Campbell,Ruth Tsuria,2021-09-30 This book offers a critical and systematic survey of the study of religion and digital media It covers religious engagement with a wide range of digital media forms and highlights examples of new media engagement in all five of the major world religions From mobile apps and video games to virtual reality and social media the book provides a detailed review of major topics including ritual identity community authority and embodiment includes a series of engaging case studies to illustrate and elucidate the thematic explorations considers the theoretical ethical and theological issues raised This unique volume draws together the work of experts from key disciplinary perspectives and is the go to volume for students and scholars wanting to develop a deeper understanding of the subject area Thoroughly updated throughout with new case studies and in depth analysis of recent scholarship and developments this new edition provides a

comprehensive overview of this fast paced constantly developing and fascinating field      *The Soul of Cyberspace* Jeffrey P. Zaleski,1997 In a pioneering journey to faith s new frontier cyberspace where traditional religions are reinvented and new ones are created the acclaimed coauthor of *Transformations Awakening to the Sacred in Ourselves* charts technology s radical impact on the ways in which the world prays worships preaches and believes      **Religion Online** Lorne L. Dawson,Douglas E. Cowan,2013-04-15 Religion Online provides an accessible and comprehensive introduction to this burgeoning new religious reality from cyberpilgrimages to neo pagan chatroom communities A substantial introduction by the editors presenting the main themes and issues is followed by sixteen chapters addressing core issues of concern such as youth religion and the internet new religious movements and recruitment propaganda and the countercult and religious tradition and innovation      *Cyber Worship in Multifaith Perspectives* Mohamed Taher,2006 Cyber Worship in Multifaith Perspectives as is implied by its name explores worship i e Prayer Praise Scripture Sacrament Rituals Confessions Eucharist Rites Pilgrimages Reflection Contemplation etc on the Internet It is not an everything you need to know guide about the subjects of faith and belief religions online religions on the Net or religions in cyberspace Rather it is a book about religious and spiritual experience under the rubric cyber worship which is the variety of ways religious devotion is performed and carried out on the Internet The term Cyber Worship is a catchall phrase which includes variants such as online worship virtual worship electronic prayer cyber puja cyber synagogue and so on Dr Mohamed Taher has thus assembled a quick reference for two groups those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments As such this book provides an interesting and current perspective on a practice that will continue to grow in the future      *Give Me That Online Religion* Brenda E. Brasher,2001-02-23 The future of online religion is now Operating online allows long established religious communities to reach the unaffiliated like never before More startling is the ease by which anyone with internet access can create new circles of faith Electronic shrines and kitschy personal Web altars express adoration for living celebrities just as they honor the memory of long departed martyrs In *Give Me That Online Religion* online religion expert Brenda Brasher braves a new world in which cyber concepts and technologies challenge conventional ideas about the human condition all the while attempting to realize age old religious ideals of transcendence and eternal life As the Internet continues its rapid absorption of culture *Give Me That Online Religion* offers pause for thought about spirituality in the cyber age Religion s move to the online world does not mean technology s triumph over faith Rather Brasher argues it assures religion s place in the wired universe along with commerce and communications meeting the spiritual demands of Internet generations to come      **New Media and Religious Transformations in Africa** Rosalind I. J. Hackett,Benjamin F. Soares,2015-01-21 *New Media and Religious Transformations in Africa* casts a critical look at Africa s rapidly evolving religious media scene Following political liberalization media deregulation and the proliferation of new media technologies many African religious leaders and activists have appropriated such media to strengthen and expand

their communities and gain public recognition Media have also been used to marginalize and restrict the activities of other groups which has sometimes led to tension conflict and even violence Showing how media are rarely neutral vehicles of expression the contributors to this multidisciplinary volume analyze the mutual imbrications of media and religion during times of rapid technological and social change in various places throughout Africa
