Reinventing Evangelism:

Reinventing Evangelism : New Strategies for Presenting Christ in Today's World Donald C. Posterski,1989

Reinventing English Evangelicalism, 1966-2001 Robert E. Warner,2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition

The Study of Evangelism Paul W. Chilcote,Lacey C. Warner,2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

Liberating Evangelism Stephen K. Pickard,1999-06-01 Has the church abdicated its responsibility for and privilege of spreading the gospel Has this baptismal birthright been forgotten or denied out of ignorance poor example or even misinformation Stephen Pickard argues that the church is called to be a community of the evangel and thus a community that seeks to embody the glad tidings of God in all of its life He addresses two issues the relationship of evangelism to systematic theology and the relationship of evangelism to the church In the case of the former he calls for a recovery of the complementary nature of theology and evangelism the theory and practice of the gospel discussing what this might involve and how it may benefit the church s evangelistic task This evangelistic task is then developed further in terms of the dynamics of communication Regarding evangelism and its relation to the church Pickard contends that the locus for evangelism has to be the Christian community its life of worship and discipleship in the world But the church must be reconceived missiologically in terms of the Great Commission and as a community for the praise of God

The Story That Chooses Us George R. Hunsberger,2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church s recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger s essays provide both theological mooring and practical guidance for churches following Christ on the missional path

where to begin due to the wealth of written material available on the topic This one stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world Understanding Evangelism emerges from the author's experiences as a pastor missionary evangelist and professor of evangelism and from his expertise as a scholar in the field The book provides the necessary biblical knowledge cultural awareness and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world The first part of the book covers contemporary definitions of evangelism the global status of world evangelization and personal motives and ethics for evangelism The second part addresses its biblical and theological foundations while the third part offers a historical overview The fourth part focuses on cultural contexts and effective communication of the gospel The book concludes with contemporary issues that offer practical guidance in the ministry of evangelism Pedagogical tools including case studies sidebars figures and reflection questions help students retain information

Evangelism Without Additives Jim Henderson, 2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn't it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn't have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you're already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn't another program or pitch It's a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us

Evangelistic Preaching That Connects Craig A. Loscalzo, 1995-10-24 Craig A. Loscalzo shows how to develop evangelistic sermons that will appeal to today's audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice

Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices

Full Service Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan s focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood *Renewing Minds* David S. Dockery, 2008 *Renewing Minds* encourages readers to better serve God the church and society by taking part in or supporting Christian higher education

FAITH ADRIFT CHRISTIANITY Cecil W. Stalnaker, 2022-07-27 Faith Adrift Christianity is a biblical response to a devastating form of Christianity that has gripped the heart and soul of many Christians and their churches namely that of nominal Christianity This form of Christianity is counterfeit at its best and is one of the greatest challenges facing the church today whether Protestant Catholic or Orthodox It is estimated that an alarming 75% of professing Christians are living lifeless forms of their faith Although so many identify as Christians something is strangely wrong Sadly wavering in the Christian faith is more common than not Millions of professing Christians in America and Europe are adrift spiritually and indifferent to Jesus Christ and his church This deceptive form of Christianity is not only personally detrimental to the Christian but devastating to the life of the local church Being a weak form of Christianity the church loses its saltiness and its light dims It nullifies its penetrating and powerful outreach into society If not countered Christians will continue to drift toward the sea of nominally having nothing but a token relationship with God For this reason Faith Adrift Christianity is an indispensable guide because it reveals counters and provides answers from a biblical perspective to churches regarding those who profess Christ yet live lapsed Christian lives The uniqueness of Faith Adrift Christianity is its biblical analysis as to why people manifest an aloofness regarding God Yet it does not merely cite the problems and leave the reader adrift for it offers effective means to combat this very troublesome challenge

After the Revival Michael Wilkinson, Linda M. Ambrose, 2020-09-23 Early Pentecostal revivals swept through Canadian communities big and small in the early 1900s Reports abounded of worshippers falling down at the altar speaking in tongues having dreams and visions and experiencing divine healing Tent meetings inspired curious onlookers to witness these phenomena for themselves Following these revival meetings Pentecostals organized built churches and expanded across the country while many churches were beginning to decline How did these Pentecostal holy rollers move from the fringe to take centre stage in Canada's religious landscape Why is a religious group rooted in the early twentieth century tied to Methodism and the Holiness movement still so popular among followers from all walks of life especially Indigenous peoples and new Canadians In *After the Revival* Michael Wilkinson and Linda Ambrose ask these and other questions arguing that the answers are tied to Pentecostalism's continued organizational efforts Since 1919 the Pentecostal Assemblies of Canada PAOC has worked to establish order and steady growth by managing financial and material assets offering programs designed to attract families and youth and training leaders While Pentecostalism sometimes reflects broader cultural trends and at other times resists them the PAOC has grown steadily to become one of the largest evangelical denominations in Canada Addressing broader questions about how religious movements organize establish an identity and develop a subculture that flourishes *After the Revival* explores the fascinating history of Pentecostalism in Canada and the ways the church represented by the PAOC engages with Canadian society

Trinity - Examined CDR, 2015-09-22 God is one not three Deut 6 4 Hear O Israel the Lord our GOD IS ONE LORD 1 Cor 8 6 There is but ONE GOD THE FATHER of whom all things and we in him James 2 19 1 Tim 2 5 There is ONE GOD And one MEDIATOR between God and man the MAN JESUS CHRIST Even the devils believe and tremble that there is only one God John 17 3 says And this is life eternal that they might know thee THE ONLY TRUE GOD and Jesus Christ whom THOU HAST SENT Eph 4 6 ONE GOD and father of all Isaiah 43 10 Before me there was NO GOD formed neither shall there be after me This Trinity is an established matter by Roman Emperor Constantine with the meeting known as Council of Nicaea with all bishops in 325 AD We cannot open it again This is the opinion of many After all we are not under the kings and emperors now We are in democracy Nobody can dictate us Constantine was not a Christian at the time of taking that decision and it was only later he became a Christian He was afraid that his Roman kingdom will break down into two with the fight among bishops about this Trinity and so he held the Nicene Council with all the Bishops simply took the majority and then declared Trinity We need biblical support for anything not the human dictation
