Death, the Last God Anne Geraghty,2014-11-28 Anne Geraghty was a clinical psychologist and psychotherapist when her son Tim Guest author of *My Life in Orange* died suddenly Her old life ended She went on a search for her lost son Where was he What was he Did he live on in some other realm Or had he fallen into the darkness of oblivion Her search for Tim became an exploration into the nature of death itself We die as we have lived Our lives are not like those of a C12th Tibetan a C15th Cardinal or a Zen monk we cannot therefore simply turn to old maps and myths of what happens when we die We need a new narrative of death that embraces our modern understandings of our humanity and the workings of the universe This book is the story of a grieving mother looking for her dead son an investigation into death in our modern world and an exploration of our struggles to live well in the ever present shadow of death It is not a book with answers it is an invitation to look at death differently This book offers fresh and original ideas about death and dying And it will radically change your understanding of what death is *Fiction & Books for the Young* Denver Public Library,1903 *New Orleans in the Atlantic World* William Boelhower,2013-09-13 The thematic project New Orleans in the Atlantic World was planned immediately after hurricane Katrina and focuses on what meteorologists have always known the city s identity and destiny belong to the broader Caribbean and Atlantic worlds as perhaps no other American city does Balanced precariously between land and sea the city s geohistory has always interwoven diverse cultures languages peoples and economies Only with the rise of the new Atlantic Studies matrix however have scholars been able to fully appreciate this complex history from a multi disciplinary multilingual and multi scaled perspectivism In this book historians geographers anthropologists and cultural studies scholars bring to light the atlanticist vocation of New Orleans and in doing so they also help to define the new field of Atlantic Studies This book was published as a special issue of Atlantic Studies *The Real Jaws* Rachel Lee Perez,2025-08-30 Explores the 1916 New Jersey shark attacks their impact on shark fear and how media shaped harmful misconceptions In the Summer of 1916 a series of shark attacks along the New Jersey shore would send shockwaves across its otherwise peaceful beach towns Spanning a terrifying two weeks including the deaths of nearly five people these attacks

would officially cement an innate fear of sharks that humans have felt since the beginning of time Although initially kept under wraps by the tourism industry these attacks would ultimately plaster the front pages of newspapers across the United States and even overseas As the news spread the line between fact and fiction blurred reshaping our cultural and scientific understanding of the beasts of the ocean It was the 1916 shark attacks that would establish our modern day misconstrued perception of sharks as evil man eating monsters and would later inspire the film Jaws which would perpetuate the same harmful narrative The Real Jaws takes an in depth look at each one of the attacks and how they instilled a centuries long fear of the ocean s apex predator It explores the various theories explaining why these attacks may have occurred and the probability of something like this happening again And finally it analyses the way the harmful misconceptions derived from films like Jaws have redefined humanity s relationship with sharks leading humans to become the predators and sharks to become the prey

Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne, 1828 The Story of San Michele Axel

Munthe, 2010-10-10 This dream laden and spooked Marina Warner London Review of Books story is to many one of the best loved books of the twentieth century Munthe spent many years working as a doctor in Southern Italy labouring unstintingly during typhus cholera and earthquake disasters It was during this period that he came across the ruined Tiberian villa of San Michele perched high above the glittering Bay of Naples on Capri With the help of Mastro Nicola and his three sons and with only a charcoal sketch roughly drawn on a garden wall to guide them Munthe devoted himself to rebuilding the house and chapel Over five long summers they toiled under a sapphire blue sky their mad cap project leading them to buried skeletons and ancient coins and to hilarious encounters with a rich cast of vividly drawn villagers The Story of San Michele reverberates with the mesmerising hum of a long hot Italian summer Peopled with unforgettable characters it is as brilliantly enjoyable and readable today as it was upon first publication The book quickly became an international bestseller and has now been translated into more than 30 languages it is today an established classic and sales number in the millions
