Gail Collins

Scorpion Tongues The Irresistible History Of Gossip In American Politics:

Scorpion Tongues Gail Collins,1999 A compendium of political gossips covers the two centuries of hearsay defamation and nasty rumors surrounding the most powerful people in the U S

Scorpion Tongues Gail Collins,2011-05-03 From Thomas Jefferson to William Jefferson Clinton **Scorpion Tongues** is a popular history of gossip in American politics Complete with wickedly delightful anecdotes of major and minor politicians and entertainers over the last 200 years Gail Collins examines the evolving relationship between politicians and the press and the blurring of the lines between politicians and celebrities Supported by extensive research and written with an entertaining flair she speculates on how gossip reflects the current moral compass of the time noting how a rumor like an unpredictable summer tornado can flatten one reputation while a similar story passes over another with hardly a rustle Hilariously readable The Economist **Scorpion Tongues** offers sinful scandals and mild hearsay for every taste

Scorpion Tongues New and Updated Edition Gail Collins,2007-01-30 From Thomas Jefferson to William Jefferson Clinton **Scorpion Tongues** is a popular history of gossip in American politics Complete with wickedly delightful anecdotes of major and minor politicians and entertainers over the last 200 years Gail Collins examines the evolving relationship between politicians and the press and the blurring of the lines between politicians and celebrities Supported by extensive research and written with an entertaining flair she speculates on how gossip reflects the current moral compass of the time noting how a rumor like an unpredictable summer tornado can flatten one reputation while a similar story passes over another with hardly a rustle Hilariously readable The Economist **Scorpion Tongues** offers sinful scandals and mild hearsay for every taste

Gossip Joseph Epstein,2017-11-01 A look at the delights and dangers of gossip from a New York Times bestselling erudite writer gifted with rare insight and a wry sense of humor USA Today **Gossip** is no trivial matter In this enlightening and entertaining study the author of *Snobbery* takes a look at a human activity that may be looked down upon but nevertheless plays a persistent role in our society and therefore must be taken seriously Joseph Epstein who admits to indulging in this activity himself from time to time serves up mini biographies of history s famous gossips and makes a powerful case that gossip has morphed from its old fashioned best clever mocking a great private pleasure to a corrosive destructive new version thanks to the reach of the mass media and the Internet This is an erudite and witty read from a master observer of humanity s foibles Kirkus Reviews starred review Epstein defines categories of gossip from personal to celebrity workplace and political and discusses how gossip enforces a community s norms or conversely helps foster tolerance In his briskly erudite zestfully original and provokingly enjoyable anatomy of gossip Epstein revels in the risky collusion of gossip within shared worlds and resoundingly condemns media disseminated gossip that diminishes our ability to ascertain or value the truth Booklist

THE POSTMODERN CHALLENGE TO THE THEORY AND PRACTICE OF EDUCATIONAL ADMINISTRATION 2003-01-01,2003-01-01 Based on nearly a decade of scholarship this is a highly focused book on the implications of postmodernism for the construction and assessment of theory and practice in

educational administration Current ideas of practice are deconstructed from the notions of sound research to the use of national standards in the preparation of educational leaders along with ways of examining and resolving the theory practice gap Part One of the book contains chapters dealing with the rise of postmodernism and describes its broad based dissent from a century of thought in the field including a penetrating examination of whether the concept of a field itself is viable Part Two of the book explores the many ramifications of postmodernism to practice beginning with ideas concerning educational research These chapters tackle the tough issues of the efficacy of the Interstate Leaders Licensure Standards ISLLC and the national exam as examples of job deskilling and deprofessionalization in the guise of raising standards of preparation of future educational leaders Other chapters deal with deconstructing the popular managerial ideas contained in Stephen Covey s works and dispute Joe Murphy s call for a new center of gravity in the field as reinforcing the status quo Finally the book tackles the issue of the theory practice gap and indicates that new and progressive theories which anticipate problems of practice are what is required to deal with this persistent issue The book contains many helpful exhibits in understanding the issues concerning theory and practice as well as a glossary of terms most commonly found in postmodern discourse This book is designed for college and university programs engaged in the preparation of educational leaders for elementary secondary schools and college administrative positions

Partisan Sex Fedwa Malti-Douglas,2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties **Partisan Sex Bodies Politics and the Law in the Clinton Era** explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton s breakfasts and the rise of a society of voyeurs Amazon.com [You Didn't Hear This From Me](#) Kelsey McKinney,2025-02-11 AN INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER NAMED A BEST BOOK OF THE MONTH BY TIME MAGAZINE AMAZON AND KOBO NAMED MOST ANTICIPATED BY LIT HUB PUREWOW AND W MAGAZINE Gossip is the only cultural tradition I care about and Kelsey McKinney has written its Bible Samantha Irby 1 NYT bestselling author From the host of the Normal Gossip podcast a delightfully insightful exploration of our obsession with gossip that weaves together journalism cultural criticism and memoir As the pandemic forced us to socialize at a distance Kelsey McKinney was mourning the juicy updates and jaw dropping stories she d typically collect over drinks with friends and from her hunger the blockbuster Normal Gossip podcast was born With listenership in the millions Kelsey found herself thinking more critically about gossip as a form and wanting to better understand the role it plays in our culture In [You Didn't Hear This From Me](#) McKinney explores the murkiness of everyday storytelling Why is gossip considered a sin and how can

we better recognize when it's being weaponized Why do we think we're entitled to every detail of a celebrity's personal life And how do we define gossip anyway As much as the book aims to treat gossip as a subject worthy of rigor it also hopes to capture the heart of gossiping how enchanting and fun it can be to lean over and whisper something a little salacious into your friend's ear With wit and honesty McKinney unmasks what we're actually searching for when we demand to know the truth and how much the truth really matters in the first place

Affairs of Honor Joanne B. Freeman, 2002-01-01 Offering a reassessment of the tumultuous culture of politics on the national stage during America's early years when Jefferson Burr and Hamilton were among the national leaders Freeman shows how the rituals and rhetoric of honor provides ground rules for political combat Illustrations

Poisoning the Press Mark Feldstein, 2024-08-06 It is March 1972 and the Nixon White House wants Jack Anderson dead The syndicated columnist Jack Anderson the most famous and feared investigative reporter in the nation has exposed yet another of the President's dirty secrets Nixon's operatives are ordered to stop Anderson at all costs permanently Across the street from the White House they huddle in a hotel basement to conspire Should they try Aspirin Roulette and break into Anderson's home to plant a poisoned pill in one of his medicine bottles Could they smear LSD on the journalist's steering wheel so that he would absorb it through his skin lose control of his car and crash Or stage a routine looking mugging making Anderson appear to be one more fatal victim of Washington's notorious street crime

Poisoning the Press Richard Nixon Jack Anderson and the Rise of Washington's Scandal Culture recounts not only the disturbing story of an unprecedented White House conspiracy to assassinate a journalist but also the larger tale of the bitter quarter century battle between the postwar era's most embattled politician and its most reviled newsman The struggle between Nixon and Anderson included bribery blackmail forgery spying and burglary as well as the White House murder plot Their vendetta symbolized and accelerated the growing conflict between the government and the press a clash that would long outlive both men Mark Feldstein traces the arc of this confrontation between a vindictive president and a flamboyant crusading muckraker who rifled through garbage and swiped classified papers in pursuit of his prey stoking the paranoia in Nixon that would ultimately lead to his ruin The White House plot to poison Anderson Feldstein argues is a metaphor for the poisoned political atmosphere that would follow and the toxic sensationalism that contaminates contemporary media discourse Melding history and biography **Poisoning the Press** unearths significant new information from more than two hundred interviews and thousands of declassified documents and tapes This is a chronicle of political intrigue and the true price of power for politicians and journalists alike The result Washington's modern scandal culture was Richard Nixon's ultimate revenge

Liking Ike David Haven Blake, 2016-07-28 **Liking Ike** offers a behind the scenes look at how advertising agencies parternered with political strategists to involve celebrities in Dwight Eisenhower's presidential campaigns setting the stage for future presidential contests

The Idea of Identification Gary C. Woodward, 2012-02-01 Illustrated with interesting examples drawn from politics and art **The Idea of Identification** draws on classical social and rhetorical theories to

establish a systematic framework for understanding the varieties and forms of identification Woodward references a variety of contexts in contemporary life to explore the rhetorical conditions that create powerful and captivating moments By invoking the influential ideas of Kenneth Burke George Herbert Mead Joshua Meyrowitz and others he shows how the rhetorical process of identification is separate from psychological theories of identity construction Woodward concludes with an argument that film theory has perhaps offered the most vivid descriptive categories for understanding the bonds of identification

Up from Invisibility Larry Gross,2001-12-26 A half century ago gay men and lesbians were all but invisible in the media and in turn popular culture With the lesbian and gay liberation movement came a profoundly new sense of homosexual community and empowerment and the emergence of gay people onto the media s stage And yet even as the mass media have been shifting the terms of our public conversation toward a greater acknowledgment of diversity does the emerging visibility of gay men and women do justice to the complexity and variety of their experience Or is gay identity manipulated and contrived by media that are unwilling and perhaps unable to fully comprehend and honor it While positive representations of gays and lesbians are a cautious step in the right direction media expert Larry Gross argues that the entertainment and news media betray a lingering inability to break free from proscribed limitations in order to embrace the complex reality of gay identity While noting major advances like the opening of the Oscar Wilde Memorial Bookstore the first gay bookstore in the country or the rise of The Advocate from small newsletter to influential national paper Gross takes the measure of somewhat more ambiguous milestones like the first lesbian kiss on television or the first gay character in a newspaper comic strip

Image Ethics in the Digital Age Larry P. Gross,John Stuart Katz,Jay Ruby,2003 Image Ethics in the Digital Age brings together leading experts in the fields of journalism media studies law to address the challenges presented by new technology assess the implications for personal societal values behavior

The Writers Directory ,2013 **The Publishers Weekly** ,1998 International Who's Who of Authors and Writers 2008 Europa Publications,2007-08-23 An invaluable source of information on the personalities and organizations of the literary world The Economist ,1998 *Los liberadores de la conciencia* Juan María Alponete,2003 Reformadores sociales Biografia **National Forum of Educational Administration and Supervision Journal** ,2001 *Annual Index* ,1998

Scorpion Tongues The Irresistible History Of Gossip In American Politics Introduction

Scorpion Tongues The Irresistible History Of Gossip In American Politics Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Scorpion Tongues The Irresistible History Of Gossip In American Politics Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Scorpion Tongues The Irresistible History Of Gossip In American Politics : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Scorpion Tongues The Irresistible History Of Gossip In American Politics : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Scorpion Tongues The Irresistible History Of Gossip In American Politics Offers a diverse range of free eBooks across various genres. Scorpion Tongues The Irresistible History Of Gossip In American Politics Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Scorpion Tongues The Irresistible History Of Gossip In American Politics Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Scorpion Tongues The Irresistible History Of Gossip In American Politics, especially related to Scorpion Tongues The Irresistible History Of Gossip In American Politics, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Scorpion Tongues The Irresistible History Of Gossip In American Politics, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Scorpion Tongues The Irresistible History Of Gossip In American Politics books or magazines might include. Look for these in online stores or libraries. Remember that while Scorpion Tongues The Irresistible History Of Gossip In American Politics, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.

Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Scorpion Tongues The Irresistible History Of Gossip In American Politics eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Scorpion Tongues The Irresistible History Of Gossip In American Politics full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Scorpion Tongues The Irresistible History Of Gossip In American Politics eBooks, including some popular titles.

FAQs About Scorpion Tongues The Irresistible History Of Gossip In American Politics Books

What is a Scorpion Tongues The Irresistible History Of Gossip In American Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Scorpion Tongues The Irresistible History Of Gossip In American Politics PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Scorpion Tongues The Irresistible History Of Gossip In American Politics PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Scorpion Tongues The Irresistible History Of Gossip In American Politics PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Scorpion Tongues The Irresistible History Of Gossip In American Politics PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software

like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
