Incredible Revelations? Robert E. Bonson, 2006-10-01 In the summer of 2004 attorney Audrey Sandersen was severely injured in an auto accident and encountered a near death experience unlike any other Much has been written about those who have followed the light and then been drawn back but she found herself instead in a place called The Library of Knowledge There she learned the basic revelations about life and its purposes intended only for those passing from one existence to another After she recovered Sandersen contacted author Russell Thornton to help her write a book about what she had learned But a group of fanatics tried to stop her When their threatening calls failed her home was torched and his computer storing the manuscript was stolen But that didn't work either forcing the fanatics to become even more reckless in the pursuit of their plot This is the dramatic story of what Sandersen learned and the battle she and Thornton faced in trying to share it with the world Readings in Sri Aurobindo's the Life Divine Volume 3 Santosh Krinsky, 2012-11-15 Readings in Sri Aurobindo's The Life Divine Volume 3 There is probably no other book Sri Aurobindo's The Life Divine that I know of which so well completely rationally and intuitively addresses the questions of our existence and the meaning of life and provides a cogent answer rooted in the highest spiritual realization and yogic experience that can be adapted by all regardless of their particular background or inclinations Santosh Krinsky a life long student of Sri Aurobindo with great devotion dedication and attention has served this crucial role of providing a bridge to help us enter more deeply into the vast universe

of consciousness that Aurobindo holds open for humanity today He leads the reader through each page of The Life Divine by extracting its essence In this way he makes the book easier to access with no loss of its broader meaning from the Foreword by Dr David Frawley author of Yoga and Ayurveda
