ENCOUNTERS Jacob Prince, 2024-07-21. ENCOUNTERS is an expedition taking you through a journey of unusual. Reading like a fiction, occasionally getting carried to a different world, and it's not just memoirs but reflections making it a unique reading experience. While we all encounter experiences, varying its nature through out life, the experience of reading a book of this kind would be another unusual encounter which will be etched in your memory forever. From the blossoming of life, beginning from mother's womb, cradled in her hands, the journey of life is abundant with encounters. From the cradle through the places, people, the environment, and eventually setting out for a journey to an unknown eternity. Whether the encounters we underwent were by design, were they avoidable, and how worth it was to take them all.
