*More Than*

*Enough* Tamra Andress, 2024-09-10 *More Than Enough* is an empowering devotional anthology that invites women to shed the confines of societal titles and the lasting scars of labels. This collective work serves as a beacon of liberation guiding women to reclaim their lives, beliefs, bodies, professions, and their roles as wives and mothers. Through its pages, women are encouraged to let go of identity markers not meant for them and to embrace the inner light and radiant beauty that are their true essence. *More Than Enough* guides women toward self-realization, offering them tools to build self-confidence as daughters of purpose, recognize their intrinsic value, and unlock their innate authority as powerful Ezers. It fosters increased emotional and spiritual intelligence, equipping women to counteract the enemy's tactics and nurtures a sense of worthiness rooted in truth. Women will be inspired to view success through a lens of hope, significance, and legacy, contrasting the world's often superficial standards. Going beyond the typical devotional, *More Than Enough* embarks on a journey of transformation. It provides practical strategies for releasing shame, breaking the cycle of comparison with other women, and cutting off the lies of isolation and abandonment. It redefines identity in Christ over worldly definitions, encourages the development of healthy habits in relation to self, others, and God, and suggests new ways for women to present themselves to the world. Ultimately, this book is a call to awaken the beauty within, a beauty that will magnetize others to lead a life of purpose. **Love More, Binge Less and Stay Fit**

Merideth Ussery, 2014-09-08 *Love More Binge Less and Stay Fit* breaks new ground with its cutting-edge approach to permanent weight loss. For the first time, overcoming years of constant weight struggle is defined by more than nutrition and exercise. We all want to know how to escape from ongoing weight fluctuations, food guilt, dieting, misery, and body image insecurity. We also want to know how to find the best diet to get to our dream body size and weight that we imagine will provide a turning point toward a fit body and self-confidence. In this book, Annie Stern writes with compassion and great insight to isolate the four big obstacles and the five secrets that change the perspective of weight loss and the diet industry. The goal is to create permanent changes between the relationship we have with food and with our body. This book provides a road map to illustrate why restrictive diets followed by guilt-ridden binges, overeating, and body hatred show up in our life as a constant weight struggle. Have you tried every new diet or weight loss plan and chronic exercising but you're still gaining back the pounds you lost within a few months? Perhaps this frustration sends you in search of still another plan which ends in the spinning wheel of compulsion to dieting for years to come. In that case, this book is for you. Our degree of readiness is the key to paying attention to what's behind the symptoms as we seek the solutions for how to stop fighting food, fighting with our fridge, or fighting with our body but mainly with ourselves. Only then we will find real joy with our bodies again. *God and Hamilton*
