Reinventing The Family Lesbian And Gay Parents

Fiona Tasker, Jerry J. Bigner

Reinventing The Family Lesbian And Gay Parents:

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *Reinventing the Family* Laura Benkov, 1994 In America today more than 10 million children have gay or lesbian parents Reinventing the Family is the first in depth look at the joys challenges and issues facing these nontraditional families It offers invaluable insight to gay and lesbian people who are choosing children fighting for custody and challenging our view of family values **Lesbian, Gay and Queer Parenting** S. Hicks, 2011-10-12 This study is based upon original research carried out with lesbian gay and queer parents and explores how genealogy kinship family everyday life gender race state welfare and intimacy are theorized and lived out drawing upon interactionist feminist discursive and queer sociologies Gay and Lesbian Parenting Fiona Tasker, Jerry J. Bigner, 2008-04-14 Over the past 30 years research on gay and lesbian parents has produced findings that challenge deeply rooted beliefs in child psychology about the processes through which parents influence the development of their children Gay and Lesbian Parenting New Directions builds on this important research with a detailed multidisciplinary examination of established knowledge and emerging information In addition to evaluating already substantiated findings this innovative collection marks a turning point in the field by showcasing a new wave of research that examines the dynamics of same sex parenting and addresses questions about newly emerging concerns such as the consequences of different routes to same sex parenthood and the effects of social perceptions on gay and lesbian family life *Historical Dictionary of the Lesbian and Gay Liberation Movements* JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality Special

Needs of Students with Gay and Lesbian Parents in the Elementary School Patricia Fioriello, 2008-06-13 Purpose The purpose of this study was to examine the way and extend to which the elementary school is meeting special needs of students of gay and lesbian parents in regard to school environment that provides support protection inclusive curriculum principal and assistant principal involvement and involvement of parents of these children in the life of the school Methodology The student consists of two types of research a descriptive study and a qualitative case study Questionnaires and semi structured interviews were conducted with elementary principals enrolled in the University of La Verne doctoral program and working in school districts throughout California The survey instrument included five categories of the role of the elementary school with children of gay lesbian parents communication and disclosure sensitivity to family inclusion curriculum homosexual issues and principal s perceptions Findings and conclusions The study found that little was being done in the elementary school districts to provide a supportive protective or positive learning environment for children with gay and lesbian parents Elementary teachers were generally not assisted by principals and assistant principals in developing a more inclusive curriculum Elementary principals were not addressing the question of gay and lesbian parents and their children in the school Gay and lesbian parents had limited involvement in the elementary school Recommendations Use the findings to assist elementary schools and elementary principals and assistant principals in providing a more inclusive school environment for the children of gay and lesbian parents **Adoption by Lesbians and Gay Men** David M. Brodzinsky, Adam

Pertman, 2011-08-25 The practice of adoption has changed dramatically over the past half century with profound implications for children and families Perhaps the most remarkable and controversial transformation during this time has been the growing willingness of adoption professionals to place children with sexual minority individuals and couples Yet despite considerable research showing that lesbians and gay men can make good parents they continue to experience difficulties and barriers in many parts of the country in their efforts to adopt and raise children Indeed while progress in this area has been significant it has been impeded by the homophobia and heterosexist attitudes of adoption professionals and the judiciary by numerous stereotypes and misconceptions about parenting by lesbians and gay men and by a lack of adequate guidelines and training for establishing best practice standards in working with this rapidly growing group of adoptive parents Adoption by Lesbians and Gay Men explores the gamut of historical legal sociological psychological social casework and personal issues related to adoption by sexual minority individuals and couples Leading experts in a variety of fields address and often shatter the controversies myths and misconceptions hindering efforts by these individuals to adopt and raise children What makes this book all the more valuable is that it provides insights and specific recommendations for establishing empirically validated best practices for working with an important sector of our society for treating all prospective and current parents fairly and equally and perhaps most importantly for increasing a still largely untapped resource for providing families for children who need them Handbook of LGBT-Affirmative Couple and Family Therapy Jerry J. Bigner, Joseph L.

Wetchler,2012-05-04 The editors and contributors of this comprehensive text provide a unique and important contribution to LGBT clinical literature Spanning 30 chapters they discuss the diverse and complex issues involved in LGBT couple and family therapy In almost 15 years this book provides the first in depth overview of the best practices for therapists and those in training who wish to work effectively with LGBT clients couples and families need to know and is only the second of its kind in the history of the field The clinical issues discussed include raising LGBT children coming out elderly LGBT issues sex therapy ethical and training issues Because of the breadth of the book its specificity and the expertise of the contributing authors and editors it is the definitive handbook on LGBT couple and family therapy **The A to Z of the Lesbian**

Liberation Movement JoAnne Myers,2009-08-20 The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy s assumption of male supremacy and heterosexuality Over the years much has been written on homosexuality and the Gay Liberation Movement yet much of the focus has been on male homosexuals especially male homosexual activity and the politics that activity raises The A to Z of the Lesbian Liberation Movement Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements the Lesbian Liberation Movement This book helps to make the still active movement visible the history successes setbacks controversies and issues This book is a good resource for those studying this social political movement containing a chronology contextual overview dictionary entries that cover persons laws terminology issues and countries and an extensive bibliography of primary resources and current work **The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health** Harvey J. Makadon,Jennifer Potter,2008 The Fenway Guide to Lesbian Gay Bisexual and Transgender Health is the first truly comprehensive clinical reference to enhancing the health care and wellness of LGBT patients Written by leading experts in the field and created in conjunction with Fenway Community Health of Boston one of America s most respected community based research and treatment centers this one of a kind resource examines the unique issues faced by sexual minority patients and provides readers with clear and authoritative guidance Book Jacket **Foundations of Social Work Practice with Lesbian and Gay Persons** Gerald P

Mallon,2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men Written by scholars and practitioners in the social work profession Foundations of Social Work Practice with Lesbian and Gay Persons teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals couples families groups communities and organizations The book s sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at risk client populations A foundation level text on social work practice with gays and lesbians this

book is designed to provide social work students academics and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients Foundations of Social Work Practice with Lesbian and Gay Persons summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors social workers and students and academics in gay and lesbian studies will find that Foundations of Social Work Practice with Lesbian and Gay Persons greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver

Queer Families, Common Agendas Richard Sullivan, 2013-05-13 Vital information on family services custody and access rights for gay parents Queer Families Common Agendas Gay People Lesbians and Family Values examines the real life experience of those affected by current laws and policies regarding homosexual families The book will help policy makers lawyers social workers and the general public better understand these families Here you will be able to compare the progress of policy in the U S and Canada for gay and lesbian parents and their children and explore relevant legal approaches in the two countries In Queer Families Common Agendas Gay People Lesbians and Family Values a range of strategies for advancing the rights of sexual minority parents are considered for legal feasibility and political viability You will gain insight into the contradictions in policies and practices that ultimately disadvantage children based on their family origins and you will discover alternative approaches for improved services to homosexual families Queer Families Common Agendas explores family law and protection of women headed households legal definitions of motherhood and fatherhood in the United States Canada and the United Kingdom family and adoption ideologies concerning gay families and their rights to adopt new ways to make social services responsive to minority families the lesbian and gay agenda the value of family and the family of values as opposed to the worn out phrase family values Queer Families Common Agendas serves as a primer to assist you in understanding the legal struggles that lesbian and gay families are facing today You will explore concerns about family law protection of women headed households motherhood fatherhood adoption and family ideology and how to make social services responsive to gay and lesbian families This excellent reference provides you with the necessary background and techniques to create services that are responsive and effective with sexual minority families **Clones and Clones**

Martha Craven Nussbaum, Cass R. Sunstein, 1998 The contributors to this collection view the prospect of human cloning with varying degrees of alarm disgust ambivalence and humour

Lesbian Family Life, Like the Fingers of a Hand Valory Mitchell, 2013-09-13 In this book an array of approaches first person and theoretical accounts clinical understandings qualitative and quantitative research are brought to bear on controversial or under discussed topics in lesbian family life From conception all the way to care for elderly parents this book takes a fresh look at lesbian family relationships Topics include butch femme couples infidelity the psychological meaning of family for lesbians age discrepant couples lesbian nuns as family Listservs as family intentional family for aging women women raising sons mothers who come out late in life mothers and children in situations of domestic violence lack of support for lesbian domestic violence survivors death of a partner psychological issues in the use of sperm donors or surrogates and middle aged lesbians caring for homophobic elderly parents Some authors use self psychology and Jungian psychology to describe aspects of family life The richness and diversity of topics makes it a text on lesbian lives Therapists and academics from throughout the U S have contributed to this collection Many lesbian women as well as teachers it can be a text and mental health professionals who work with children families couples and elderly will find useful material here This book was published as a special issue of the Journal of Lesbian Studies

Let's Get this Straight Gerald P. Mallon, 1999 Using an ecological perspective to highlight five principle areas of child welfare Mallon discusses each in terms of how they pertain to individuals and families whose lives are effected by issues of sexual orientation Let s Get This Straight uncovers and challenges the pervasive incidence of heterocentrism within the social work profession drawing upon case studies and in depth interviews to illustrate the degree to which myths and stereotypes about gay and lesbian youth detrimentally affect those most in need of assistance

Raising Boys without Men

Dr. Peggy Drexler, Linden Gross, 2005-08-20 Nominated for a Books for a Better Life Award in Parenting Backed by peer reviewed research this hotly debated bestseller San Francisco Chronicle continues to open eyes with its finding that raising thriving emotionally healthy sons does not require a man in the house As the number of single mom and two mom households has grown so have concerns about the possible damage caused by the lack of a stable male role model in the house Determined to find the truth research psychologist Peggy Drexler embarked on a long term study comparing boys raised in nontraditional families with those whose fathers were present throughout their childhood The results were startling Female headed households can provide even better parenting for boys than households with men Sons from female headed families can grow up emotionally stronger and more well rounded than boys from traditional mother father families more in touch with their feelings yet masculine in all the ways defined by our culture

Queer Families, Queer Politics Mary Bernstein, Renate Reimann, 2001 This book addresses the themes of visibility transgression and resistance as well as the intersection between the personal and political in the contexts of relationships parenthood and political activism Giving special attention to families of color immigrants and poor families the authors examine the risks entailed in coming out and

the significance of class race and sexual and gender identity in this process Parenting also creates dilemmas of visibility as queer families negotiate malls schools and workplaces as well as the medical legal and political institutions that regulate their families *Outing Yourself* Michelangelo Signorile, 2012-07-11 Magnificent interesting and clear Signorile takes your hand and gently guides you through the entire self outing process Chaz Bono *The Advocate* From the author of *Queer in America* comes a complete step by step guide to coming out of the closet the first coming out guide to the 90s Signorile's pull no punches style gives this book a Susan Powter ish Stop the Insanity approach to a difficult and often mishandled experience Signorile's book does a service simply by updating the crucial coming out issue and analyzing demystifying and reframing it in a contemporary way appropriate to these complex times Torie Osborn *The Los Angeles Times Book Review*

Our Families, Our Values Robert Goss, Amy Adams Squire Strongheart, 2019-07-16 *Our Families Our Values* challenges both the gay community and American society to examine carefully the meaning of family values and the nature of social institutions such as marriage and the family It asks you provoking even disturbing questions such as Is it prudent for members of the Lavender community to mimic heterosexual marriage or define personal relations networks as families when these institutions are rapidly collapsing Are we attempting to mainstream American society into accepting different views of marriage and families Are we subscribing to notions of sexual property that are inherent to the marriage ceremony and the institution of marriage when we choose to be married Despite the complexities of this issue marriage constitutes a privileged position in western society and as this book shows you without the legal recognition of same sex marriages there are many fundamental rights as well as privileges denied to gay lesbian bisexual and transgendered persons As *Our Families Our Values* turns upside down the widely accepted notion that only heterosexual people are entitled to get married have sex and rear children you gain insight into personal struggles and affirmations that testify to the spirituality procreativity and wholesomeness of the diverse relationships of the Lavender community You will also learn about various ongoing efforts to give religious pride to the various configurations of gay relationships families and values and the disruption of popular interpretations of the Scriptures that have been used to justify the oppression of sexual minorities This book will intrigue you over and over again as you read about value systems transphobia equal marriage rights Buddhism's rejection of traditional family values Brazil's sex positive culture differences between gay male social formations and families choosing a language and terms that empower sexual minorities and the essence of the liberation movement sex as communion relationships based on nurture not transaction Designed for academics and students of religion pastors priests rabbis and lay readers alike *Our Families Our Values* is a multifaceted view of the gay community's response to the public controversy over gay marriage adoption and foster care rights Ideal as a textbook for courses in sexuality theology sociology women's studies and gay and lesbian studies this book will both inform you and delight you as it reminds you that same sex unions bring much cause for celebration and that religion and homosexuality are not mutually exclusive **Gay Families and the Courts** Susan Gluck

Mezey, 2009 Susan Gluck Mezey's newest book *Gay Families and the Courts* is a compelling examination of the role of the state and federal courts in furthering the goals of the gay and lesbian community. Unlike Mezey's earlier book *Queers in Court*, this book evaluates the extent to which litigation is effective in advancing equal rights for gay families—families in which at least one member is gay—as they seek to expand their opportunities and battle discrimination. Mezey shows how the courts address gay and lesbian rights and sexual orientation in schools and social organizations such as the Boy Scouts along with family-oriented problems such as marriage and parenthood. In doing so, Mezey emphasizes the complexity of the issues involved in the cases and assesses the degree to which the outcome of the litigation is explained by the type of case, the type of court, and the judge's perception of his or her role as a policymaker. It is a valuable reference for scholars interested in judicial, legislative, and executive policymaking at the federal and state level as well as anyone interested in LGBT politics.

Recognizing the showing off ways to get this books **Reinventing The Family Lesbian And Gay Parents** is additionally useful. Reinventing The Family Lesbian And Gay Parents Introduction

In today's digital age, the availability of Reinventing The Family Lesbian And Gay Parents books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reinventing The Family Lesbian And Gay Parents books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reinventing The Family Lesbian And Gay Parents books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reinventing The Family Lesbian And Gay Parents versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reinventing The Family Lesbian And Gay Parents books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reinventing The Family Lesbian And Gay Parents books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reinventing The Family Lesbian And Gay Parents books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reinventing The Family Lesbian And Gay Parents books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reinventing The Family Lesbian And Gay Parents books and manuals for download and embark on your journey of knowledge?

FAQs About Reinventing The Family Lesbian And Gay Parents Books

1. Where can I buy Reinventing The Family Lesbian And Gay Parents books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
