

LAST VICTIM

The body of Joseph Donagan, murdered in West Belfast on October 24, 1992

EVIL

Members of the Shankill Butchers, clockwise from top left: Larry Murphy, Robert Butler, William Moore & Sam McVicker

gruesome story of the worst mass murder gang in our bloody history

Shankill Butchers The

Henry McDonald, Jim Cusack

Shankill Butchers The:

The Shankill Butchers Martin Dillon, 2024-11-01 During the 1970s a group of Protestant paramilitaries embarked on a spree of indiscriminate murder which left thirty Northern Irish Catholics dead Their leader was Lenny Murphy a fanatical Unionist whose Catholic sounding surname led to his persecution as a child for which he took revenge on all Catholics Not for the squeamish *The Shankill Butchers* is a horrifyingly detailed account of one of the most brutal series of murders in British legal history a phenomenon whose real nature has been obscured by the political and violent context from which it sprang

The Shankill Butchers Martin Dillon, 2009-11-24 The bestselling investigation of one of Northern Ireland's most brutal and infamous murder cases Makes for gripping but altogether terrifying reading Washington Times Dillon is recommended reading for anyone wishing to understand the complexities of British Irish politics He stands alone as one of the most creative writers of our time Irish Times

_____ This was the ultimate way to kill a man In the 1970s in some of the most violent days of the Troubles in Northern Ireland a group of Protestant paramilitaries embarked on a spree of indiscriminate murder in the Shankill area of Belfast leaving thirty Catholics dead Their leader was Lenny Murphy a fanatical Unionist whose childhood was marked by sectarian violence Murphy swore revenge on all Catholics and with his gang wreaked havoc onto an already fractured city Not for the squeamish *The Shankill Butchers* is a horrifying and detailed account of one of the most brutal series of murders in the history of Northern Ireland a phenomenon whose real nature has been obscured by the troubled and violent context from which it sprang

God and the Gun Martin Dillon, 2014-06-23 In this astonishing and at times terrifying book acclaimed writer and political commentator Martin Dillon examines for the first time the true role of religion in the conflict in Northern Ireland He interviewed those directly involved terrorists like Kenny McClinton and Billy Wright and churchmen like Father Pat Buckley finding that the terrorists were more forthcoming than the priests and ministers Dillon charts the history of the paramilitary forces on both sides and exposes the shocking covert role of British intelligence He finds that ultimately both the church and government have failed their communities allowing men and women of violence to fill a vacuum with bigotry and violence

Tongue of Water, Teeth of Stones Jonathan Hufstader, 2014-10-17 In a 1984 lecture on poetry and political violence Seamus Heaney remarked that the idea of poetry was itself that higher ideal to which the poets had unconsciously turned in order to survive the demeaning conditions Jonathan Hufstader examines the work of Heaney and his contemporaries to discover how poems combining conscious technique with unconscious impulse work as aesthetic forms and as strategies for emotional survival In his powerful study Hufstader shows how a number of contemporary Northern Irish poets including Seamus Heaney Derek Mahon Michael Longley Paul Muldoon Tom Paulin Ciar n Carson and Medbh McGuckian explore the resources of language and poetic form in their various responses to cultural conflict and political violence Focusing on both style and social contexts Hufstader explores the tension between solidarity and art between the poet's need to belong and to rebel He believes that an

understanding of the power of lyric points towards an understanding of the source of social violence and of its cessation

Who Was Responsible for the Troubles? Liam Kennedy, 2020-09-23 The Troubles claimed the lives of almost four thousand people in Northern Ireland most of them civilians forty five thousand were injured in bombings and shootings Relative to population size this was the most intense conflict experienced in Western Europe since the end of the Second World War The central question posed in this book is fundamental yet it is one that has rarely been asked Who was primarily responsible for the prosecution of the Troubles and their attendant toll of the dead the injured and the emotionally traumatized Liam Kennedy who lived in Belfast throughout most of the conflict was long afraid to raise the question and its implications After years of reflection and research on the matter he has brought together elements of history politics sociology and social psychology to identify the collective actors who drove the conflict onwards for more than three decades from the days of the civil rights movement in the late 1960s to the signing of the Good Friday Agreement in 1998 The Troubles in Northern Ireland are a world class problem in miniature The combustible mix of national ethnic and sectarian passions that went into the making of the conflict has its parallels today in other parts of the world Who Was Responsible for the Troubles is an original and controversial work that captures the terror and the pain but also the hope of life and the pursuit of happiness in a deeply divided society

Crossing the Line Martin Dillon, 2017-09-04 In Crossing the Line former BBC journalist and best selling author Martin Dillon recalls his courageous journalistic career spent on the edge during the worst years of the modern Troubles Following his childhood on Belfast's Falls Road and his wandering teenage years Dillon's move into the world of journalism was soon to lead him down paths of extreme danger putting himself in harm's way to reveal the shocking truths of the emerging conflict in his native city His extraordinary story reveals encounters with a roll call of major political figures paramilitaries and Irish literary greats Dillon's memoir is as compelling as it is incisive a riot of revelations on the political and sectarian conflict that rocked Belfast during the 1970s and 80s Dillon's aptitude and ambition gave him unparalleled access to the worlds of politics sectarian violence literature and media Crossing the Line exposes the complex and oftentimes devastating thread that joins them

Screening Ulster Richard Gallagher, 2023-03-03 This book presents extensive research into the cinematic representation of the British identifying Protestant unionist and loyalist community in Northern Ireland and is the first time such comprehensive analysis has been produced Gallagher's research traces the history of the community's representation in cinema from the emergence of depictions of both nationalist and unionist communities in social realist dramas in 1980s British and Irish cinema to today through periods such as those focused on violent paramilitaries in the 1990s and irreverent comedy after the Northern Ireland peace process The book addresses the perception that the Irish nationalist community has been depicted more frequently and favourably than unionism in films about the period of conflict known as The Troubles Often argued to be the result of an Irish nationalist bias within Hollywood Gallagher argues that there are other inherent and systemic reasons for this cinematic deficit

Terrorists' Target Selection C. Drake, 1998-08-26 The author examines the factors which influence terrorists target selection In particular he looks at the influence of the ideologies strategies and tactics of terrorist groups and describes how these are restricted by the terrorists resources by protective and anti terrorist measures by the society within which the terrorists operate and by the nature of the terrorists and their supporters He concludes that terrorists target selection is often both explicable and logical

Bear in Mind These Dead Susan McKay, 2009-04-02 A moving and timely work which captures the lasting pain and grief of those who lost loved ones during the Troubles Eoin McHugh Sunday Independent Nearly 4 000 people were killed during the Troubles Susan McKay s book explores the difficult aftermath of the violence for families friends and communities By interviewing those who loved the missing and the dead as well as some who narrowly survived McKay gives a voice to those who are too often overlooked in the political histories She has found grief and rage as well as forgiveness This book is a powerful and important contribution to the Northern Ireland power sharing process Only by confronting the brutality of the past can there be any hope that the dead may finally be laid to rest An exemplary undertaking a necessary book which restores humanity to those among the dead who tend to be remembered in terms of statistics alone Susan McKay has gone about her difficult task with bravery and finesse Patricia Craig Independent Peace can only endure if the dead can finally be laid to rest **Bear in Mind These Dead** is a moving and important contribution to that process Derry Journal Tremendously moving Anyone who wants to understand the sectarian conflict of Northern Ireland must examine the individual tragedies that go to make up the broader narrative This is the grim task to which McKay so admirably applies herself Andrew Anthony Observer

UVF - The Endgame Henry McDonald, Jim Cusack, 2016-06-30 Now that Northern Ireland s troubles appear to be over with old enemies the DUP and Sinn F in sharing power what will happen to the hard men of loyalism The Ulster Volunteer Force emerged during the first sparks of Northern Ireland s Troubles in the mid 1960s Their campaign of violence quickly marked them out as one of the most extreme loyalist groups Henry MacDonald and Jim Cusack provide a fascinating insight into the UVF s origins growth and decline They follow the careers of some of the key players in the UVF including Gusty Spence Billy Wright and David Ervine They catalogue the atrocities in which the UVF were involved including the Dublin and Monaghan bombings the emergence of the notorious renegade Shankill Butchers and the various bloody feuds that have infected loyalism They trace the paramilitary organisation from the violent margins through the horrors of the 1970s and 1980s to its shaky 1994 ceasefire and its crucial if sometimes reluctant role in the peace process that led up to the signing of the Good Friday Agreement in 1998

The Dirty War Martin Dillon, 2012-10-26

This excellent book demands the attention of anyone concerned about civil liberties in the United Kingdom Guardian 1969 was a year of rising tension violence and change for the people of Northern Ireland Rioting in Derry s Bogside led to the deployment of British troops and a shortlived uneasy truce The British army soon found itself engaged in an undercover war against the Provisional IRA which was to last for more than twenty years In this enthralling and controversial

book Martin Dillon author of the bestselling *The Shankill Butchers* examines the roles played by the Provisional IRA the State forces the Irish Government and the British Army during this troubled period He unravels the mystery of war in which informers agents and double agents operate revealing disturbing facts about the way in which the terrorists and the Intelligence Agencies target undermine and penetrate each other s ranks *The Dirty War* is investigative reporting at its very best containing startling disclosures and throwing new light on previously inexplicable events Community Politics and the Peace Process in Contemporary Northern Irish Drama Eva Urban,2011 This book examines theatre within the context of the Northern Ireland conflict and peace process with reference to a wide variety of plays theatre productions and community engagements within and across communities The author clarifies both the nature of the social and political vision of a number of major contemporary Northern Irish dramatists and the manner in which this vision is embodied in text and in performance The book identifies and celebrates a tradition of playwrights and drama practitioners who to this day challenge and question all Northern Irish ideologies and propose alternative paths The author s analysis of a selection of Northern Irish plays written and produced over the course of the last thirty years or so illustrates the great variety of approaches to ideology in Northern Irish drama while revealing a common approach to staging the conflict and the peace process with a distinct emphasis on utopian performatives and the possibility of positive change UVF Aaron Edwards,2017-12-01 UVF Behind the Mask is the gripping new history of the Ulster Volunteer Force from its post 1965 incarnation to the present day Aaron Edwards blends rigorous research with unprecedented access to leading members of the UVF to unearth the startling inner workings of one of the world s oldest and most ruthless paramilitary groups Through interviews with high profile UVF leaders such as Billy Mitchell David Ervine Billy Wright Billy Hutchinson and Gary Haggarty as well as their loyalist rivals including Johnny Adair Edwards reveals the grisly details behind their sadistic torture and murder techniques and their litany of high profile atrocities McGurk s Bar the Dublin and Monaghan bombings the Miami Showband massacre and the Shankill Butchers serial killing spree amongst others Edwards life and career has led him to the centre of the UVF s long dark underbelly in this defining work he offers a comprehensive and authoritative study of an armed group that continues to play a pivotal role in Northern Irish society **Formations of Violence** Allen Feldman,2008-03-14 A sophisticated and persuasive late modernist political analysis that consistently draws the reader into the narratives of the author and those of the people of violence in Northern Ireland to whom he talked Simply put this book is a feast for the intellect Thomas M Wilson American Anthropologist One of the best books to have been written on Northern Ireland A highly imagination and significant book *Formations of Violence* is an important addition to the literature on political violence David E Schmitt American Political Science Review **Memories of the Classical Underworld in Irish and Caribbean Literature** Madeleine Scherer,2021-09-20 *Classical Memories* is an intervention into the field of adaptation studies taking the example of classical reception to show that adaptation is a process that can be driven by and produce intertextual memories I see classical

memories as a memory driven type of adaptation that draws on and reproduces schematic and otherwise de contextualised conceptions of antiquity and its cultural exports in broadly speaking the twentieth and twenty first centuries These memory driven adaptations differ often in significant ways from more traditional adaptations that seek to either continue or deconstruct a long running tradition that can be traced back to antiquity as well as its canonical points of reception in later ages When investigating such a popular and widespread set of narratives characters and images like those that remain of Graeco Roman antiquity terms like adaptation and reception could and should be nuanced further to allow us to understand the complex interactions between modern works and classical antiquity in more detail particularly when it pertains to postcolonial or post digital classical reception In *Classical Memories* I propose that understanding certain types of adaptations as intertextual memories allows us to do just that

The Troubles Tim Pat Coogan, 2015-12-16 The Troubles refers to a violent thirty year conflict at the heart of which lay the constitutional status of Northern Ireland Over 3 000 people were killed on all sides and many more damaged by a legacy that continued long past 1998 After looking at the roots of Catholic discrimination of the Northern Irish state Coogan points to Orange prejudice in housing education and jobs and the lack of a Catholic outlet for peaceful protest He argues that the war in the North started as a civil rights demonstration but that radical Orange response soon turned protest into war He takes a close look at Ian Paisley the great pornographer John Hume the quiet peacemaker Gerry Adams gunman turned peacemaker and Albert Reynolds the first prime minister to insist on peace In this controversial volume Coogan covers all parts of the war from Bloody Sunday in 1972 to the Bobby Sands hunger strike Although written from a nationalist viewpoint Coogan has taken a complicated history and explained it simply with grace and wit

Wasted Years, Wasted Lives Volume 1 Ken Wharton, 2013-07-19 The first volume in this two part oral history brings to life the experiences of British Army soldiers during the Troubles in the mid 1970s British Army veteran Ken Wharton has written extensively on the bitter conflict in Northern Ireland shedding light on the experiences and sacrifices of British military and police Though often overlooked by historians many of these committed soldiers and peacekeepers lost their lives in the fighting Combining his own personal experience with meticulous research and firsthand testimonies from fellow soldiers Wharton takes readers into the dangerous streets of the Ardoyne and New Lodge of Andersonstown Turf Lodge and Ballymurphy and of the Creggan in Londonderry and the Derrybeg in Newry He is equally candid and critical of the Loyalist paramilitaries and the Republicans as well as the Irish Americans and their political stooges in the US Government This book is for anyone who wishes to look back and try to understand the madness inflicted upon several generations of innocent Irish and British people

The Irish Terrorist: A Novel T J Mack, 2015-03-06 Ireland has been occupied by the military force of England for centuries and rebellions are just a fact of life But things take a turn for the worse in 1972 in Northern Ireland when demonstrations and peace marches end with English paratroopers firing on the crowd and senselessly killing thirteen people in what becomes known as Bloody Sunday The violence leads many to join the ranks of the

Irish Republican Army including cousins Jack Danaher and Sean Curran who carry out their missions with will and determination In the past many survivors of The Great Famine would leave for distant shores Those who remained would drive a Fenian uprising and leave their descendants to continue the fight toward Irish independence But sides were taken and alliances formed Loyalists and Republicans engage in clandestine planning and continue a war that seemingly has no end in sight but one side may take the upper hand in The Irish Terrorist **The A to Z of the Northern Ireland Conflict**

Gordon Gillespie,2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject **The Trigger Men** Martin

Dillon,2011-10-14 In The Trigger Men bestselling author Martin Dillon delves into the dark and sinister world of Irish terrorism and counter terrorism Over three decades he has interviewed and investigated some of the most professional dangerous and ruthless killers in Ireland Now Dillon explores their personalities motivations and bizarre crimes Many of Ireland s assassins learned their trade in fields and on hillsides in remote parts of Ireland while others were trained in the Middle East or with Basque separatist terrorists in Spain Some were one target one shot killers like the sniper who terrorised the inhabitants of Washington State in the autumn of 2002 while others were bombers skilled in designing the most sophisticated explosive devices and booby traps Another more powerful group of trigger men were the influential figures in the shadows who were experts in motivating the killers under their control All of these men whether they squeezed the trigger on a high powered rifle set the timer on a bomb or used their authority to send others out to commit horrific and unspeakable acts of cruelty are featured in this book The Trigger Men takes the reader inside the labyrinthine world of terrorist cells and highly classified counter terrorism units of British Military Intelligence The individual stories are described in gripping unflinching detail and show how the terrorists carried out their ghastly work Dillon also explores the ideology of the cult of the gunmen and the greed and hatred that motivated assassins in their killing sprees There are penetrating insights into the mindset of the most infamous assassins their social and historical conditioning their callousness
