What a stunning piece of literary work It is concise brilliantly written backed by scientific findings with clear human logic and intelligence If this doesn't awaken the masses to delve into who and what they truly are I can't imagine what will Jerry Issa teacher of metaphysics Trenton Michigan This book will change your life if you let it If we are accidental beings on a remote planet in a vast universe existing for merely a blip in cosmic time what's the point of living at all Until we learn life is too significant to be a short lived brilliance that rises out of nothing and ends in nothing we will continue to live out our lives in what Thoreau saw as quiet desperation We sense the materialistic wall when we ask the question Is that all there is Without resorting to miracles or magic this book provides compelling evidence of life beyond the physical world by logically investigating the limitations of matter in the universe by examining the gaps in scientific theories and by analyzing what the mystics already know about a spiritual existence It takes a dedicated seeker with no preconceived ideas and no intent on arriving to see beyond the materialistic wall This book is intended to expand your awareness of life here and hereafter hopefully providing the spark that will start you on your own personal pilgrimage The mystics tell us we will be guided to the next step along our spiritual path when we are ready Are you ready AWARENESS The following might be the thoughts of those at different levels of awareness as they walk through a rose garden I want I wonder how much I could get for these roses I believe God created roses when He created the world and everything in it I doubt Roses evolved from wild flowering shrubs but most garden varieties are hybrids I seek How could anything as beautiful as a rose happen purely by chance I know Roses like all life on Earth are physical manifestations of spirit From Shaman to Scientist James Houran,2004-08-05 This book is an interesting look at the scientific data in the field of parapsychology It examines ghost hunting as a cultural and scientific phenomenon sidestepping the many issues surrounding the reality of ghosts and discussing the many and varied methods used by ghost hunters *Haunted America FAQ* Dave Thompson,2015-09-01 FAQ Pop Culture Take a fast paced survey of the ghosties ghouls and associated denizens of the country's haunted history with *Haunted America FAQ* Tracing local ghost stories back to Native American legends and then forward through horror tales both ancient and modern the book revisits some of the best known haunted locales as well as some of the most obscure creepy places in America Delving deep into the cultural history of American hauntings *Haunted America FAQ* includes chapters on ghostly books movies and television Also included is an A Z of reality TV ghost hunts and a state by state gazetteer of haunted spots The Channeling Zone Michael Fobes Brown,1997 Neither a debunker nor an advocate Michael

Brown examines why so many intelligent Americans have turned to channeling as a source of spiritual guidance and how this links with older and more esoteric native religions Reincarnation Lynn Kear,1996-07-22 Over 500 books are described Each entry includes full bibliographic information a description of the contents and additionally in most cases an excerpt is included that gives the flavor of the book Pro and anti reincarnation sources are featured for this highly controversial subject An appendix lists organizations that are concerned with reincarnation This will be of interest to religious scholars and students and anyone interested in this fascinating topic **On Christianity, New Age, and Reincarnation** Jaime T.
