Grewal, 1991-02-21 In a revised edition of his original book J S Grewal brings the history of the Sikhs from its beginnings in the time of Guru Nanak the founder of Sikhism right up to the present day Against the background of the history of the Punjab the volume surveys the changing pattern of human settlements in the region until the fifteenth century and the emergence of the Punjabi language as the basis of regional articulation Subsequent chapters explore the life and beliefs of Guru Nanak the development of his ideas by his

successors and the growth of his following The book offers a comprehensive statement on one of the largest and most important communities in India today **Region, Religion and Politics** Amarjit S. Narang,2022-10-06 An objective and dispassionate study of the oldest religion based regional political party the Shiromani Akali Dal participating in the democratic politics and processes of socio economic development and transformation of the country It delineates and analyses events and developments from the emergence of the Akali Dal as a religious movement its transformation into a religious political party concerned with safeguarding the political social and economic interests of the Sikhs as a minority and to represent them in governing institutions engaged in the struggle for power in secular domain mobilising the community support using the ideology of fusion of religion and politics yet lacking equal support from different sections of the community Rather than dwelling on a mere narrative of events and describing strategies tactics and agitations of the Akalis an attempt has been made to understand why and how social and economic antagonisms arising out of generation and articulation of demands in a pluralistic society undergoing modernization and democratization may be marked by identity politics The study is located in the broader framework of rise and growth of regional parties and identity politics in India as a part and consequence of India s adopted model of state and nation building integration and socio economic development and transformation **The A to Z of Sikhism** W. H. McLeod,2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism **SIR CHHOTU RAM - A SAGA OF INSPIRATIONAL LEADERSHIP** Publications Division, About the life of Sir Chhotu Ram *Religion and Politics: New Developments Worldwide* Roy C. Amore,2019-09-17 Religion and Politics New Developments Worldwide features ten articles about recent developments in the interaction of Religion and Politics in various countries of Asia Africa Europe and both North and South America Most articles focus on one country and including China South Korea India Nigeria Malaysia France and Cuba Others address issues across regions such as Latin America Southeast Asia or the Middle East The fifteen contributors are scholars from diverse disciplines as well as diverse regions of Asia Europe Africa and the Americas Subjects include the Indian

government's favoritism for Hinduism over rival religions the way the Sikhs of India avoid the religion politics divide the way the Western media fails to fully understand the Chinese government's policies on religious minorities the aftermath of the Charlie Hebdo demonstrations in France religious attitudes toward tax politics in South Korea as well as among Christians compared to Muslims how to lessen the radicalization of Muslims in Southeast Asia whether Nigeria should encourage its Muslims to be active in the Organisation of Islamic Cooperation the spiritual role played by the permaculture movement in Cuba and how the former tendency of scholars to polarize religion and politics is no longer viable especially in Latin America
