## **Shapers Of Darkness 4 Winds Of The Forelands:**

*Shapers of Darkness* David B. Coe, 2007-04-01 The Forelands are at war The magic wielding Qirsi and their Eandi masters have mobilized their forces The Eandi have had to look beyond past differences to make alliances for the sake of the future praying it isn't too late for them to change the outcome of the war Tavis an Eandi prince who was framed for murdering the princess to whom he was pledged and endured torture before winning his freedom has at last avenged her death Still the murder and its aftermath have brought war to the Forelands just as the Qirsi conspirators who bought his love's blood had intended Now Tavis and Grinsa a Qirsi shaper with more powers than he reveals who saved Tavis when nobody else would believe his innocence venture across the Forelands risking death to help save the land they love A powerful Qirsi weaver has brought this terrible war to the land bending the minds of those he controls and of his enemies in an effort to forge alliances and mobilize forces to destroy the Eandi His powerful magical ability estranges lovers betrays leaders and wreaks murder and death throughout the land But even with his powerfully malign intelligence he underestimates the mettle of his opponents In a psychological duel with Grinsa the Weaver's formidable powers are sorely tested Grinsa withstands the Weaver's most powerful attacks at nearly the expense of his own life and in the process discovers the Weaver's identity Will Grinsa's challenge to the Weaver spell the end of the Weaver's reign of doom Or has Grinsa's discovery come too late to help the Eandi cause The answers lie in the growing war that may sunder the Forelands forever *Shapers of Darkness* David B. Coe, 2005 Winds of the Forelands, 2005 The Publishers Weekly, 2005 **The Horsemen's Gambit** David B.

Coe, 2009-01-20 David B Coe created a richly textured unique world in his *Winds of the Forelands* and topped himself with *The Sorcerer's Plague* his first novel set in the Southlands of the same world Divided by clan rivalries and ancient feuds suspicious of magics wielded by longtime enemies the folk of the South have lived in a state of truce for generations But peace is shattered when a woman looses a deadly plague on the magical Qirsi people While some people seek to prevent the spread of the plague others see in this disaster a unique opportunity With the magical folk weakened by the decimation of the plague their unmagical enemies might be able to defeat them and take back lands lost in an ancient war Haunted by the specter of what would be a tragic and devastating new war the Southlands are aflame with rumors of violence pestilence and treachery Coe weaves together engagingly complex characters unique unusual magic political intrigue and a compelling unpredictable story into a captivating epic that will enthrall fantasy readers A potent brew conjured by a masterful storyteller

**The Dark-Eyes' War** David B. Coe, 2011-11-29 An ancient feud erupts into all out war in the exciting conclusion to the *Blood of the Southlands* trilogy **Robin Hood** David B. Coe, 2010-04-27 Oscar winner Russell Crowe stars as the legendary figure known by generations as Robin Hood whose exploits have endured through out popular mythology In 13th century England Robin and his band of marauders lead an uprising against the crown that will forever alter the balance of world power And whether thief or hero one man from humble beginnings will become an eternal symbol of freedom for his people

Robin Hood chronicles the life of an expert archer previously interested only in self preservation from his service in King Richard s army Upon Richard s death Robin travels to Nottingham a town suffering from a despotic sheriff and crippling taxation where he falls for the spirited widow Lady Marion Oscar winner Cate Blanchett a woman skeptical of the identity and motivations of this crusader from the forest Hoping to earn the hand of Maid Marion and salvage the village Robin assembles a gang whose lethal mercenary skills are matched only by its appetite for life Together they begin preying on the indulgent upper class to correct injustices under the sheriff With their country weakened from decades of war embattled from the ineffective rule of the new king and vulnerable to insurgencies from within and threats from afar Robin and his men heed a call to ever greater adventure This unlikeliest of heroes and his allies set off to protect their country from slipping into bloody civil war and return glory to England once more At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied     Weavers of War David B.
