

A diverse group of young adults, including men and women of various ethnicities, are gathered outdoors in a park-like setting. They are all smiling and laughing, creating a warm and joyful atmosphere. The background shows trees and a bright sky. Overlaid on the lower half of the image is the text "Relationship Enrichment" in a large, white, sans-serif font.

Sanctified Sexuality Sandra Glahn, 2020-09-22 Expert biblical and practical advice for handling today's most challenging sexual issues

Although modern culture constantly changes its views on sexuality God's design for sexuality remains the same Bringing together twenty five expert contributors in relevant fields of study Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today From a scriptural perspective and with an irenic tone the contributors address issues such as The theology of the human body Male and female in the Genesis creation accounts Abortion Celibacy Sexuality in marriage Contraception Infertility Cohabitation Divorce and remarriage Same sex attraction Gender dysphoria An ideal handbook for pastors counselors instructors and students Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis **Teaching Psychological**

**Skills** Dale Larson,1984 **Casebook of the Brief Psychotherapies** Richard A. Wells,Vincent J. Giannetti,2013-11-11 Following the publication of the Handbook of the Brief Psychotherapies Wells Giannetti 1990 the editors began to conceptualize the idea of a collection of case studies encompassing a number of the commonly encountered clinical problems that have been treated with such approaches The Casebook of the Brief Psychotherapies is the result The Case book details clinical interventions with client populations as diverse as substance abusers torture victims the physically handicapped and other exceptional groups and the economically disadvantaged with emotional and behavioral problems as well as individuals experiencing sexual dysfunction or eating disorders In addition topics such as bereavement depression anger and many crucial aspects of marital and family therapy are discussed by eminent clinical practitioners Although the cases draw heavily upon cognitive behavioral and strategic structural formulations psychodynamic interpersonal and experiential approaches are also included The Casebook is clinically oriented with a minimum of theory Ample case material and commentary allow the reader to experience directly the application of brief therapy to specific client problems What emerges from this compendium of approaches and problems is a tapestry of action oriented problem solving skill building rational approaches to therapy that balance the client's ability to change with the demands and limits of time

*Comprehensive Handbook of Psychotherapy, Cognitive-Behavioral Approaches* Florence W. Kaslow, Terence Patterson,2004-01-30 Now available in paperback The Cognitive Behavioral Functional model is a landmark that combines established and cutting edge authors and issues as well as integrating material for both novice and experienced theorists researchers and practitioners In this volume international authors many of whom are pioneers in their approach illustrate issues clearly and apply them to diverse populations Chapters in supervision and ethical issues provide unique and valuable perspectives Handbook of Prevention Barry A. Edelstein,Larry Michelson,2012-12-06 Americans are healing themselves Heckler 1985 and prevention has taken root McGinnis 1985a We are altering our lifestyle to reduce physical and mental health risks Perhaps as important is the fact that the science of prevention is beginning to catch up with the practices of prevention although some might argue that the popularity of these practices far outstrips sound theoretical and empirical foundations The chapter authors in this volume examine the theoretical and empirical foundations of many current

prevention practices and where data exist discuss the status of prevention efforts Where substantial prevention is not yet on the horizon the authors attempt to point us in the right direction or at least share with the reader some of the risk factors that should be addressed in our research We hope that readers will be stimulated to discuss the issues raised advance the current research and where possible adopt the prevention and health promotion strategies that are supported by sound theoretical and empirical work This volume can in no way be comprehensive with respect to the current work in prevention however we hope that we have provided a sampling of prevention activities and issues that appear together in one volume for perhaps the first time The primary intent of this volume is modest and the reader should not attempt to find continuity among the various chapters The only binding among these contributions is their focus on prevention     Intimate Couple Jon Carlson, Len Sperry, 2013-06-17 As important as intimacy is in our personal and professional lives intimacy as a theoretical and clinical factor still remains a phenomenon Contributors to this work examine the many definitions of intimacy putting forth a provocative discussion of the multi faceted topic and offering the best possible clinical methods of creating intimacy and addressing its challenges
