FROM JONSON TO AUDEN:  
A MEDLEY OF JUDGMENTS

Edited by A. M. Eastman  
and G. B. Harrison

# Shakespeares Critics From Jonson To Auden

**Arthur M. Eastman, George Bagshawe  
Harrison**

## **Shakespeare's Critics From Jonson To Auden:**

**Shakespeare's Critics; from Jonson to Auden** Arthur M. Eastman, George Bagshawe Harrison, 1964 In *Shakespeare's Critics* A M Eastman and G B Harrison bring together Shakespearean criticism of 120 poets and writers from across more than three and a half centuries They discuss every aspect of Shakespeare's art his style wit characterization adaptability to the modern stage even the decency of his language The variety diversion and contradiction of their points of view as well as their different approaches heighten our enjoyment and appreciation of his art This Baedeker of Shakespearean criticism stresses both general and specific problems of interpretation and demonstrates that for Shakespeare there is no single agreed upon truth The plays from *As You Like It* to *The Winter's Tale* are discussed and analyzed giving us a total picture of Shakespeare's art that is concise and comprehensive The result is a unique compendium of the shifting tides of taste during the past 370 years *Shakespeare's Critics* Arthur M. Eastman, George Bagshawe Harrison, 1964 **Shakespeare's Critics from Jonson to Auden** Arthur M. Eastman, George Bagshawe Harrison, 1969 *Shakespeare's Critics. From Jonson to Auden: a Medley of Judgments. Edited by A.M. Eastman and G.B. Harrison* A. M. EASTMAN (and HARRISON (George Bagshawe)), 1964 *Disseminating Shakespeare in the Nordic Countries* Nely Keinänen, Per Sivefors, 2022-01-27 Charting the early dissemination of Shakespeare in the Nordic countries in the 19th century this opens up an area of global Shakespeare studies that has received little attention to date With case studies exploring the earliest translations of *Hamlet* into Danish the first translation of *Macbeth* and the differing translations of *Hamlet* into Swedish adaptations into Finnish Kierkegaard's reworking of *King Lear* and the reception of the African American actor Ira Aldridge's performances in Stockholm as *Othello* and *Shylock* it will appeal to all those interested in the reception of Shakespeare and its relationship to the political and social conditions The volume intervenes in the current discussion of global Shakespeare and more recent concepts like rhizome which challenge the notion of an Anglocentric model of centre versus periphery It offers a new assessment of these notions revealing how the dissemination of Shakespeare is determined by a series of local and frequently interlocking centres and peripheries such as the Finnish relation to Russia or the Norwegian relation with Sweden rather than a matter of influence from the English Cultural Sphere *Shakespeare* Roland Mushat Frye, 2013-10-11 This edition first published in 1982 Previous edition published in 1972 by Houghton Mifflin Outlining methods and techniques for reading Shakespeare's plays Roland Frye explores and develops a comprehensive understanding of Shakespeare's drama focussing on the topics which must be kept in mind the formative influence of the particular genre chosen for telling a story the way in which the story is narrated and dramatized the styles used to convey action character and mood and the manner in which Shakespeare has constructed his living characterizations As well as covering textual analysis the book looks at Shakespeare's life and career his theatres and the actors for whom he wrote and the process of printing and preserving Shakespeare's plays Chapters cover *King Lear* in the Renaissance *Providence* *Kind Fortune* *Anarchy and Order* *Reason and Will* *Show and*

Substance Redemption and Shakespeare's Poetics      *Shakespeare the Man* R. W. Desai, 2014-03-13 While over the past four hundred years numerous opinions have been voiced as to Shakespeare's identity these eleven essays widen the scope of the investigation by regarding Shakespeare his world and his works in their interaction with one another Instead of restricting the search for bits and pieces of evidence from his works that seem to match what he may have experienced these essays focus on the contemporary milieu political developments social and theater history and cultural and religious pressures as well as the domestic conditions within Shakespeare's family that shaped his personality and are featured in his works The authors of these essays employing the tenets of critical theory and practice as well as intuitive and informed insight endeavor to look behind the masks thus challenging the reader to adjudicate among the possible the probable the likely and the unlikely With the exception of the editor's own piece on Hamlet *Shakespeare the Man* New Decipherings presents previously unpublished essays inviting the reader to embark upon an intellectual adventure into the fascinating terrain of Shakespeare's mind and art      **Study Guide to Coriolanus by William Shakespeare** Intelligent Education, 2020-03-27 A comprehensive study guide offering in depth explanation essay and test prep for William Shakespeare's Coriolanus one of Shakespeare's last two tragedies As an unusual and intense intellectual drama Shakespeare employs single narrative line and striking images but the most effective moments in the play are developed through understated silence Moreover he implements late lean and compact style in which images are used for their intellectual and thematic importance rather than their emotional content This Bright Notes Study Guide explores the context and history of Shakespeare's classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research      Philosophy and the Puzzles of Hamlet Leon Harold Craig, 2014-07-31 Shakespeare's famous play Hamlet has been the subject of more scholarly analysis and criticism than any other work of literature in human history For all of its generally acknowledged virtues however it has also been treated as problematic in a raft of ways In *Philosophy and the Puzzles of Hamlet* Leon Craig explains that the most oft cited problems and criticisms are actually solvable puzzles Through a close reading of the philosophical problems presented in Hamlet Craig attempts to provide solutions to these puzzles The posing of puzzles some more conspicuous others less so is fundamental to Shakespeare's philosophical method and purpose That is he has crafted his plays and Hamlet in particular so as to stimulate philosophical activity in the judicious as distinct from the unskillful readers By virtue of showing what so many critics treat as faults or flaws are actually intended to be interpretive challenges Craig aims to raise appreciation for the overall coherence of Hamlet that there is more logical rigor to its plot and psychological plausibility to its

characterizations than is generally granted even by its professed admirers Philosophy and the Puzzles of Hamlet endeavors to make clear why Hamlet as a work of reason is far better than is generally recognized and proves its author to be not simply the premier poet and playwright he is already universally acknowledged to be but a philosopher in his own right

**Shakespeare, Jonson, Molière** Nicholas Grene,1985-06-18      **A Selective Bibliography of Shakespeare** James G. McManaway,Jeanne Addison Roberts,1978-07 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful      **A Selective Bibliography of Shakespeare** James Gilmer McManaway,Jeanne Addison Roberts,1975 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful      **Such a King Harry** Phyllis N. Braxton,2012-05-18 This study of Shakespeares Falstaff versus Shakespeare Criticism takes a view of Falstaff that is critically unorthodox but which is supported by the text This reading of the Falstaff plays sees the playwright basing his fiction on natural law but bending natural law to present a world of personified natural phenomena This reading is logically consistent and conforms to all fictional requirements for necessity and probability thus eliminating the supposed errors that criticism which sees the plays as strictly realistic vehicles appears to find in these plays      **Joyce, T. S. Eliot, Auden, Beckett** Adrian Poole,2014-03-27 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of James Joyce T S Eliot W H Auden and Samuel Beckett to the afterlife and reception of Shakespeare and his works Each essay assesses the double impact of Shakespeare on the figure covered and of that figure on the understanding interpretation and appreciation of Shakespeare providing a sketch of its subject s intellectual and professional biography and an account of the wider cultural context      Hamlet Harold Bloom,2008 In Shakespeare s powerful drama of destiny and revenge Hamlet the troubled prince of Denmark must overcome his own self doubt and avenge the murder of his father Contains a selection of the finest criticism through the centuries on Hamlet as well as a biography on Shakespeare      **Shakespeare Survey** Allardyce Nicoll,2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback      *The Oxford Companion to Twentieth-century Literature in English* Jenny Stringer,1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors      **Twelfth Night** John R. Ford,2005-12-30 Twelfth Night is one of the most accessible and yet elusive of Shakespeare s plays It has enjoyed enormous popularity in performance but it continues to challenge students This guide provides a thorough introduction to the play Included are chapters on the play s background contexts themes dramatic art critical reception and performance history The

volume cites current scholarship and closes with a bibliography Twelfth Night is one of the most accessible yet elusive of Shakespeare's plays It has enjoyed enormous popularity in performance but it continues to challenge students It has experienced numerous revivals and has provoked some of the most brilliant critical responses from Shakespeare's critics Written for students and general readers this guide is a comprehensive introduction to Shakespeare's play The volume begins with a look at the play's textual history This is followed by an exploration of its historical and cultural contexts and its sources and analogues The book next turns to Shakespeare's dramatic art and then examines his themes of identity sexuality and madness The final chapters look at the critical response to the play and give special attention to the play's performance history The guide closes with a bibliography

**A Short History of Shakespearean Criticism** Arthur M. Eastman, 1968

**Shakespeare and the Modern Poet** Neil Corcoran, 2010-04-01 Shakespeare is a major influence on poets writing in English but the dynamics of that influence in the twentieth century have never been as closely analysed as they are in this important study More than an account of the ways in which Shakespeare is figured in both the poetry and the critical prose of modern poets this book presents a provocative new view of poetic interrelationship Focusing on W B Yeats T S Eliot W H Auden Ted Hughes and Sylvia Plath Neil Corcoran uncovers the relationships combative as well as sympathetic between these poets themselves as they are intertwined in their engagements with Shakespeare Corcoran offers many enlightening close readings fully alert to contemporary theoretical debates This original study of influence and reception beautifully displays the nature of poetic influence both of Shakespeare on the twentieth century and among modern poets as they respond to Shakespeare

## Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Shakespeares Critics From Jonson To Auden**

In a global inundated with screens and the cacophony of quick interaction, the profound energy and psychological resonance of verbal art usually fade in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, situated within the lyrical pages of **Shakespeares Critics From Jonson To Auden**, a fascinating work of fictional brilliance that pulses with fresh emotions, lies an wonderful trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that magical opus guides visitors on a mental odyssey, lightly revealing the latent potential and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is central subjects, dissect its fascinating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
