Noelker, PhD,Kenneth Rockwood, MD, FRCPC,Richard L. Sprott, Ph.D.,2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished

stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging SPRINGER SERVING THE HEALTHCARE AND HELPING PROFESSIONS FOR MORE THAN 55 YEARS

**Religion in Aging and Health** Jeffrey S. Levin, 1994 This book brings together key scholars and practitioners from a range of fields in order to advance epidemiological and gerontological research into the role of religion in physical psychosocial and mental health Part One addresses such issues as hope forgiveness the psychodynamics of faith and belief and coping in a theoretical context Part Two seeks to advance the methodological sophistication of research in this area with an emphasis on measurement and design issues

Religion, Spirituality, and Aging Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person s life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen s principles of aging and his approaches to caring for older people an interview

study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars *Methods in Religion, Spirituality & Aging* James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation *New Directions in Religion and Aging* David B. Oliver, 1987 In this stimulating and timely book experts examine the critical issues that will face professionals in the religious community as they work with the elderly in the coming decades They look at the directions religious communities must be prepared to take and the problems to which they must respond if they are to be effective in the years ahead Topics include responding to poverty and aging suicide among the elderly connecting gerontological training and religious professionals and much more Sexuality and the Elderly Bonnie L. Walker, 1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers Transforming Chaplaincy Steve Nolan, Annelieke Damen, 2021-10-28 Evidence based medicine has transformed contemporary medical practice For over twenty five years George Fitchett has been a pioneering advocate of the view that evidence based spiritual care can and should equally transform chaplaincy This book collects a key selection from his ground breaking research As models of good research practice these papers demonstrate the real world value of research and introduce their readers to issues that have continuing importance to spiritual care and professional chaplaincy As such this collection offers an ideal

introduction to spiritual care research The collection is complemented by three essays specially commissioned from observers well positioned to comment on future directions for both professional chaplaincy and spiritual care research

**An Annotated Bibliography on Aging for Members of Religious Communities and Clergy** Lucy Marie Vega,1979

**Biblical Perspectives on Aging** J. Gordon Harris,2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old Biblical Perspectives on Aging God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of Biblical Perspectives on Aging God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible s positive treatment of aging and elderly figures sheds new light on contemporary society s negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in Biblical Perspectives on Aging God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples Biblical Perspectives on Aging God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery

**Gerontology in Theological Education** Barbara P. Payne,1989 Gerontology in Theological Education provides a wealth of useful information to those interested in planning the introduction or improvement of gerontological materials in the curriculum of theological schools The need for including aging in the professional education of the clergy is clear yet it is a relatively unmet need In response to this general lack of gerontological training in theological education this landmark volume documents a model project planned and implemented at the Gerontology Center at Georgia State University and provides suggestions for its use elsewhere Administrators and faculty will find here the results of a national study of gerontology in theological education Detailed descriptions of eight innovative programs nationwide and an extensive

bibliography will also provide guidance for administrators and faculty interested in locating materials that relate to their gerontological concerns

**Aging** Harry R. Moody, 2006-01-13 Welcome to the world's most unique and dynamic textbook on aging. Widely praised and adopted in previous editions, the Fifth Edition of *Aging* once again presents key issues in an engaging and accessible fashion. Organized unlike any other traditional textbook, author Harry R. Moody presents basic concepts followed by controversies supported by carefully chosen, adapted readings. The result is the most captivating introduction to gerontology available today.

**The Role of the Church in Aging: Implications for policy and action** Michael C. Hendrickson, 1985 This informative volume examines the multidimensional nature of aging, identifies key issues involved in meeting the needs of the growing numbers of older adults, and suggests effective methods of mobilizing resources to better meet the needs of the aging population.

*Research in the Social Scientific Study of Religion* Ralph L. Piedmont, 2005-11-01 Various articles are presented covering psychological, sociological, and cross-cultural topics or relevance to religious/spiritual researchers and academics.

**Aging in the New Millennium** Terry Tirrito, 2003 Due to advances in medical technology, better health care, and improvements in lifestyle habits, the 21st century brings unprecedented changes in life expectancy and increased numbers of older adults globally. As the elder population grows, so does the knowledge of and interest in gerontology. Gerontology constantly sees new developments in research, the emergence of areas of study such as financial gerontology and elder ethics, and the introduction of programmes and services for the aging. This work explains the biology of aging along with the social and psychological implications of the process. It looks at diseases and disorders affecting the aged as well as their treatment. It reports on the demographics of older Americans, the impact of changes in life expectancy worldwide, theories regarding longevity and lifestyle, attitudes of a younger population toward an aging one, and public support programmes and services for older adults.

**Jewish Visions for Aging** Dayle A. Friedman, 2008 Developed from over two decades of eldercare experience, this empowering sourcebook examines how to bring a new face to aging by creating an environment where elders can find joy and meaning. It presents innovative ways to bring higher quality to elders' lives from the inside out by empowering them as learners and teachers, celebrants and worshippers, participants with talents, wisdom, and resources to bring to their personal lives and the community.
