**Shanghai Baby** Wei Hui, 2001 The gap that divides those of us born in the 1970s and the older generation has never been so wide Dark and edgy deliciously naughty an intoxicating cocktail of sex and the search for love Shanghai Baby has already risen to cult status in mainland China The risqué contents of the breakthrough novel by hip new author Wei Hui have so alarmed Beijing authorities that thousands of copies have been confiscated and burned As explicit as Henry Miller's *Tropic of Cancer* as shocking as *Trainspotting* this story of a beautiful writer and her erotically charged affairs jumps howls and hits the ground running as it depicts the new generation rising in the East Set in the centuries old port city of Shanghai the novel follows the days and nights of the irrepressibly carnal Coco who waits tables in a caf when she meets her first lover a sensitive Chinese artist Defying her parents Coco moves in with her boyfriend and enters a frenzied orgasmic world of drugs and hedonism But helpless to stop her gentle lover's descent into addiction Coco becomes attracted to a boisterous Westerner a rich German businessman with a penchant for S M and seduction Now with an entourage of friends ranging from a streetwise madame to a rebellious filmmaker Coco's forays into the territory of love and lust cross the borders between two cultures awakening her guilt and fears of discovery yet stimulating her emerging sexual self Searing a blistering image into the reader's imagination Shanghai Baby provides an alternative travelogue into the back streets of a city and the hard core escapades of today's liberated youth Wei Hui's provocative portrayal of men women and cultural transition is an astonishing and brave exposure of the unacknowledged new China breaking through official rhetoric to show the inroads of the West and a people determined to burst free

BOOK JACKET **The China Weekly Review** ,1925 **Rebel Men** Pamela Hunt,2022-05-10 Masculinity fast changing and regularly declared to be in the throes of crisis is attracting more popular and scholarly debate in China than ever before At the same time Chinese literature since 1989 has been characterized as brimming with countercultural attitude This book probes the link between literary rebellion and manhood in China showing how as male writers critique the outcomes of decades of market reform they also ask the same question how best to be a man in the new postsocialist order In this first full length discussion of masculinity in post 1989 Chinese literature Pamela Hunt offers a detailed analysis of four contemporary authors in particular Zhu Wen Feng Tang Xu Zechen and Han Han In a series of insightful readings she explores how all four writers show the same preoccupation with the figure of the man on the edges of society Drawing on longstanding Chinese and global models of maverick as well as marginal masculinity and responding to a desire to retain a measure of masculine authority their characters all engage in forms of transgression that still rely heavily on heteronormative and patriarchal values Rebel Men argues that masculinity so often overlooked in literary analysis of contemporary China continues to be renegotiated debated and agonized over and is

ultimately reconstructed as more powerful than before An exceptionally lucid elegant study of masculinity in mainland Chinese fiction of the 1990s and 2000s Both historically and theoretically informed *Rebel Men Masculinity and Attitude in Postsocialist Chinese Literature* offers a major new perspective on post 1989 Chinese counterculture Julia Lovell Birkbeck University of London
