# Shall we find faith on earth?

(Part 1)

# Shall He Find Faith

**Hugh Latimer (bp. of Worcester.)**

## Shall He Find Faith:

**"When the Son of Man cometh shall he find faith on the earth?" ... A sermon [on Luke xviii. 8], etc** William Harness,1857      *Shall He Find Faith* William D. Ward,2000-12 Every culture and every tribe believes in something Nations tribes and cultures that have never heard of Jesus believe in some god or something that can be considered as their god Each has faith in what they believe Each has their own specific focus of worship and each says they are right in what they accept as true There is however a difference between the ability to have faith and what Christians call The Faith God has given all men a measure of faith but He does not say he gave everyone a measure of The Faith Neither does God say everyone will be saved because they show faith in something By Christians gaining a better understanding of the process and make up of their own faith as well as faith in general they can be better prepared for the spiritual battle being fought in the realm of faith The more the Christian knows how his or her own beliefs function and grow the better they can understand how misguided faith can be redirected to Jesus With a clearer understanding of our own faith we can present the evidence that God provides in truth and in the proper light      The Englishman's Greek Concordance of the New Testament Anonymous,2023-11-20 Reprint of the original first published in 1875      **The Englishman's Greek Concordance of the New Testament** George V. Wigram,2021-10-29 Reprint of the original first published in 1864      **The Englishman's Greek Concordance of the New Testament** George V. Bliss,2025-06-28 Reprint of the original first published in 1884 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      Love's Redeeming Work Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain

their own quest for holiness      **The sermons of ... Hugh Latimer ... many of which were ... on the religious and civil liberties of Englishmen** Hugh Latimer (bp. of Worcester.),1758      **The Powers of the World to Come** Henry Harris,1879      The Cambridge Bible for Schools and Colleges Frederic William Farrar,1895      **Notes, Explanatory and Practical on the Gospels** Albert Barnes,1835      **Heaven on Earth** Francis J. Connelly,2011-10-10 With the coming of Jesus the Christ the covenant of the New Testament is created Therein can be found new spiritual guidelines that those who love God will gravitate to as a consequence of being saved In the Sermon on the Mount Jesus specifically identifies eight states of blessedness that are pleasing to God In other verses of Scripture contained in the New Testament additional spiritual attitudes and responses are described that help believers to live in accordance with the will of God The degree to which we live in accordance with Gods will presented herein as codes is the degree to which we attain heaven on earth leading to perfect happiness with Jesus in the world to come The codes consist of commandments and other rules of behavior kernels of wisdom and truths revealed by Jesus and spiritual guidelines intended to assist us on the road to salvation They will be numbered and discussed as encountered sequentially in the New Testament starting with the gospel according to Matthew and ending with the book of Revelation The appropriate verses of Scripture from which each code is derived will accompany them and be highlighted Explanatory remarks are included whenever greater clarity or additional emphasis is needed All codes and commentary are derived from the words of Jesus as recorded in the New Testament of the Holy Bible  
*Notes, explanatory and practical by Alb. Barnes ,1847*      **FAITH STUDY COURSE SERIES** ISAIAH MACWEALTH,  
 There are several misconceptions about the subject matter of faith These misconceptions have left many believers experiencing unfulfilled and an unsatisfactory walk with God This is because they do not understand what faith really is Some others confuse faith with hope and believe There are also those who assume that they have faith but are only operating in fear and doubt This is why it is important to study the basic concept of faith So in this book we will look into what faith is the Satan kind of faith the God kind of faith and so much more After reading this book you will be armed with the understanding of the true concept of faith what faith is not and Satan s strategy to keep your faith inactive      People's Commentary on the Gospel According to Luke Edwin Wilbur Rice,1889      *A Plain Commentary on the Four Holy Gospels* John William Burgon,1856      **The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V.
