## **Shapes Of Change Image Of American Dance:**

**The Shapes of Change** Marcia B. Siegel, 1985 Alien Bodies Ramsay Burt, 2002-09-11 *Alien Bodies* is a fascinating examination of dance in Germany France and the United States during the 1920s and 1930s Ranging across ballet and modern dance dance in the cinema and Revue Ramsay Burt looks at the work of European African American and white American artists Among the artists who feature are Josephine Baker Jean Borlin George Balanchine Jean Cocteau Valeska Gert Katherine Dunham Fernand Leger Kurt Jooss Doris Humphrey Concerned with how artists responded to the alienating experiences of modern life *Alien Bodies* focuses on issues of national and racial identity the new spaces of modernity fascists uses of mass spectacles ritual and primitivism in modern dance the New Woman and the slender modern body **Making Ballet American** Andrea Harris, 2018 Situating ballet within twentieth century modernism this book brings complexity to the history of George Balanchine s American neoclassicism It intervenes in the prevailing historical narrative and rebalances Balanchine s role in dance history by revealing the complex social cultural and political forces that actually shaped the construction of American neoclassical ballet **Nietzsche's Dancers** K. LaMothe, 2006-02-04 This book investigates the role Nietzsche s dance images play in his project of revaluing all values alongside the religious rhetoric and subject matter evident in the work of Isadora Duncan and Martha Graham who found justification and guidance in Nietzsche s texts for developing dance as a medium of religious expression The Oxford Handbook of Greek Drama in the Americas Kathryn Boshier, Fiona Macintosh, Justine McConnell, Patrice Rankine, 2015-11-05 *The Oxford Handbook of Greek Drama in the Americas* is the first edited collection to discuss the performance of Greek drama across the continents and archipelagos of the Americas from the beginning of the nineteenth century to the present The study and interpretation of the classics have never been restricted by geographical or linguistic boundaries but in the case of the Americas long colonial histories have often imposed such boundaries arbitrarily This volume tracks networks across continents and oceans and uncovers the ways in which the shared histories and practices in the performance arts in the Americas have routinely defied national boundaries With contributions from classicists Latin American specialists theatre and performance theorists and historians the Handbook also includes interviews with key writers including Nobel Laureate Derek Walcott Charles Mee and Anne Carson and leading theatre directors such as Peter Sellars Carey Perloff H ctor Daniel Levy and Heron Coelho This richly illustrated volume seeks to define the complex contours of the reception of Greek drama in the Americas and to articulate how these different engagements at local national or trans continental levels as well as across borders have been distinct both from each other and from those of Europe and Asia *Martha Graham in Love and War* Mark Franko, 2014-03 Often called the Picasso Stravinsky or Frank Lloyd Wright of the dance world Martha Graham revolutionized ballet stages across the globe Here Franko reframes Graham s most famous creations by showing how she wove together strands of love passion politics and myth to create an American school of choreography and dance *The Bloomsbury Handbook of Dance and Philosophy*

,2021-01-28 An innovative examination of the ways in which dance and philosophy inform each other Dance and Philosophy brings together authorities from a variety of disciplines to expand our understanding of dance and dance scholarship Featuring an eclectic mix of materials from exposes to dance therapy sessions to demonstrations Dance and Philosophy addresses centuries of scholarship dance practice the impacts of technological and social change politics cultural diversity and performance Structured thematically to draw out the connection between different perspectives this books covers Philosophy practice and how it corresponds to dance Movement embodiment and temporality Philosophy and dance traditions in everyday life The intersection between dance and technology Critical reflections on dance Offering important contributions to our understanding of dance as well as expanding the study of philosophy this book is key to sparking new conversations concerning the philosophy of dance      **Between Dancing and Writing** Kimerer L. LaMothe,2004 This book provides philosophical grounds for an emerging area of scholarship the study of religion and dance In the first part LaMothe investigates why scholars in religious studies have tended to overlook dance or rhythmic bodily movement in favor of textual expressions of religious life In close readings of Descartes Kant Schleiermacher Hegel and Kierkegaard LaMothe traces this attitude to formative moments of the field in which philosophers relied upon the practice of writing to mediate between the study of religion on the one hand and theology on the other In the second part LaMothe revives the work of theologian phenomenologist and historian of religion Gerardus van der Leeuw for help in interpreting how dancing can serve as a medium of religious experience and expression In so doing LaMothe opens new perspectives on the role of bodily being in religious life and on the place of theology in the study of religion      *Dancing Female* Sharon E. Friedler,Susan B. Glazer,2014-04-08 How do women set up institutions How has higher education helped or hindered women in the world of dance These are some of the questions addressed through interviews and researched by the educators and dancers Sharon E Friedler and Susan B Glazer in *Dancing Female* In dealing with some of the tensions joys frustrations and fears women experience at various points of their creative lives the contributors strike a balance between a theoretical sense of feminism and its practice in reality This book presents answers to basic questions about women power and action Why do women choreographers choose to create the dances they do in the manner they do How do women in dance work independently and organizationally      **Catherine Littlefield** Sharon Skeel,2020 This is the first biography of Catherine Littlefield one of the most important figures in twentieth century American ballet As a dancer teacher choreographer and director Littlefield built a ballet infrastructure in Philadelphia that was crucial to the proliferation of the art form in the United States      **New Directions in Dance** Diana Theodores Taplin,2014-05-09 *New Directions in Dance* is a collection of papers presented at the Seventh Dance in Canada Conference held at the University of Waterloo Canada in June 1979 The book focuses on the future directions of dance and covers dance thought and expression its physical realities related arts and its role in society The topics encompass a wide range of disciplines from choreography semiotics and aesthetics to criticism psychology history

physics biomechanics orthopedics education and computer analysis Comprised of 19 chapters this book begins with an introduction to Aristotle's dramatic theories and their application to the criticism of dances particularly those with dramatic structure and or origins Of particular relevance are Aristotle's treatment of the aesthetic concepts of unity and causality his definition of tragedy the means of poetic imitation as diction and melody and the manner of poetic imitation as dramatic with the use of spectacle The discussion then turns to R G Collingwood's principles of art and whether they contain a theory of dance some applications of linguistic and semiological concepts to theater dance and parallel trends in the development of Expressionist painting and the genesis of modern dance in Germany Subsequent chapters explore children as dance audience the history of dance in Canada the link between physics and ballet and computer assisted notation of dance The final section is devoted to dance policy and education This monograph will be of interest to dancers dance scholars and researchers artists students teachers and others involved in the dance profession

**What is Dance?** Roger Copeland, Marshall Cohen, 1983 A wide variety of writing is included in this anthology from the practical criticism of Arlene Croce and David Denby to the more scholarly work of Rudolph Arnheim Suzanne Langer and Havelock Ellis The collection is divided into seven sections What is Dance the Dance Medium Dance and the Other Arts Genre and Style Language Notation and Identity Dance Criticism and Dance and Society
