

REINVENTING JUSTICE

The American
Drug Court
Movement

James L. NOLAN, Jr.

Reinventing Justice

Michael L. Perlin, Kelly Frailing

Reinventing Justice:

Reinventing Justice James L. Nolan Jr., James L. Nolan, 2003-01-26 The findings reported in this book are based upon ethnographic observations of drug courts throughout the United States and provide a glimpse into the unique character of the American drug court model considering the qualities and consequences of this form of criminal adjudication

The Machinery of Criminal Justice Stephanos Bibas, 2012-04-26 Two centuries ago the criminal justice system was primarily run by laymen In court victims and defendants interacted face to face while lay jurors from the community sat in judgment Jury trials passed moral judgment on crimes vindicated victims and innocent defendants denounced guilty defendants and reconciled and healed wounded relationships But over the last two centuries lawyers have taken over the process silencing victims and defendants and in many cases substituting a plea bargaining system for voice of the jury This lawyerized machinery has purchased efficient speedy processing of many cases at the price of sacrificing softer values such as reforming defendants and healing wounded victims and relationships In other words the U S legal system has bought quantity at the price of quality without recognizing either the trade off or the great gulf separating lawyers and laymen s incentives interests values and powers *The Machinery of Criminal Justice* explores these trends and considers how criminal justice could better accommodate lay participation values and relationships

Achieving Open Justice through Citizen Participation and Transparency Jiménez-Gómez, Carlos E., Gascó-Hernández, Mila, 2016-08-12 Open government initiatives have become a defining goal for public administrators around the world However progress is still necessary outside of the executive and legislative sectors *Achieving Open Justice through Citizen Participation and Transparency* is a pivotal reference source for the latest scholarly research on the implementation of open government within the judiciary field emphasizing the effectiveness and accountability achieved through these actions Highlighting the application of open government concepts in a global context this book is ideally designed for public officials researchers professionals and practitioners interested in the improvement of governance and democracy

Transforming Criminal Justice? Jane Donoghue, 2014-04-03 Why is punishment not more effective Why do we have such high re offending rates How can we deal with crime and criminals in a more cost effective way Over the last decade in particular the United Kingdom in common with other jurisdictions such as Canada the United States US and Australia has sought to develop more effective ways of responding to criminal behaviour through court reforms designed to address specific manifestations of crime Strongly influenced by developments in US court specialisation problem solving and specialist courts including domestic violence courts drugs courts community courts and mental health courts have proliferated in Britain over the last few years These courts operate at the intersection of criminal law and social policy and appear to challenge much of the traditional model of court practice In addition policy makers and practitioners have made significant attempts to try to embed problem solving approaches into the criminal justice system more widely Through examination of original data gathered from detailed interviews with judges magistrates and other key

criminal justice professionals in England and Wales as well as analysis of legislative and policy interventions this book discusses the impact of the creation and development of court specialisation and problem solving justice This book will be essential reading for students and academics in the fields of criminology criminal justice criminal law socio legal studies and sociology as well as for criminal justice practitioners and policy makers **Banished** Katherine Beckett, Steve Herbert, 2009-11-12 With urban poverty rising and affordable housing disappearing the homeless and other disorderly people continue to occupy public space in many American cities Concerned about the alleged ill effects their presence inflicts on property values and public safety many cities have wholeheartedly embraced zero tolerance or broken window policing efforts to clear the streets of unwanted people Through an almost completely unnoticed set of practices these people are banned from occupying certain spaces Once zoned out they are subject to arrest if they return effectively banished from public places **Banished** is the first exploration of these new tactics that dramatically enhance the power of the police to monitor and arrest thousands of city dwellers Drawing upon an extensive body of data the authors chart the rise of banishment in Seattle a city on the leading edge of this emerging trend to establish how it works and explore its ramifications They demonstrate that although the practice allows police and public officials to appear responsive to concerns about urban disorder it is a highly questionable policy it is expensive does not reduce crime and does not address the underlying conditions that generate urban poverty Moreover interviews with the banished themselves reveal that exclusion makes their lives and their path to self sufficiency immeasurably more difficult At a time when more and more cities and governments in the U S and Europe resort to the criminal justice system to solve complex social problems **Banished** provides a vital and timely challenge to exclusionary strategies that diminish the life circumstances and rights of those it targets

Juvenile Justice Preston Elrod, R. Scott Ryder, 1999 Criminal Justice Law Enforcement **Civilising Criminal Justice** David J. Cornwell, John Blad, Martin Wright, 2013 Probably the best collection there is **Civilizing Criminal Justice** is an inescapable resource for anyone interested in restorative justice truly international and packed with experience while combining history theory developments and practical advice This volume of specially commissioned contributions by widely respected commentators on crime and punishment from various countries is a break through in bringing together some of the best arguments for long overdue penal reform An increasingly urgent need to change outmoded criminal processes even in advanced democracies demands an end to those penal excesses driven by political expediency and damaging notions of retribution deterrence and punishment for its own sake **Civilising criminal justice** will make it fairer more consistent understandable and considerate towards victims of crime currently largely excluded from participation Principles of reparative and restorative justice have become increasingly influential in the quest to provide justice which tackles harm compensates victims repairs relationships resolves debilitating conflicts and calls offenders to account And in any case what real justification is there for subjecting more and more people to the expensive but hollow experience of prison especially at a

time of economic stringency Civil justice in its various forms can be swifter cheaper and more effective in court or through mediated processes focusing on the harmful consequences of offences rather than inflicting punishment that may satisfy a baying media but come home to haunt the community This brave and generous book 600 pages illustrates the many different ways in which criminal justice can be civilised and how lessons can be learned from practical experience across the world and shared expertise It is a volume that every politician should read every criminal justice professional should possess and that every student of criminology and penology will find invaluable David Cornwell John Blad and Martin Wright are three of the leading international experts on this topic with many publications to their names individually Contributors Serge Gutwirth and Paul De Hert Belgium Federico Reggio Italy Bas van Stokkom The Netherlands Lode Walgrave Belgium Susan Easton and Christine Piper UK Louis Blom Cooper QC UK Tapio Lappi Seppä Finland Thomas Trenczek Germany Jean Pierre Bonaf Schmitt France Per Andersen Norway Claire Spivakovsky Australia Ann Skelton Republic of South Africa Borbála Fellegi Hungary Judge Fred McElrea New Zealand and the editors John Braithwaite is a Distinguished Professor at the Australian National University author of ground breaking works on restorative justice and recipient of various awards

Restoring Justice Daniel W. Van Ness, Karen Heetderks Strong, Jonathan Derby, L. Lynette Parker, 2022-05-30 Restoring Justice An Introduction to Restorative Justice Sixth Edition offers a clear and convincing explanation of restorative justice a movement within criminal justice with ongoing worldwide influence The book explores the broad appeal of this vision and offers a brief history of its roots and development as an alternative to an impersonal justice system focused narrowly on the conviction and punishment of those who break the law Instead restorative justice emphasizes repairing the harm caused or revealed by criminal behavior using cooperative processes that include all the stakeholders The book presents the theory and principles of restorative justice and discusses its four cornerpost ideas Inclusion Encounter Repair and Cohesion Multiple models for how restorative justice may be incorporated into criminal justice are explored and the book proposes an approach to assessing the extent to which programs or systems are actually restorative in practice The authors also suggest six strategic objectives to significantly expand the use and reach of restorative justice and recommended tactics to make progress towards the acceptance and adoption of restorative programs and systems *Emotions, Crime and Justice* Susanne Karstedt, Ian Loader, Heather Strang, 2011-04-01 The return of emotions to debates about crime and criminal justice has been a striking development of recent decades across many jurisdictions This has been registered in the return of shame to justice procedures a heightened focus on victims and their emotional needs fear of crime as a major preoccupation of citizens and politicians and highly emotionalised public discourses on crime and justice But how can we best make sense of these developments Do we need to create emotionally intelligent justice systems or are we messing recklessly with the rational foundations of liberal criminal justice This volume brings together leading criminologists and sociologists from across the world in a much needed conversation about how to recalibrate reason and emotion in crime and justice today The

contributions range from the micro analysis of emotions in violent encounters to the paradoxes and tensions that arise from the emotionalisation of criminal justice in the public sphere They explore the emotional labour of workers in police and penal institutions the justice experiences of victims and offenders and the role of vengeance forgiveness and regret in the aftermath of violence and conflict resolution The result is a set of original essays which offer a fresh and timely perspective on problems of crime and justice in contemporary liberal democracies

Reconstructing Restorative Justice Philosophy

Theo Gavrielides,Vasso Artinopoulou,2016-04-08 This book takes bold steps in forming much needed philosophical foundations for restorative justice through deconstructing and reconstructing various models of thinking It challenges current debates through the consideration and integration of various disciplines such as law criminology philosophy and human rights into restorative justice theory resulting in the development of new and stimulating arguments Topics covered include the close relationship and convergence of restorative justice and human rights some of the challenges of engagement with human rights the need for the recognition of the teachings of restorative justice at both the theoretical and the applied level the Aristotelian theory on restorative justice the role of restorative justice in schools and in police practice and a discussion of the humanistic African philosophy of Ubuntu With international contributions from various disciplines and through the use of value based research methods the book deconstructs existing concepts and suggests a new conceptual model for restorative justice This unique book will be of interest to academics researchers policy makers and practitioners

Justice Outsourced Michael L. Perlin,Kelly Frailing,2022-09-23 Examines the hidden use of non judicial officers in the criminal justice system

The Psychology of Justice and Legitimacy D. Ramona Bobocel,Aaron C. Kay,Mark P.

Zanna,James M. Olson,2011-02-25 In response to the international turmoil violence and increasing ideological polarization social psychological interest in the topics of legitimacy and social justice has blossomed considerably Social psychologists have explored the psychological underpinnings of people s reactions to injustice and illegitimacy including the behavioral and psychological consequences of the motivation to view individual outcomes and governmental systems as just and legitimate Although injustice and illegitimacy are clearly related at conceptual and theoretical levels these two rich literatures are rarely integrated Social justice researchers have focused on how people make sense of particular instances of injustice whereas legitimacy researchers have tended to focus primarily on people s reactions to unfair systems of intergroup relations This 11th volume of the Ontario Symposium series brings together the work of leading researchers in fields of social justice and legitimacy to facilitate the cross pollination and integration of these fields The contributions address broad theoretical issues and cutting edge empirical advances while illustrating the diversity and richness of research in the two fields By uniting these two domains this volume will stimulate new directions in theory and research that seek to explain how and why people make sense of injustice at all levels of analysis

The Oxford Handbook of Juvenile Crime and Juvenile Justice

Barry C. Feld,Donna M. Bishop,2012-01-12 State of the art critical reviews of recent scholarship on the causes of juvenile

delinquency juvenile justice system responses and public policies to prevent and reduce youth crime are brought together in a single volume authored by leading scholars and researchers in neuropsychology developmental and social psychology sociology history criminology criminal justice and law

Battleground: Criminal Justice Gregg Barak, 2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalence of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more

[Dispensing Justice Locally](#) Richard Curtis, Brian Ostrom, David Rottman, Michele Sviridoff, 2014-01-02 This book shows the significant impact and success that can be accomplished when courts are designed to meet the needs of the community regardless of traditional proceedings The presentation of this unique approach marks the way for courts and ancillary justice agencies of all sizes to work together to build community confidence and assure not only quality of life but quality of justice

Criminal Justice Theory, Volume 26 Cecilia Chouhy, Joshua C. Cochran, Cheryl Lero Jonson, 2020-02-14 Criminal Justice Theory Explanations and Effects undertakes a systematic study of theories of the criminal justice system which historically have received very little attention from scholars This is a glaring omission given the risk of mass imprisonment the increasing presence of police in inner city communities and the emergence of new policy initiatives aimed at improving the quality and effectiveness of the administration of justice Fortunately however a number of disparate theoretical works have appeared that seek to provide insight into the nature and impact of criminal justice Based on 13 original essays by influential scholars this volume pulls together the most significant of these perspectives thus creating a state of the art assessment of contemporary criminal justice theory Criminal justice theory can be divided into two main categories The first includes works that seek to explain the operation of the criminal justice system Most of these contributions have grappled with the core reality of American criminal justice its rising embrace of punitiveness and the growth of mass imprisonment The second category focuses on works that identify theories that have often guided efforts to reduce crime The issue here focuses mainly on the effects of certain theoretically guided criminal justice interventions The current volume is thus organized into these two categories explanations and effects The result is an innovative and comprehensive book that not only serves researchers by advancing

scholarship but also is appropriate for advanced undergraduate or graduate classroom use U.S. Criminal Justice Policy Karim Ismaili, 2015-10-16 Revised edition of U S criminal justice policy 2011 **The Oxford Handbook of Crime and Criminal Justice** Michael Tonry, 2011-09-29 A comprehensive and accessible overview of the operation of the American criminal justice system This handbook s extensive coverage of the criminal justice system in the U S makes it an important reference for students and scholars in criminal justice law and public policy *Street Justice* Bruce A. Jacobs, Richard Wright, 2006-05-22 This study examines the structure process and forms of retaliation in contemporary urban America where street criminals employ it instead of recourse to the criminal justice system It explores retaliation from a first hand perspective based on interviews with currently active street criminals rather than prisoners **American Criminal Justice Policy** Daniel P. Mears, 2010-04-12 American Criminal Justice Policy examines many of the most prominent criminal justice policies on the American landscape and finds that they fall well short of achieving the accountability and effectiveness that policymakers have advocated and that the public expects The policies include mass incarceration sex offender laws supermax prisons faith based prisoner reentry programs transfer of juveniles to adult court domestic violence mandatory arrest laws drug courts gun laws community policing private prisons and others Optimistically Daniel P Mears argues that this situation can be changed through systematic incorporation of evaluation research into policy development monitoring and assessment To this end the book provides a clear and accessible discussion of five types of evaluation needs theory implementation or process outcome and impact and cost efficiency It identifies how these can be used both to hold the criminal justice system accountable and to increase the effectiveness of crime control and crime prevention efforts

The Enthralling Realm of Kindle Books: A Detailed Guide Unveiling the Pros of E-book Books: A World of Convenience and Versatility E-book books, with their inherent portability and ease of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops. E-book devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or simply cozying up in bed, Kindle books provide an exceptional level of ease. A Reading World Unfolded: Exploring the Wide Array of Kindle Reinventing Justice Reinventing Justice The Kindle Store, a virtual treasure trove of literary gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and contemporary bestsellers, the Kindle Shop offers an unparalleled variety of titles to discover. Whether looking for escape through engrossing tales of fantasy and adventure, delving into the depths of historical narratives, or expanding ones understanding with insightful works of science and philosophy, the E-book Shop provides a gateway to a bookish world brimming with limitless possibilities. A Revolutionary Factor in the Bookish Scene: The Enduring Influence of E-book Books Reinventing Justice The advent of E-book books has undoubtedly reshaped the literary scene, introducing a model shift in the way books are published, disseminated, and read. Traditional publishing houses have embraced the online revolution, adapting their strategies to accommodate the growing demand for e-books. This has led to a rise in the accessibility of Kindle titles, ensuring that readers have entry to a wide array of literary works at their fingertips. Moreover, Kindle books have equalized entry to books, breaking down geographical limits and providing readers worldwide with equal opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now engross themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Reinventing Justice E-book books Reinventing Justice, with their inherent convenience, flexibility, and wide array of titles, have undoubtedly transformed the way we experience literature. They offer readers the liberty to discover the boundless realm of written expression, anytime, anywhere. As we continue to navigate the ever-evolving digital scene, E-book books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains reachable to all.
