## Sharper Word:

**Only a Word** Georg Ebers, 1888      **Heinemann English Dictionary** Martin Manser, 2001 This dictionary uses clear straightforward definitions making it easy to use by students of all abilities It explains language and grammar points clearly to develop students skills      **"We are the Mods"** Christine Jacqueline Feldman, 2009 Drawing on archival research oral history interviews and participant observation this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time from the early 1960s to the present The book traces the Mod youth culture from its genesis in the dimly lit clubs of London's Soho where it began as a way for young people to reconfigure modernity after the chaos of World War II to its contemporary country specific expressions By examining Mod culture in the United States Germany and Japan alongside the United Kingdom We Are the Mods contrasts the postwar development of Mod in those countries that lost the war with those that won The book illuminates the culture's fashion music iconography and gender aesthetics to create a compelling portrait of a transnational subculture Book Jacket      **The Heart of Man** Andrew Wommack, 2024-11-05 Are you seeking a better relationship with God Do you want to serve the Lord but believe something is holding you back Your life is the way it is not because of outside circumstances but because of what you believe in your heart As your heart goes so goes your life In this booklet learn how to Protect your heart at all costs Not just be a housebroken sinner Inspect the fruit of your life Use your master control system      **A History of English Literature in a Series of Lectures** Lafcadio Hearn, 1927      A Vision of Jesus R.T. Kendall, 2024-03-05 What if Genesis through Revelation is just the beginning of knowing who God is This book will guide you into a deeper understanding and intimacy with God as you study who He is as the resurrected King You will have a better grasp of the book of Revelation and who Jesus is revealed in this powerful part of Scripture The image we have of Jesus is one that affects the way we act as Christians and the way we take the gospel to the world That image has sometimes been reflected badly because we do not have a fully rounded image of the Jesus we love and worship Indeed some modern concepts of Jesus in the church would be difficult to worship In Revelation 1 Jesus appears in a vision given to the apostle John It is an awesome majestic vision The Bible perhaps intentionally doesn't give us much information about what Jesus looked like in human form Yet here in John's apocalyptic book God gives us an image that transcends the incarnation an image of Jesus we can really focus on In A Vision of Jesus respected Bible teacher R T Kendall mines Revelation 1 to show readers The unique promise of the Book of Revelation What Revelation teaches us about how to handle guilt jealousy and the unexpected Who God is and how Jesus is the fulfilment of the Old Testament pictures as well as our great High Priest the King and more In these pages Kendall guides readers toward a faith enriched by a more complete image of the Savior Engaging and enlightening this book will inspire Christians to renew their devotion to Jesus and share His transformative love with the world      **Elements of Elocution in which the Principles of Reading and Speaking are Investigated ...** John Walker, 1810      *Whatcha Talkin' 'Bout God?* Kathy Lee Rix
