Share A Smile:

Sharing a Thought with Lagniappe Rose C. Miller, 2011-04-15 We see many devotional books written today with hopes of getting God's children to be a devout servant. The church has many spiritual anemic members living day after day on a poor diet of the Holy Scriptures. The idea to write a devotional book came to me under the power of the Holy Spirit. The devotional thoughts with lagniappe came as I gave myself fully to my Lord. Under His leadership I moved forward in obedience to share my love for the lost and never once had difficulty writing with Parkinson's. Very few people knew how to spell lagniappe while most everyone knew what it meant and enjoyed the practice of giving or receiving the small extra gift. These devotional thoughts are written in a simple way so to appeal and be understood by all age groups. There is nothing complicated about the love of God. Share the lagniappe with a hug, smile, tender touch, kindness, small gifts, and love. **Career Excellence** G. It follows the journey of three sixteen year old close friends whose lives were upended by tragedy. Tommy met Luke and Rachel at a drive in theater where Tommy was the projectionist. The three teens quickly became close friends often going out for milkshakes together. Tommy and Rachel were attracted to one another but never acted upon their feelings because Rachel was Luke's girlfriend. The three of them gathered almost weekly on a nearby farm owned by Sarah and her husband. Sarah enjoyed seeing the kids and soon became a mother figure to them. Toward the end of their senior year of high school Luke and Rachel went to a nearby city where Rachel underwent a botched abortion. Driving back Rachel nearly died from bleeding but that was not the worst part. They knew that their church would stone them to death. Tommy and Sarah persuaded Rachel and Luke to run away. They helped Rachel and Luke establish new identities, severed all ties with family and friends, and drove away to some unknown place. Sarah and Tommy grieved their departure but knew that it would save
