Sharing Intimacy What We Reveal To Others And Why:

Sharing Intimacy Valerian J. Derlega, Alan L. Chaikin, 1975 Sharing Intimacy Valerian J. Derlega, Alan L. Chaikin, 1975 Creating a Successful Christian Marriage Cleveland McDonald, Philip McDonald, 2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback **Constructing the Sexual Crucible** David M Schnarch, 1991-03-05 This book challenges the fundamental paradigms in sexual marital therapies and provides a fresh look at the nature of intimacy and the diverse barriers to eroticism in many marriages By integrating individual sexual and marital therapies this study attempts to provide a fresh look at the nature of intimacy and the diverse barriers to eroticism in marriage The author refutes the common focus on sexual technique calling instead for an emphasis on sexual potential **Tradition and the Poetics of Self in Nineteenth-Century Women's Poetry** , 2021-11-01 Tradition and how far writers fit into or diverge from the demands of tradition is one of the most debated issues in literary discussion Gender however is not often part of discussions which depend on such questions at the decisiveness of the Modernist break with the Victorian period or whether Postmodernism makes tradition meaningless By contrast the very existence of a specifically female tradition is still an urgent subject of debate and it is clear that many nineteenth century women writers were troubled in their search for literary foremothers This autobiographical impetus can be located in the work of each of the poets discussed in Tradition and the Poetics of Self Nineteenth Century Women s Poetry Elizabeth Barrett Browning Caroline Bowles Southey Emily Dickinson and Christina Rossetti An exploration of the self either in the abstract or in a more closely personal sense appears in a concern with the craft of poetry and the role of the poet in a teasing out of language as a marker of a personal encounter with the world in an adventurous play with genre and a rewriting of myth and in a bold confrontation with received notions of a woman s place Adventurousness marks the work of each of these poets and is a central focus of these essays **Human Relationship Skills** Richard Nelson-Jones, 2006-09-27 Human Relationship Skills Coaching and Self Coaching presents a practical how to guide to relationship skills showing how readers can improve and where necessary repair relationships This thoroughly revised and updated fourth edition reflects the increased interest in coaching showing how it can be applied to everyday life In this essential book Richard Nelson Jones takes a cognitive behavioural approach to coaching people in relationship skills These skills are viewed as sequences of choices that people can make well or poorly covering a range of skill areas the book assists readers to make affirming rather than destructive choices in their relationships It begins by addressing the questions of what are relationship skills and what

are coaching skills and follows with a series of chapters which thoroughly detail and illuminate various relationship skills including listening and showing understanding managing shyness intimacy and companionship assertiveness and managing anger managing relationship problems and ending relationships The book concludes with a chapter on how users can maintain and improve their skills by coaching themselves Accessibly written and using activities the book will be appropriate for those involved in life coaching as well as general counselling and therapy It will be essential reading for lecturers coaches and trainers as well as students and anyone who wishes to improve their relationship skills *Catalog of Copyright Entries.*

Love Robert C. Solomon,2010-12-08 Love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won t always be easy in fact it s sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex and Gender What s So Good About Love

Women and Romance Susan Ostrov Weisser,2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc

Social Skills Training and Psychiatric Nursing Owen Hargie,Patrick J. McCartan,2025-09-17 When it was originally published in 1986 this

book was one of the few to be written on social skills and mental health specifically for nurses Yet it is nurses who are uniquely placed to improve the skills of those with mental illness since it is they who often have most contact with patients or clients This book examines the place of social skills training in the practice of psychiatric nursing It provides relevant background to the evidence for limited social skills in psychiatric patients and the expanding role of the nurse and considers more practical elements such as selection and assessment of patients for a programme goal setting role play feedback and group versus individual approaches The book also analyses relevant skills themselves such as nonverbal communication and being assertive The book is aimed at both trained and student psychiatric nurses

Social Skills in Interpersonal Communication Owen Hargie,Christine Saunders,David Dickson,1994 Revised extended and updated this edition will continue as the core textbook for students of interpersonal communication as well as for professional groups such as counsellors doctors nurses social workers and psychologists

From Research to Clinical Practice George Stricker,Robert H. Keisner,2013-11-11 It is an intriguing feature of human experience that in our present world amid thousands of indications of the effectiveness of the scientific method so many of us persist in demonstrably illusory or magical beliefs whether religiously related or simply reflections of long standing superstitions At a time when millions can observe on television the first landings of human beings on the moon when our daily lives in the so called developed countries are replete with conveniences that reflect scientific advances we still persist in daily wagers on the state lotteries in paying astrologers or palmists for their readings in investing thousands of dollars and hours of our legislators time in discussing such issues as the value of daily prayer in the elementary schools The emergence of modern medicine based increasingly on scientific research in chemistry biology and physics has considerably reduced people's resort to shamans and witch doctors within the major sectors of our own society although it has by no means eliminated such practitioners

Boundaries and Relationships Charles Whitfield,2010-01-01 More than personal boundaries this book is really about relationships healthy and unhealthy ones Here bestselling author and psychotherapist Charles Whitfield blends theories and dynamics from several disciplines into practical knowledge and actions that you can use in your relationships right now This comprehensive book opens with clear definitions and descriptions of boundaries a self assessment survey and a history of our accumulated knowledge Going deeper it describes the 10 essential areas of human interaction wherein you can improve your relationships These include age regression giving and receiving projection and projective identification triangles core recovery issues basic dynamics unfinished business and spirituality It shows in countless practical ways how knowledge of each of these is most useful in your recovery and everyday life

Black Families In Crisis Alice F. Coner-Edwards,Jeanne Spurlock,2014-06-17 First published in 1989 The idea for this volume grew out of discussions held by a group of Black psychiatrists based in Washington D C and the responses of a number of colleagues who attended a symposium Black Families in Crisis at Howard University Medical Center in November 1985

Eating Disorders and Marital

Relationships Jan Norre, Stephan Van den Broucke, Walter Vandereycken, 2006-04-19 Anorexia and bulimia are on the increase in the Western world and the disease is now recognised to no longer be only a problem for teenage girls but older women as well. Most older women either do now or did previously live with a partner and much attention has been paid to these relationships in devising therapeutic regimes. *Eating Disorders and Marital Relationships* takes a critical look at the evidence behind the assumption of psychiatric illness in the patients and their partners and comes up with some surprising results. Van den Broucke, Vandereycken and Norre carefully describe both the theoretical and practical implications of their work making this book important reading for both practitioner and researcher. *Handbook of Gender Research in Psychology*

Joan C. Chrisler, Donald R. McCreary, 2010-03-12 Donald R. McCreary and Joan C. Chrisler The Development of Gender Studies in Psychology Studies of sex differences are as old as the field of psychology and they have been conducted in every sub-field of the discipline. There are probably many reasons for the popularity of these studies but three reasons seem to be most prominent. First, social psychological studies of person perception show that sex is especially salient in social groups. It is the first thing people notice about others and it is one of the things we remember best. Fiske, Haslam, Stangor, Lynch, Duan, Glass, 1992. For example, people may not remember who uttered a witty remark but they are likely to remember whether the quip came from a woman or a man. Second, many people hold firm beliefs that aspects of physiology suit men and women for particular social roles. Men's greater upper body strength makes them better candidates for manual labor and their greater height gives the impression that they would make good leaders, i.e. people we look up to. Women's reproductive capacity and the caretaking tasks, e.g. breastfeeding, baby minding, that accompany it make them seem suitable for other roles that require gentleness and nurturance. Third, the logic that underlies hypothesis testing in the sciences is focused on difference. Researchers design their studies with the hope that they can reject the null hypothesis that experimental groups do not differ.

Youth, AIDS and Sexually Transmitted Diseases Anne Mitchell, Susan Moore, Doreen Rosenthal, 2020-03-25 What has been the impact of AIDS and sexually transmitted diseases on the lives of young people? *Youth AIDS and Sexually Transmitted Diseases* provides a comprehensive overview of research and policy in this increasingly important area. The book describes the world-wide incidence and prevalence of sexually transmitted diseases among adolescents and examines how their sexual behaviour has changed as a result of the threat of AIDS. It also looks at young people's knowledge and attitudes about their own sexual health as well as the usefulness of models in predicting those at risk. The authors also discuss the effectiveness of institutional policies in educating young people and in preventing sexually transmitted diseases. *Youth AIDS and Sexually Transmitted Diseases* will be of considerable benefit to health care providers, sex educators and all those who work with and study adolescents.

Communication Yearbook 6 Michael Burgoon, 2012-05-23 First published in 2012. The *Communication Yearbook 6* publishes a survey of trends at the frontiers of communication's many sub-fields including interpersonal, mass, organizational and political communication and human communication technologies.
