**BOOK JACKET**    **The China Weekly Review** ,1925    **Rebel Men** Pamela Hunt,2022-05-10  
Masculinity fast changing and regularly declared to be in the throes of crisis is attracting more popular and scholarly debate in China than ever before At the same time Chinese literature since 1989 has been characterized as brimming with countercultural attitude This book probes the link between literary rebellion and manhood in China showing how as male writers critique the outcomes of decades of market reform they also ask the same question how best to be a man in the new postsocialist order In this first full length discussion of masculinity in post 1989 Chinese literature Pamela Hunt offers a detailed analysis of four contemporary authors in particular Zhu Wen Feng Tang Xu Zechen and Han Han In a series of insightful readings she explores how all four writers show the same preoccupation with the figure of the man on the edges of society Drawing on longstanding Chinese and global models of maverick as well as marginal masculinity and responding to a desire to retain a measure of masculine authority their characters all engage in forms of transgression that still rely heavily on heteronormative and patriarchal values Rebel Men argues that masculinity so often overlooked in literary analysis of contemporary China continues to be renegotiated debated and agonized over and is ultimately reconstructed as more

powerful than before An exceptionally lucid elegant study of masculinity in mainland Chinese fiction of the 1990s and 2000s Both historically and theoretically informed Rebel Men Masculinity and Attitude in Postsocialist Chinese Literature offers a major new perspective on post 1989 Chinese counterculture Julia Lovell Birkbeck University of London
