Violence against Women and Children in the Hebrew Bible Kristine Henriksen Garroway, Hyun Chul Paul Kim, John W. Martens, 2024-09-19 What did violence against women and children mean for ancient audiences and how do modern audiences hear and process the meaning of violence in the texts of the Hebrew Bible The rape of Tamar the sacrifice of Jephthah's daughter babes ripped from the womb during war texts such as these are hardly fodder for Sunday School classes yet we are left with the reality that the Bible is a violent text full of war murder genocide and destruction often carried out at the behest of God The essays in this volume explore ways in which the Hebrew Bible uses and abuses women and children to make indelible points concerning the people of Israel the lived realities of the Israelite society and God's relationship to His people Where other works turn to the study of the violence itself or to the divine nature of violence this volume focuses in on the human component As a result these studies are reminders that women and children born out of trauma are at once vulnerable and valuable fragile and resilient

Glenna Jackson, 2002-12-01 Matthew's gospel begins and ends with the Jewish Gentile debate and at the heart of both the issue and the gospel is the story of the Canaanite woman It is a story that reveals tension between Jews and proselytes in Matthew's community and responds to the question What must one do to be a member of the community This study focuses on the stereotype of the woman as a Canaanite as well as Matthew's sources and the form of the story The conclusion is that the story reflects a reinforcement of Jewish law that allows gentiles to attain membership in the Matthean community thus continuing the Jewish tradition that allows gentiles into the faith
