eighteenth and early nineteenth century German women's writing in English translation. It goes far toward filling a major gap in literary history by recovering for a wide audience the works of women who were as famous during their lifetime as Wieland, Schiller, and Goethe. Like those men, they wrote in the early modern period spanning the transition from early Enlightenment to Romanticism. Edited by Jeannine Blackwell and Susanne Zantop, this collection assembles little-known writings by fifteen authors from various social classes, religious backgrounds, and political persuasions. They include the forgotten pietist theologian Johanna Eleonore Petersen, the radical social reformer Bettina von Arnim, the outspoken peasant's daughter Anna Luisa Karsch, the aristocrats Annette von Droste Hülshoff and Karoline von Günderrode, and the conservative monarchist Sophie von La Roche, among others. Their autobiographies and letters, moral and not so moral tales, lyrical and protest poems, plays, and fairy tales deal with religious crisis, family conflict, and harmony; mothers and daughters; wise women; romance and pain; and the healing power of love, self-understanding, escape, and the magical and humorous. The variety and quality of the pieces testify to the creativity of women writers during this first peak of literary activity in Germany, the so-called Age of Goethe. The editors have provided a short biography and bibliography for each writer.

The Morning Star and Free Baptist, 1903 **The Expositor's Bible: The Gospel According to St. Luke** Reverend Henry Burton M.A. D.D., 2018-02-07. Another one of the Synoptic Gospels, Luke takes another view of the life of Jesus on Earth. Although he tells many of the same stories, some of them offer a different point of view than Matthew or Mark, which gives us a clearer image of the ministry of the Lord and Saviour Jesus. Many different topics are discussed in this exposition, such as the virgin birth, the priesthood of Christ, the temptation of Jesus, the last days, and the passion narrative. All this helps us to understand the gospel story better.
