Rivers, 2005 Evangelization contrary to what many people believe is not just a Protestant concern in fact writes Robert Rivers it is Catholic to the core In this practical approachable work he suggests that the Catholic parish is a wonderful setting to carry out the evangelizing work of the church He makes the case that evangelization holds the key to the future of the church because it was in fact

the centerpiece of post Vatican Council reform Drawing from the USCCB document Go and Make Disciples which offers a comprehensive plan and strategy for evangelization he explores ways to challenge us to become Catholic evangelizers And he proposes ways to move from maintenance to mission oriented parishes My purpose affirms the author is to try to place before the reader a compelling vision of Catholic evangelization and share some strategic thinking that might enable us to implement the great vision to which we have been called He attains that goal convincingly practically and hopefully Soul-Centered Jim Clarke,2015-03-03 Specifically aimed at the busy lay person this book underlines the idea that spirituality is not exotic something for the few but that it is in ordinary things and daily life that we can find intimacy with God **An**

Cries from the Wilderness David Pocka,2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between the individual and their faith community when the Christian enters spiritually challenging times periods of aridity misunderstanding suffering or darkness This problem is amplified because of the growing angst that many feel with organized religion When loyalty to the church gets tested during a personal faith crisis or honest intellectual query many leave disenchanted claiming a desire to be spiritual but not religious Cries from the Wilderness Reimagining Church Culture in an Age of Uncertainty explores the memoirs of three contemporary sojourners Rachel Held Evans David Gushee and Macy Halford asking What postures were common in his or her journey that helped them navigate their spiritual wilderness David Pocka then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness The author's contention is that spiritual communities are often ill equipped to nurture the spiritual life of disoriented or questioning Christians By acknowledging their own spiritual journey and drawing lessons

from healthy wilderness postures they would be better positioned to transform and mature their community while creating a nurturing environment for individual sojourners

A Time for Wisdom Paul T. McLaughlin, Mark R. McMinn, 2022-03-14

These are volatile times Fear suspicion and cynicism are chronic A mere tweet inflames the passions of millions while click bait hot takes stoke the amygdalas of everyone with an Internet connection We treat those not in our tribe as a threat and deem anyone with a different opinion as evil Mistaking myopia for measure we lack all sense of proportion in our judgments We are shortsighted mired in the present ignorant of history and blind to the future We thought that technology would save us by connecting us to each other and the world s information Instead it enticed our vices encouraged our biases and eroded the one virtue we need now more than ever wisdom

A Time for Wisdom is for readers who feel beleaguered by the incivility of the modern world dispirited by its coarse rhetoric and toxic partisanship It is an invitation to escape the shallow cacophony and restore peace and perspective to our daily lives Written by two psychologists the book takes the best scientific research on wisdom and integrates it with timeless concepts that have for ages guided troubled souls through life s hardships From this foundation the authors present four steps we can follow to practice wisdom in the 21st Century Receiving knowledge Practicing detachment Experiencing tranquility Cultivating transcendence These are profound and spiritual principles that can bring us immense satisfaction when we aspire to live by them In **A Time for Wisdom** the authors show us how They commend a course of action towards the Good the True and the Beautiful towards calm and clear moral reasoning They lead us out of the circus of contemporary life and show us a path beyond our petty self centeredness By journeying along that path we can like the great sages and scientists before us rise above the immediacy of the moment and partake of the numinous and the infinite
