**Vague: The Great British Mistake** Tom Vague, 2017-01-05 Vague began as it happened a few months after England's Dreaming left off in the post punk diaspora of late 1979 Turning nineteen years old in sunny Salisbury Tom Vague began by featuring local punk bands as well as all the major acts that passed through or nearby the Banshees the Cure the Ruts Joy Division Red Krayola the Gang of Four Clash Adam and the Ants It wasn't a pure punk fanzine it was too late for that but matched punk irreverence with the overall feeling of experimentation that still existed at the end of the 1970s Over the first few issues Vague continued to work out the possibilities of independence in all senses of the word that had been pioneered in 1976 by Mark Perry fanzines and in 1977 by Buzzcocks and the Desperate Bicycles seven inch records The whole point about fanzines and DIY singles was that you didn't have to do what everyone else did So Vague mixed up reviews with Perry Harris cartoons and what Tom describes as stream of consciousness prose that reflected the chaos and the intimacy of the moment Vague followed the post punk strands from the Ants to Goth to Crass to Psychobillies and Positive Punks through to the mid 80s and Tom's commentary precisely dates the changes In the notes for Issue 12 July 1982 he observes that it was around this time that the number of exaggerated Mac Curtis haircuts increased around London and Theatre of Hate indirectly started the punkabilly cult which consisted of disillusioned young Ants fans and reformed punky types largely Londoners Suddenly everyone started to look like Kirk Brandon Tom Vague recorded the present without any thought to posterity Because he noted the moment so thoroughly he became a historian providing a record of Punk's most obdurate and persistent strands In documenting the chaos of the 1980s from within he has preserved a forgotten narrative of that decade not Live Aid New Romantic Pop or Thatcher but a dogged and anarchic strand of youth culture that persisted into the flowering of rave in the early 90s This collection should be read by any serious enquirer into the period Jon Savage 2017

kept telling me to write a book out of the blue I started to write and nothing came of it for over ten years I have only made it to page 44 of my manuscript My biggest question which led to my real motivation to write was How can different people from different states I visited kept telling me the same thing Could they all be wrong It was in March 2020 everything was shut down I was in attendance at the AFFI mini convention in Maryland and it was closed down by the governor Therefore from all points in my life God made sure that I would write I was out of excuses and I just encouraged myself to write the movie like book of my life I have done many one on one premarital marriage pastoral feedback sessions inside and outside the church I only came to find out in some way shape or form that people have problems of sorts that were similar to my own I think of myself as an unorthodox writer and now pastor author that loves the truth with the desire to be a help for people I now see a new parallel that was within me all along because my first passion was to become a doctor so I could help people More than half of my life have either been in the Air Force or working for the Department of Defense at the Pentagon in some type of full time capacity I even survived the war act of September 11 911 Yet I have a story to tell starting from a dysfunctional family to chasing women becoming a womanizer stories of infidelity unemployment lying stealing divorce bad credit bankruptcy gambling and even several attempts to commit suicide If the truth be told I never thought that I would live past the age of thirty five While I thought that I was unworthy I found out that God had chosen me to live again and to tell my story and to be the pastor that I am today I was truly a lost soul On this same path of my life I have found redemption and a second chance to experience true and unconditional love in the form of Melody A love that could have only been birthed by God s grace Truly my soul loves Jesus      **Thoughts and Feelings** Matthew McKay,Martha Davis,Patrick
