Relative Strangers Arpan Roy, 2024-11-30 Examining how memory intergenerational transmission and kinship work together *Relative Strangers* sheds light on Romani life in Palestine Arpan Roy presents an ethnographic portrait of Dom Romani communities living between Palestine and Jordan zooming in on everyday life in working class neighborhoods and under conditions of perpetual war and instability The book focuses on how Doms are able to sustain ethnic difference through kinship even when public performances of difference are no longer emphasized a kind of alterity that is neither visible by obvious markers like race or religious difference nor detected by the antennas of the state Drawing on long term ethnographic fieldwork in Jerusalem Ramallah and Amman Roy makes a case for such alterity for Romani people and other groups in the region Analysing intimate ethnographic scenes through anthropological theories of kinship psychoanalysis social theory from the Global South and more the book reveals how alterity in the Middle East does not adhere to rigid identitarian categories Ultimately *Relative Strangers* demonstrates the inadequacy of transposing models of pluralism centred on European and American experiences of minoritization onto other contexts

**Relative Strangers: Family Life, Genes and Donor Conception** Petra Nordqvist, C. Smart, 2014-01-02 With reproductive medical technologies becoming more accessible assisted donor conception is raising new and important questions about family life Using in depth interviews the authors explore the lived reality of donor conception and offer insights into the complexities of these new family relationships

*A Relative Stranger* Charles Baxter, 2001 Set in the Michigan landscape that Charles Baxter has made his own these thirteen exquisite stories illuminate the often curious connections of relatives and strangers You can't just get a brother off the street says the narrator of the title story but indeed he does In another a woman tries to elude her lover's voice by spending an entire day without words A marriage is jostled by the departure of a friend during a snowstorm Baxter's stories tend to be love stories but it is love tinged with fear even danger where shock comedy and love combine in unexpected ways Book jacket

Professional Christian Sarah Bereza, 2022-03-22 As church leaders we live our lives within the spotlight of professional ministry To best love and serve God and our neighbors we aim to be the fullest truest versions of ourselves However we often struggle to do so with integrity What if our preaching or singing feels like a performance Are we supposed to hide our imperfections and let people see only the shiniest parts of our lives If you have ever felt like you're working under a microscope or that you've been put on a pedestal you don't want or deserve know that you are not alone *Professional Christian* gathers the wisdom from fifty church leaders in a variety of roles including Sandhya Jha Jacqueline J Lewis Bruce Reyes Chow Nikki Toyama Szeto and Will Willimon on topics such as authenticity privacy boundaries doubt self care and the challenges of being held to a higher standard The stories advice and wisdom from these leaders help to show us that thriving in ministry should not have to come at the expense of our identity and relationships Written by a church musician with over twenty years of experience in ministry *Professional Christian* helps church leaders learn to flourish as an

integrated person of faith living out their call to vocational ministry      *Birthing Black Mothers* Jennifer C. Nash,2021-07-06 In *Birthing Black Mothers* Black feminist theorist Jennifer C Nash examines how the figure of the Black mother has become a powerful political category Mothering while Black has become synonymous with crisis as well as a site of cultural interest empathy fascination and support Cast as suffering and traumatized by their proximity to Black death especially through medical racism and state sanctioned police violence Black mothers are often rendered as one dimensional symbols of tragic heroism In contrast Nash examines Black mothers self representations and public performances of motherhood including Black doulas and breastfeeding advocates alongside celebrities such as Beyonc Serena Williams and Michelle Obama that are not rooted in loss Through cultural critique and in depth interviews Nash acknowledges the complexities of Black motherhood outside its use as political currency Throughout Nash imagines a Black feminist project that refuses the lure of locating the precarity of Black life in women and instead invites readers to theorize organize and dream into being new modes of Black motherhood      *Practically Joking* Moira Marsh,2015-06-22 In *Practically Joking* the first full length study of the practical joke Moira Marsh examines the value artistry and social significance of this ancient and pervasive form of vernacular expression Though they are sometimes dismissed as the lowest form of humor practical jokes come from a lively tradition of expressive play They can reveal both sophistication and intellectual satisfaction with the best demanding significant skill and talent not only to conceive but also to execute *Practically Joking* establishes the practical joke as a folk art form subject to critical evaluation by both practitioners and audiences operating under the guidance of local aesthetic and ethical canons Marsh studies the range of genres that pranks comprise offers a theoretical look at the reception of practical jokes based on benign transgression a theory that sees humor as playful violation and uses real life examples of practical jokes in context to establish the form s varieties and meanings as an independent genre as well as its inextricable relationship with a range of folklore forms Scholars of folklore humor and popular culture will find much of interest in *Practically Joking*      **International Theory at the Margins** Nicholas Greenwood Onuf,2024-03-12 This book brings together thirteen essays from the celebrated international theorist Nicholas Greenwood Onuf They address topics that Onuf has puzzled over for decades prompting him to develop a distinctive perspective on international theory as social theory Among these topics are the problem of materiality in social construction epochal change in the modern world and the power of language Building on the work of giants from Aristotle and Cicero Hume and Kant to Derrida and Foucault and drawing on diverse contemporary theorists including Seyla Benhabib James Der Derian Johan Galtung Morton Kaplan Joseph Nye James Rosenau Elaine Scarry and Kenneth Waltz the book ranges over the margins of the field and settles on issues that have never been put to rest      *International Public Goods and Transfer of Technology Under a Globalized Intellectual Property Regime* Keith E. Maskus,Jerome H. Reichman,2005-06-08 Distinguished economists political scientists and legal experts discuss the implications of the increasingly globalized protection of intellectual property rights for the ability of countries to

provide their citizens with such important public goods as basic research education public health and environmental protection Such items increasingly depend on the exercise of private rights over technical inputs and information goods which could usher in a brave new world of accelerating technological innovation However higher and more harmonized levels of international intellectual property rights could also throw up high roadblocks in the path of follow on innovation competition and the attainment of social objectives It is at best unclear who represents the public interest in negotiating forums dominated by powerful knowledge cartels This is the first book to assess the public processes and inputs that an emerging transnational system of innovation will need to promote technical progress economic growth and welfare for all participants

**Architecture and Social Behavior** Andrew Baum, Stuart Valins, 2024-12-06 Architecture and Social Behavior 1977 is a groundbreaking study that presents the findings from a five year programme of research concerned with evaluating the impact of architectural design on behavior The ways in which interior design variables arrange space and distribute social resources have a direct influence on the quality of life in residential environments The architectural design of environments is shown to have an influence on the mood and behavior of those who inhabit it The authors also describe an approach to the assessment

of architectural influence appropriate for the study of design and behavior Particular attention is paid to understanding the syndrome of stress that is often labelled crowding This volume details the experimentation on architectural design so that one can begin to understand the relationship among design ongoing social and psychological dynamics and behavior

**Donors** Petra Nordqvist, Leah Gilman, 2022-10-14 Drawing on interviews with donors their kin and fertility counsellors the authors discuss what donation stories can tell us about contemporary understandings of connectedness time and morality in the context of reproduction and family life and consider how reproductive openness might be done differently *Food Aversion Learning* N. Milgram, 2013-11-11 During the past 10 years the study of learned aversions to foods has become one of the most popular areas of research in animal psychology Learned aversions to foods are typically produced in the laboratory by first allowing an animal to eat or drink some distinctively novel substance and then making the animal ill in some way most frequently by either giving it an injection of some illness producing drug such as lithium chloride or by exposing it to a toxic dose of radiation When an animal that has been treated in this way is subsequently given another opportunity to ingest the same or a similar substance one usually observes that it will either totally avoid ingesting the substance or that it will consume less of it than a control animal that was not made ill after previously consuming the same substance This form of learning has attracted the interest of many researchers because there are two apparently striking differences in the acquisition of food aversions and the acquisition of other types of associative learning *Moral Challenges in a Pandemic Age* Evandro Barbosa, 2023-07-06 The COVID 19 pandemic whose consequences will be felt in the long term can be interpreted as a signal that we have been living in a pandemic age A pandemic is humanity's common ground so the moral problems inherent in it are of interest to everyone from now on It brought a set of moral challenges that cannot be ignored This book which emerged amid the novel coronavirus crisis is designed to fill the gap in the current literature on the topic offering an original approach to its moral implications It can be taken as a guide in the face of these pandemic age challenges for human relations The pandemic is a multifaceted phenomenon and its debate involves a wide variety of practical philosophical concerns All the chapters of this book divided into four sections aim to clarify its central aspects while each chapter provides an original approach to the debate's leading issues and relies on each most significant collaborator's expertise Also they reflect their unique pandemic experiences under the scrutiny of philosophical unrest Since the pandemic is an ongoing event *Moral Challenges in a Pandemic Age* will be of interest to professors students and researchers engaged in understanding the ethical dimension of the age we are experiencing The problems addressed in this collection transcend the boundaries of the philosophical field offering an innovative approach to individuals keen on discussing the pandemic from a moral point of view Such a discussion encompasses the philosophical inquiry but is not restricted to it Those interested in related areas such as psychology sociology biology public health education anthropology and cultural studies to name a few will find connections with parallel themes in this book In addition the collection brings a theoretically supported approach to

several related debates in a language accessible to anyone who wants to know more about the topic
