forgotten oddities and gems These posts have consistently been among the most popular features of Tor.com Now this volume presents a selection of the best of them ranging from short essays to long reassessments of some of the field's most ambitious series Among Walton's many subjects here are the Zones of Thought novels of Vernor Vinge the question of what genre readers mean by mainstream the underappreciated SF adventures of C.J. Cherryh the field's many approaches to time travel the masterful science fiction of Samuel R. Delany Salman Rushdie's *Midnight's Children* the early Hainish novels of Ursula K. Le Guin and a Robert A. Heinlein novel you have most certainly never read Over 130 essays in all What Makes This Book So Great is an immensely readable engaging collection of provocative opinionated thoughts about past and present day fantasy and science fiction from one of our best writers For readers unschooled in the history of SF F this book is a treasure trove Publishers Weekly starred review

Of Sex and Faerie: Further Essays on Genre Fiction John Lennard, 2010-01-01 Taking up where the author's book *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K. Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations and many hyperlinks

Lois McMaster Bujold Janet Brennan Croft, Donald E. Palumbo, C.W. Sullivan III, 2013-01-28 Lois McMaster Bujold has won a shelf full of awards Hugos Nebulas and others for both her science fiction and fantasy writing She is one of the most respected names in the field always delivering polished thoughtful and well crafted writing She consistently addresses great issues and problems on a human level where they are faced by quirky prickly and very real characters and her exploration of the theory of reader response is an important critical contribution Yet there has been a surprising dearth of serious critical writing about her output in part because she resists neat and easy classification by genre politics or subject matter This collection of fresh essays aims to correct that situation by presenting critical insights into many aspects of her writing Attention is given to both her Miles Vorkosigan science fiction series and her Chalion and Sharing Knife fantasy series as well as the books that fall outside these series

Lois McMaster Bujold Edward James, 2015-07-15 Readers have awarded Lois McMaster Bujold four Hugo Awards for Best Novel a number matched only by Robert Heinlein Her Vorkosigan series redefined space opera with its emotional depth and explorations of themes such as bias against the disabled economic exploitation and the role of women in society Acclaimed science fiction scholar Edward James traces Bujold's career showing how Bujold emerged from fanzine culture to win devoted male and female readers despite working in genres military SF space opera perceived as solely by and for males Devoted to old school ideas such as faith in humanity and the desire to probe and do good in the universe Bujold simultaneously subverted genre conventions and experimented with forms that led her in bold creative directions As James shows her iconic hero Miles

Vorkosigan unimposing physically impaired self conscious to a fault embodied Bujold's thematic concerns The sheer humanity of her characters meanwhile gained her a legion of fans eager to provide her with feedback expand her vision through fan fiction and follow her into fantasy

Exploring Imaginary Worlds Mark Wolf, 2020-10-08 From The Brothers Karamazov to Star Trek to Twin Peaks this collection explores a variety of different imaginary worlds both historic and contemporary Featuring contributions from an interdisciplinary and international group of scholars each essay looks at a particular imaginary world in depth and world building issues associated with that world Together the essays explore the relationship between the worlds and the media in which they appear as they examine imaginary worlds in literature television film computer games and theatre with many existing across multiple media simultaneously The book argues that the media incarnation of a world affects world structure and poses unique obstacles to the act of world building The worlds discussed include Nazar Barsetshire Skotopogonievsk the Vorkosigan Universe Grover's Corners Gormenghast Collinsport Daventry Dune the Death Gate Cycle universe Twin Peaks and the Star Trek galaxy A follow up to Mark J P Wolf's field defining book Building Imaginary Worlds this collection will be of critical interest to students and scholars of popular culture subcreation studies transmedia studies literature and beyond
