## **Shaped By God:**

**Shaped by God** Max Lucado, 2002 Forty nine short inspirational stories offer encouragement to people who find themselves facing struggles being tempered and crafted into the image of God through challenging circumstances Beautiful gift book previously published as *On the Anvil*

**Shaped by God** John Piper, 2017-04 God wants your heart The Psalms are in a category of their own They are not just commanding they are contagious And they can change us Tears affliction shame regret grief anger discouragement turmoil we hear all these cries we feel their overflow and we see that all these things happen in relation to our totally sovereign God

**The God-Shaped Heart** Timothy R. MD Jennings, 2017-09-05 The key to spiritual and emotional health is to grasp the truth of God's transforming love for us and then let that reality influence our own hearts and relationships It seems simple but we are experts at complicating simple things Instead of living lives characterized by love we find ourselves trapped in cycles of shame violence and addiction that steal our joy and keep us from loving others so much so that by all indications Christians are living no differently than anyone else when it comes to abuse rates use of pornography alcohol and drug addiction and more Christian psychiatrist Dr Timothy Jennings wants to release us from this prison With powerful illustrations from case studies and from Scripture Jennings shows believers who are stuck in addiction violence fear and broken relationships how to experience true freedom through God's transforming love to experience greater health fulfillment and well being

**A Human-Shaped God** Charles Halton, 2021-10-26 A Human Shaped God approaches the humanlike accounts of God in the Old Testament as the starting places for theology and uses them to build a picture of the divine This understanding of God is then brought into conversation with traditional conceptions that depict God as a being who knows everything that happens is at every place at the same time is constant and unchanging and does not ultimately have material form But instead of pitting the Old Testament's humanlike view of God against traditional theology and assuming that only one of these understandings is correct A Human Shaped God posits that theologians should embrace both of these constructions simultaneously This is a new way of theological inquiry that embraces both the humanlike characteristics of God and the transcendence of God in traditional theology By seeing and understanding the humanlike depictions of God in the Old Testament and by using the rich language of traditional theology together in tandem the reader acquires a much deeper and meaningful understanding of God

*Shaped by God's Love*, 1990

**Shaped By Grace** Max Lucado, 2012-09-05 A perfect pass along companion to GRACE Shaped by Grace introduces readers to a message that is more than we deserve greater than we imagine Including a clear presentation of the Gospel message this booklet offers the perfect starting point on a lifetime of grace discovery

**Does God Matter?** Klaas Kraay, 2017-12-14 Does God Matter features eleven original essays written by prominent philosophers of religion that address this very important yet surprisingly neglected question One natural way to approach this question is to seek to understand what difference God's existence would or does make to the value of the world and the well being of its inhabitants The first essay sets the stage for

the discussion of this topic The three essays in Section I defend versions of pro theism the view that God s existence would or does make things better than they would otherwise be The four essays in Section II defend anti theism the view that God s existence would or does make things worse than they would otherwise be The three essays in Section III consider the interplay between the existential and axiological debates concerning the existence of God This book presents important research on a growing topic in philosophy of religion that will also be of keen interest to scholars working in other areas of philosophy such as metaphysics epistemology and value theory and in other disciplines such as religious studies and analytic theology *Shaped by God* Judy Douglass,2018 **Parable of the Sower and Parable of the Talents** Octavia E.

Butler,2023-07-18 Now more relevant than ever don t miss this special collection from the New York Times bestselling author Octavia E Butler *Parable of the Sower* When global climate change and economic crises lead to social chaos in the early 2020s California becomes full of dangers from pervasive water shortage to masses of vagabonds who will do anything to live to see another day Fifteen year old Lauren Olamina lives inside a gated community with her preacher father family and neighbors sheltered from the surrounding anarchy In a society where any vulnerability is a risk she suffers from hyperempathy a debilitating sensitivity to others emotions Precocious and clear eyed Lauren must make her voice heard in order to protect her loved ones from the imminent disasters her small community stubbornly ignores But what begins as a fight for survival soon leads to something much more the birth of a new faith and a startling vision of human destiny *Parable of the Talents* In 2032 Lauren Olamina has survived the destruction of her home and family and realized her vision of a peaceful community in northern California based on her newly founded faith Earthseed The fledgling community provides refuge for outcasts facing persecution after the election of an ultra conservative president who vows to make America great again In an increasingly divided and dangerous nation Lauren s subversive colony a minority religious faction led by a young black woman becomes a target for President Jarret s reign of terror and oppression Years later Asha Vere reads the journals of a mother she never knew Lauren Olamina As she searches for answers about her own past she also struggles to reconcile with the legacy of a mother caught between her duty to her chosen family and her calling to lead humankind into a better future *Great Talk Outlines for Youth Ministry 2* Mark Oestreicher,2004 These forty field tested guides from veteran speakers are essential tools and supplements for any youth worker Each outline includes sidebars with key illustrations object lessons video or music clip suggestions and or speaker tips To facilitate application of the message each outline is followed by dozens of questions for use in small groups All the outlines are compiled on a companion CD ROM and are fully indexed *Forget Everything You've Learned About God* Luan Ferr,2023-09-04 What is the system of things Who created it and who controls it What are the personal choices we can make in the face of it These are questions the author aims to answer questioning everything from biblical teachings to how they apply in the history of faith based domination over those who do not succumb to force In this controversial and thought provoking book the author explores the intricate mechanisms

that have accompanied humanity since cave times showing how they influence our destiny and our role in the world It s an analysis of chaos theory and philosophy seeking to understand if there is any sense or order behind the apparent chaos that governs existence where some have much and many have little The book is an invitation to reflect on and debate the contradictions between faith and reason evolution and devolution preordination and free will      *How Does God Act in the World?* David Wilkinson,2025-05-29 Does God act in the world and if God does then how These questions are central questions for Christian theology and Christian mission and ministry Is God simply a creator who then goes on holiday and leaves the universe to develop or is God the one who is embodied in Jesus the God of signs and wonders death and resurrection And what does this mean for signs and wonders today in the life of individuals and local churches From The Simpsons to a wedding in Cana from grace to quantum theory and from the problem of evil to eschatology David Wilkinson argues that the biblical picture of a God who acts in the world makes sense in the light of modern science but how God acts cannot be reduced to simple models      Daniel: God's Sovereignty on Display Dr. Nathan Ogan,2018-07-22 The constant pressure to compromise one s faith to the point of complete apostasy is present but examples are given of those who won t bow the knee and whose faithfulness to God is stalwart The life and style of Daniel s prophecy encourages involvement in the life of the Gentile nation as far as conscience allows and shows that while faithfulness to God will entail great dangers it is the key to success Daniel reassures God s people that He is sovereign and so encourages their faithfulness to Him This is even more the case for Christians who know that the Son of Man has come once to defeat evil will come again to establish His kingdom and that they live in the last days of conflict It is no surprise then that Revelation picks up many motifs from Daniel and encourages believers to stand firm because of God s final victory      **Holy Ambition** Chip Ingram,2022-03-01 God is a doer of great things Isn t it time you joined His big plans Human ambition is often rooted in pride But holy ambition That s something else When your ambitions aren t about your own glory but God s you ll find Him to be a source of empowerment that you can t get anywhere else Pastor and radio teacher Chip Ingram invites you into something more daring than your current life Holy Ambition takes you to the biblical story of Nehemiah a humble servant of the king who became a leader of his people Nehemiah could have kept his comfortable position in the palace but instead he chose a radical path that allowed him to do amazing things for God You can too But you re going to have to take some risks And that means you ve got to put aside fear or pride and start acting on your holy ambitions It s time for the church to be what God wants a people who will let Him do a powerful work in them and through them No more living in the boring middle Start living on the edge of God s groundbreaking work and experience the exuberance of being on mission for Him      *Mary, Mother of God, Mother of the Poor* Ivone Gebara,Maria Clara Bingemer,2004-10-28 Here is the first thorough reflection on the importance of Mary by women writing from the perspective of Latin American liberation theology Gebara and Bingemer offer a vision of Mary in sharp contrast to the traditional This is the Mary of the Magnificat a figure who challenges male centrism dualism idealism

and one dimensionalism The authors focus on the idea of Mary as one who lives in God on the feminine element of the divine and on the personal factors which color their own perspectives By delving into the Scriptures they place Mary in her social political and economic context Reviewing both the Old and New Testaments they point to Mary as both heir and one who begins something new In dealing with the traditions of the Church Gebara and Bingemer rethink Marian dogmas an area not only ecumenically controversial but also morally challenging Beginning in the 16th century the authors survey the history of Marian devotion exploring the initial appearance of Mary to the Indian Juan Diego Guadalupe and reflecting on all the phenomena connected to the figure of Mary The mystery of Mary brings a new word about God they note Her humanity entirely open and her full participation in the enterprise of this Kingdom help us perceive who the God of the Kingdom is God the Creator who does not cease to perform wonders on behalf of the poor

**The God Resheph in the Ancient Near East** Maciej Münnich, 2013 Resheph was quite a popular god in the 3rd and 2nd millennia BC especially in Syria but during the 1st millennium his cult became extinct Finally it was only maintained in several peripheral and isolated sites such as in the Palmyra desert and in Cyprus Maciej M Munnich presents the written sources which mentioned Resheph and analyzes the features of Resheph's cult He emphasizes that there is no confirmation for the theory that Resheph was a lord of the netherworld Resheph was a belligerent aggressive god who used diseases to attack people but who could also heal Because of the long period of the cult and the geographical range one can notice some local features In Egypt for instance Resheph originally was venerated as the deity supporting the Pharaoh in battles but then he was summoned mainly because of illness and everyday needs

Judaism, Physics and God Rabbi David W. Nelson, PhD, 2011-11-22 Hear the Voices of Ancient Wisdom in the Modern Language of Science Ancient traditions whose only claim to authenticity is that they are old run the risk of becoming old fashioned But if an ancient tradition can claim to be not only ancient but also timeless and contemporary it has a far greater chance of convincing each new young generation of its value Such a claim requires that each generation's retelling use the new metaphors of the new generation from Chapter 1 In our era we often feel that we can either speak about God or think scientifically about the world but never both at the same time But what if we reconciled the two How could the basic scientific truths of how the natural world came to be shape our understanding of our own spiritual search for meaning In this provocative fusion of religion and science Rabbi David Nelson examines the great theories of modern physics to find new ways for contemporary people to express their spiritual beliefs and thoughts Nelson explores cosmology quantum mechanics chaos theory relativity and string theory in clear non technical terms and recasts the traditional views of our ancestors in language that can be understood in a world in which space flight atom smashing and black holes are common features of our metaphorical landscape Judaism Physics and God reframes Judaism so that it is in harmony with the conquests of modern scientific thinking and introduces fascinating new ways to understand your relationship with God in context of some of the most exciting scientific ideas of the contemporary world

*The Prayer God Longs for* James Emery

White,2005 What does God want from me You might ask it in frustration or in devotion but whatever your approach it s a question that has crossed the lips of men and women from every generation throughout human history What if God gave you an answer James Emery White guides you through the Lord s Prayer in search of what God longs for in his relationship with you As profound as it is simple this prayer of Jesus is what God longs for a divine human dialogue that transforms you on earth and prepares you for heaven *Bismillah (In the Name of God): Life Coaching for the Soul* Javed Khan,2017-04-05

What should we do when we are confronted with anxiety depression stress or anger Should we simply give in to these negative thoughts and feelings or should we instead surrender ourselves to something greater In order to find happiness and overcome these negative emotions the first step is to surrender ourselves to God Bismillah In the Name of God Life Coaching for the Soul explores a practical spiritual approach to finding peace and fulfilment in life by helping us to faithfully surrender to God Informed by Islamic spiritual principles and an original faith united through the love of God it invites all seekers of peace to be free of worldly stresses and instead find satisfaction in the eternal hopes only God can provide Author Javed Khan shares his experiences as a life coach and provides practical affirmations prayers meditations and other soul healing exercises to help seekers find the soul s true destiny eternal peace and happiness Shaped by God's Promises Shannon Popkin,2024-06-29 Discover a God who is faithfully working even when you can t see it In this 6 week Bible study on the life of Sarah women of all ages will resonate with her doubts worries and fears while also seeing how hardships and heartaches are ultimately used to reveal God s unfailing promises When the chaos of life threatens your peace learn to resist the temptation to take matters into your own hands and trust that God is in complete control
