Reinventing Ireland Culture Society And The Global Economy:

Reinventing Ireland Peadar Kirby, Luke Gibbons, Michael Cronin, 2002-04-20 Over the last decade the Irish economy has experienced a period of unprecedented growth which has earned it the title Celtic Tiger This success has been interpreted by academic commentators as marking a social and cultural transformation what some have called the reinvention of Ireland The essays in this book challenge the largely positive interpretation of Ireland's changing social order The authors identify the ways in which culture and society have been made subservient to the needs of the market in this new neoliberal Ireland They draw on subversive strands in Irish history and offer a broader and more robust understanding of culture as a site of resistance to the dominant social order and as a political means to fashion an alternative future Irish Business and Society John Hogan, Paul F. Donnelly, Brendan K. O'Rourke, 2010-10-29 A collection of stimulating essays exploring the wide ranging debates surrounding the relationship between business and society in 21st century Ireland Wide ranging diverse and thought provoking contributions from leading business researchers economists sociologists and political scientists from Ireland and abroad probe five central themes the making and unmaking of the Celtic Tiger governance regulation and justice partnership and participation the nature of Irish borders in Ireland Europe and the wider world and interests and concerns in contemporary Ireland Irish Business and Society takes a critical look at Ireland as one of the most open and globally integrated economies in the world with the activities of Irish and Irish based foreign business impacting on both national and international societies and businesses discusses the relationships between business and society within the context of the wider Irish and European political economy presents the Irish economic decisions and conditions that precipitated the current recession in Ireland and the resultant lessons to be learned and examines the relationship between Irish business and society today contemplating how it might develop into the future Essential reading for students of Irish Business Economics Sociology and Politics those taking Irish Studies courses and anyone interested in contemporary Ireland The contributors are Nicola Timoney Frank Barry Mary P Murphy William Kingston Niamh M Brennan Rebecca Maughan Roderick Maguire Gillian Smith Conor McGrath Connie Harris Ostwald Kevin O Leary Jesse J Norris Olice McCarthy Robert Briscoe Michael Ward Helen Chen Patrick Phillips Mary Faulkner John O Brennan Mary C Murphy Breda McCarthy Marian Crowley Henry John McHale Kate Nicholls Gary Murphy Geoff Weller Jennifer K DeWan Patrick Kenny Gerard Hastings Margaret Anner Lawlor Karlin Lillington John Cullen Discourses of Home and Homeland in Irish Children's Fiction 1990-2012 Ciara Ní Bhroin, 2021-05-22 In the context of changing constructs of home and of childhood since the mid twentieth century this book examines discourses of home and homeland in Irish children's fiction from 1990 to 2012 a time of dramatic change in Ireland spanning the rise and fall of the Celtic Tiger and of unprecedented growth in Irish children's literature Close readings of selected texts by five award winning authors are linked to social intellectual and political changes in the period covered and draw on postcolonial feminist cultural and children's literature theory highlighting the political and ideological dimensions of

home and the value of children's literature as a lens through which to view culture and society as well as an imaginative space where young people can engage with complex ideas relevant to their lives and the world in which they live Examining the works of O R Melling Kate Thompson Eoin Colfer Siobh n Parkinson and Siobhan Dowd Ciara N Bhroin argues that Irish children's literature changed at this time from being a vehicle that largely promoted hegemonic ideologies of home in post independence Ireland to a site of resistance to complacent notions of home in Celtic Tiger Ireland

elites in a favourable light even if the latter's aim has been to shift the burden of adjustment onto citizens. This book explains how and why using a critical political economic perspective and focusing on the case of Ireland. Throughout Ireland is compared with contemporary and historical examples to contextualise the arguments made. The book covers the housing bubble that led to the crash, the rescue of financial institutions by the state, the role of the European institutions and the International Monetary Fund, austerity and the possibility of leaving the eurozone for Europe's peripheral countries. Through a systematic analysis of Ireland's main newspapers it is argued that the media reflect elite views and interests and downplay alternative policies that could lead to more progressive responses to the crisis. Irish Literature Since 1990 Michael Parker, Scott

Brewster, 2013-01-18 This electronic version has been made available under a Creative Commons BY-NC-ND open access license. This is a distinctive book that examines the diversity and energy of writing in a period marked by the unparalleled global prominence of Irish culture. This collection provides a wide-ranging survey of fiction poetry and drama over the last two decades considering both well-established figures and also emerging writers who have received relatively little critical attention. Contributors explore the central developments within Irish culture and society that have transformed the writing and reading of identity sexuality history and gender. The book examines the impact of Mary Robinson's Presidency growing cultural confidence back home legislative reform on sexual and moral issues the uneven effects generated by the resurgence of the Irish economy the Celtic Tiger myth Ireland's increasingly prominent role in Europe and changing reputation. In its breadth and critical currency this book will be of particular interest to academics and students working in the fields of literature drama and cultural studies. Creativity and Social Support in Mental Health R. McDonnell, 2014-04-17 This book

weaves together service users' lived experiences of mental health recovery and ideas about how creative activities such as art music and creative reading and writing can promote it particularly within social and community settings. **The Gaybo Revolution** Finola Doyle O'Neill, 2017-08-30 It is no exaggeration to call Gay Byrne a colossus of the Irish broadcasting scene. Throughout the latter half of the twentieth century as host of both the Late Late Show and the Gay Byrne Show he played a seminal role in the shift in Irish society and culture from the Church-dominated fearful state of the early 1960s to the modern

multicultural Ireland we live in today The Gaybo Revolution examines the significance of Gay Byrne's influence on this maturation of Irish society while simultaneously highlighting the centrality of the talk show genre in Irish life Equally reviled and revered Byrne has been referred to as the great window opener and a media lay priest But his influence in single channel Ireland is undeniable Using letters to the editor media articles recent studies of Irish culture quotes from Byrne himself and a re-examination of the original broadcasts The Gaybo Revolution explores how Byrne and his talk shows on both radio and television provided a forum for popular debate and acted as catalysts for change in Irish life It analyses and discusses the impact on Irish society of such controversies as Church denunciations of the Late Late Show the Brian Trevisky affair the development of the Irish Women's Liberation Movement the Ann Lovett letters and the seminal interviews with Annie Murphy Pdraig Flynn and Terry Keane In the final section of the book the modern history of the Late Late Show the development of Irish TV and radio talk shows in the post Byrne era and the contrasting nature of TV talk shows in the UK and US are explored The Gaybo Revolution will appeal to all those who wish to understand the evolution of Irish society and culture in the late twentieth century and the substantial impact of Irish media on this change Luck and the Irish R. F. Foster, 2008-03-14 Roy Foster is one of Ireland's leading historians the author of the much acclaimed two volume biography of Yeats as well as the definitive history Modern Ireland which has been hailed as dazzling New York Times Book Review and elegant erudite wise witty Irish Times Now this brilliant writer offers a short and combative account of Ireland's astonishing transformation over the last three decades Has there really been an economic miracle Where does the explosion of cultural energy in music literature and theater come from Has the power of the Catholic Church really crumbled Focusing largely on contemporary events living people current controversies and popular culture Luck and the Irish explores these questions and raises other provocative questions of its own Foster looks at the astonishing volte face undertaken by Sinn Féin eventually taking office in a state they had once fought to destroy He describes how Catholicism once the bedrock of Irish identity has been decisively compromised as evidenced by the exploitation and abuse scandals and the drastic decline in devotions At the same time the position of women in Irish society has been transformed with the growth of feminism a revolution in sexual attitudes far more women in the work force the ascendancy of President Mary Robinson and the movement of women to front rank Cabinet posts all of which have put the position of Irish women ahead of that in many European nations Many old molds have been broken in Irish society over the last 30 years and the immediate results have been breath taking But are these developments really as permanent or even as beneficial as they appear Everyone curious about the recent past the burgeoning present and the unclear future of Ireland will want to read this superbly written and deeply thoughtful book

Re-imagining Ireland Andrew Higgins Wyndham, 2006 Accompanying DVD is a videorecording of the television program produced by Virginia Foundation for the Humanities and Paul Wagner Productions in association with Radio Telefís Éireann and originally broadcast in 2004 **Ireland's Magdalen Laundries and the Nation's Architecture of**

Containment James M. Smith, 2007-09-01 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society. Mandated by the Irish state beginning in the eighteenth century, they were operated by various orders of the Catholic Church until the last laundry closed in 1996. A few years earlier, in 1993, an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer. The remains of 155 inmates buried in unmarked graves on the property were exhumed, cremated, and buried elsewhere in a mass grave. This triggered a public scandal in Ireland, and since then the Magdalen laundries have become an important issue in Irish culture, especially with the 2002 release of the film *The Magdalene Sisters*. Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996, Ireland's Magdalen Laundries and the Nation's Architecture of Containment offers the first history of women entering these institutions in the twentieth century. Because the religious orders have not opened their archival records, Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story, cultural representation, and survivor testimony rather than history, archival history, and documentation. Addressed to academic and general readers alike, James M. Smith's book accomplishes three primary objectives. First, it connects what history we have of the Magdalen laundries to Ireland's architecture of containment that made undesirable segments of the female population, such as illegitimate children, single mothers, and sexually promiscuous women, literally invisible. Second, it critically evaluates cultural representations in drama and visual art of the laundries that have over the past fifteen years brought them significant attention in Irish culture. Finally, Smith challenges the nation, church, state, and society to acknowledge its complicity in Ireland's Magdalen scandal and to offer redress for victims and survivors alike.

The Irishness of Irish Music John O'Flynn, 2017-07-05 This book brings together important material from a range of sources and highlights how government organizations, musicians, academics, and commercial companies are concerned with and seek to use a particular notion of Irish musical identity. Rooting the study in the context of the recent history of popular, traditional, and classical music in Ireland, as well as providing an overview of aspects of the national field of music production and consumption, O'Flynn goes on to argue that the relationship between Irish identity and Irish music emerges as a contested site of meaning. His analysis exposes the negotiation and articulation of civic, ethnic, and economic ideas within a shifting hegemony of national musical culture and finds inconsistencies between and among symbolic constructions of Irish music and observed patterns in the domestic field. More specifically, O'Flynn illustrates how settings, genres, social groups, and values can influence individual identifications or negations of Irishness in music. While the apprehension of intra-musical elements leads to perceptions of music that sounds Irish, style and authenticity emerge as critical articulatory principles in the identification of music that feels Irish. The celebratory and homogenizing discourse associated with the international success of some Irish musical forms is not reflected in the opinions of the people interviewed by O'Flynn. At the same time, an insider/outsider dialectic of national identity is found in various forms of discourse about Irish music. Performers and

composers discussed include Bill Whelan Riverdance Sinead O Connor The Corrs Altan U2 Martin Hayes Dolores Keane and Gerald Barry
