Reinventing Marriage The Love And Work Of Alice Freeman Palmer And George Herbert Palmer:

Reinventing Marriage Lori J. Kenschaft, 2005 At age twenty six Alice Freeman became the world's first female college president at Wellesley College Before going on to become the first Dean of Women at the University of Chicago she married Harvard professor of philosophy George Herbert Palmer in 1887 A full generation before most educated women began to dream of combining marriage and professional work George and Alice were working together to forge a new type of union that would make satisfying careers possible for both partners Drawing on more than a thousand letters written before and after their wedding Lori Kenschaft traces the changing relationship between Alice and George offering a multifaceted study of their decision to marry the dynamics of their relationship and their understanding of marriage As their relationship matures their life shaping decisions reflect and reveal their thoughts and feelings about work love sex equality and the purposes of education Lori Kenschaft's beautifully written *Reinventing Marriage* illuminates not only the personal

experiences of two remarkable individuals but also the complexities and contradictions that lie at the roots of modern ideals of marriage

A New Moral Vision Andrea L. Turpin, 2016-08-25 In *A New Moral Vision* Andrea L. Turpin explores how the entrance of women into U.S. colleges and universities shaped changing ideas about the moral and religious purposes of higher education in unexpected ways and in turn profoundly shaped American culture In the decades before the Civil War evangelical Protestantism provided the main impetus for opening the highest levels of American education to women Between the Civil War and World War I however shifting theological beliefs a growing cultural pluralism and a new emphasis on university research led educators to reevaluate how colleges should inculcate an ethical outlook in students just as the proportion of female collegians swelled In this environment Turpin argues educational leaders articulated a new moral vision for their institutions by positioning them within the new landscape of competing men's women's and coeducational colleges and universities In place of fostering evangelical conversion religiously liberal educators sought to foster in students a surprisingly more gendered ideal of character and service than had earlier evangelical educators Because of this moral reorientation the widespread entrance of women into higher education did not shift the social order in as egalitarian a direction as we might expect Instead college graduates who formed a disproportionate number of the leaders and reformers of the Progressive Era contributed to the creation of separate male and female cultures within Progressive Era public life and beyond Drawing on extensive archival research at ten trend setting men's women's and coeducational colleges and universities *A New Moral Vision* illuminates the historical intersection of gender ideals religious beliefs educational theories and social change in ways that offer insight into the nature and cultural consequences of the moral messages communicated by institutions of higher education today

Surviving Southampton Vanessa M. Holden,2021-07-13 The local community around the Nat Turner rebellion The 1831 Southampton Rebellion led by Nat Turner involved an entire community Vanessa M Holden rediscovers the women and children free and enslaved who lived in Southampton County before during and after the revolt Mapping the region s multilayered human geography Holden draws a fuller picture of the inhabitants revealing not only their interactions with physical locations but also their social relationships in space and time Her analysis recasts the Southampton Rebellion as one event that reveals the continuum of

practices that sustained resistance and survival among local Black people Holden follows how African Americans continued those practices through the rebellion's immediate aftermath and into the future showing how Black women and communities raised children who remembered and heeded the lessons absorbed during the calamitous events of 1831 A bold challenge to traditional accounts *Surviving Southampton* sheds new light on the places and people surrounding America's most famous rebellion against slavery

Starring Women Sara E. Lampert, 2020-11-09 Women performers played a vital role in the development of American and transatlantic entertainment celebrity culture and gender ideology Sara E Lampert examines the lives careers and fame of overlooked figures from Europe and the United States whose work in melodrama ballet and other stage shows shocked and excited early U S audiences These women lived and performed the tensions and contradictions of nineteenth century gender roles sparking debates about women's place in public life Yet even their unprecedented wealth and prominence failed to break the patriarchal family structures that governed their lives and conditioned their careers Inevitable contradictions arose The burgeoning celebrity culture of the time forced women stage stars to don the costumes of domestic femininity even as the unsettled nature of life in the theater defied these ideals A revealing foray into a lost time *Starring Women* returns a generation of performers to their central place in the early history of American theater

Women against Abortion Karissa Haugeberg, 2017-04-03 Women from remarkably diverse religious social and political backgrounds made up the rank and file of anti abortion activism Empowered by yet in many cases scared of the changes wrought by feminism they founded grassroots groups developed now familiar strategies and tactics and gave voice to the movement's moral and political dimensions Drawing on oral histories and interviews with prominent figures Karissa Haugeberg examines American women's fight against abortion Beginning in the 1960s she looks at Marjory Mecklenburg's attempt to shift the attention of anti abortion leaders from the rights of fetuses to the needs of pregnant women Moving forward she traces the grassroots work of Catholic women including Juli Loesch and Joan Andrews and their encounters with the influx of evangelicals into the movement She also looks at the activism of evangelical Protestant Shelley Shannon a prominent pro life extremist of the 1990s Throughout Haugeberg explores important questions such as the ways people fused religious conviction with partisan politics activists' rationalizations for lethal violence and how women claimed space within an unshakably patriarchal movement

Sophonisba Breckinridge Anya Jabour, 2019-09-16 Sophonisba Breckinridge's remarkable career stretched from the Civil War to the Cold War She took part in virtually every reform campaign of the Progressive and New Deal eras and became a nationally and internationally renowned figure Her work informed women's activism for decades and continues to shape progressive politics today Anya Jabour's biography rediscovers this groundbreaking American figure After earning advanced degrees in politics economics and law Breckinridge established the University of Chicago's School of Social Service Administration which became a feminist think tank that promoted public welfare policy and propelled women into leadership positions In 1935 Breckinridge's unrelenting efforts to

provide government aid to the dispossessed culminated in her appointment as an advisor on programs for the new Social Security Act. A longtime activist in international movements for peace and justice, Breckinridge also influenced the formation of the United Nations and advanced the idea that women's rights are human rights. Her lifelong commitment to social justice created a lasting legacy for generations of progressive activists.

Habits of Compassion Maureen Fitzgerald, 2023-12-11

The Irish Catholic Sisters accomplished tremendously successful work in founding charitable organizations in New York City from the Irish famine through the early twentieth century. Maureen Fitzgerald argues that their championing of the rights of the poor, especially poor women, resulted in an explosion of state-supported services and programs. Parting from Protestant belief in meager and means-tested aid, Irish Catholic nuns argued for an approach based on compassion for the poor. Fitzgerald positions the nuns' activism as resistance to Protestantism's cultural hegemony. As she shows, Roman Catholic nuns offered strong and unequivocal moral leadership in condemning those who punished the poor for their poverty and unmarried women for sexual transgression. Fitzgerald also delves into the nuns' own communities, from the class-based hierarchies within the convents to the political power they wielded within the city. That power, amplified by an alliance with the local Irish Catholic political machine, allowed the women to expand public charities in the city on an unprecedented scale.

Big Sister Erin M. Kempker, 2018-10-10

The mid-Seventies represented a watershed era for feminism. A historic National Women's Conference convened in Houston in 1977. The Equal Rights Amendment inched toward passage. Conservative women in the Midwest, however, saw an event like the International Year of the Woman not as a celebration but as part of a conspiracy that would lead to radicalism and one-world government. Erin M. Kempker delves into how conspiracy theories affected and undermined second-wave feminism in the Midwest. Focusing on Indiana, Kempker views this phenomenon within the larger history of right-wing fears of subversion during the Cold War. Feminists and conservative women each believed they spoke in women's best interests. Though baffled by the conservative dread of collectivism, feminists compromised by trimming radicals from their ranks. Conservative women meanwhile proved adept at applying old fears to new targets. Kempker's analysis places the women's opposing viewpoints side by side to unlock the differences that separated the groups, explain one to the other, and reveal feminism's fate in the Midwest.

Lucretia Mott Speaks Lucretia Coffin Mott, 2017-03-30

Committed abolitionist, controversial Quaker minister, tireless pacifist, fiery crusader for women's rights, Lucretia Mott was one of the great reformers in America's history. Her sixty years of sermons and speeches reached untold thousands of people. Yet Mott eschewed prepared lectures in favor of an extemporaneous speaking style inspired by the inner light at the core of her Quaker faith. It was left to stenographers, journalists, friends, and colleagues to record her words for posterity. Drawing on widely scattered archives, newspaper accounts, and other sources, *Lucretia Mott Speaks* unearths the essential speeches and remarks from Mott's remarkable career. The editors have chosen selections representing important themes and events in her public life. Extensive annotations provide vibrant context and show Mott's engagement with allies and opponents. The

speeches illuminate her passionate belief that her many causes were all intertwined The result is an authoritative resource one that enriches our understanding of Mott s views rhetorical strategies and still powerful influence on American society

Breadwinners Lara Vapnek, 2024-03-18 Lara Vapnek tells the story of American labor feminism from the end of the Civil War through the winning of woman suffrage During this period working women in the nation s industrializing cities launched a series of campaigns to gain economic equality and political power This book shows how working women pursued equality by claiming new identities as citizens and as breadwinners Analyzing disjunctions between middle class and working class women s ideas of independence Vapnek highlights the agendas for change advanced by leaders such as Jennie Collins Leonora O Reilly and Helen Campbell and organizations such as the National Consumers League the Women s Educational and Industrial Union and the Women s Trade Union League Locating households as important sites of class conflict Breadwinners recovers the class and gender politics behind the marginalization of domestic workers from labor reform while documenting the ways in which working class women raised their voices on their own behalf
