Fearless Femininity by Women in American Theatre, 1910s to 2010s Lynne Greeley, 2015-08-06 In this unprecedented fascinating book which covers women in theatre from the 1910s to the 2010s author Lynne Greeley notes that for the purposes of this study feminism is

defined as the political impulse toward economic and social empowerment for females or the female identified a position perceived by many feminists as oppositional to ideas of femininity that they see as personally and politically constraining and that femininity comprises social behaviors and practices that mean as many different things as there are women some of which are empowering and others of which are not This book illuminates how throughout the twentieth century and into the twenty first playwrights and artists in American theatre both embodied and disrupted the feminine of their times Through approaches as wide ranging as performing their own recipes energizing silences raging against war and rape and inviting the public to inscribe their naked bodies theatre artists have used performance as a site to insert themselves between the physicality of their female presence and the liminality of their disrupting the role of the feminine Capturing that place of liminality a neither here nor there place that is often unsafe where the established order is overturned by acts as banal as raising a plant women have written and performed and disrupted their way through one hundred years of theatre history even within the constraints of a variably rigid and usually unsympathetic social order Creating a feminist femininity they have reinscribed their place in the culture and provided models for their audiences to do the same This comprehensive tome part of the Cambria Contemporary Global Performing Arts headed by John Clum Duke University is an essential addition for theater studies and women s studies

Chicano Drama Jorge A. Huerta, 2000-11-16 This book first published in 2000 was the first since Jorge Huerta s earlier study *Chicano Theater Themes and Forms* to explore the diversity and energy of Chicano theatre Huerta takes as his starting point 1979 the year Luis Valdez s play *Zoot Suit* was produced on Broadway Huerta looks at plays by and about Chicana and Chicanos as they explore through performance the community and its identity caught between the United States and Mexico Through informative biographies of each playwright and analyses of their plays Huerta offers an accessible introduction to this important aspect of American theatre and culture Overall Huerta establishes a pattern of theatrical activity that is closely linked with both Western European traditions of realism and an indigenous philosophy seen in contemporary Chicano culture The book contains photographs from key productions and will be invaluable to students scholars and general theatregoers

Myths of Oppression Inci Bilgin Tekin, 2012-02-01 Inci Bilgin Tekin's study offers a comparative perspective on two very challenging contemporary female playwrights Liz Lochhead and Cherrie Moraga and their Scottish and Chicanese adaptations of myths such as the Greek Medea and Oedipus or the Mayan Popul Vuh which address ethnic racial gender and hierarchical oppression Her book incorporates postcolonial and feminist readings of Lochhead's and Moraga's plays while it also explores different mythologies on the background Bilgin Tekin not only introduces an original point of view on Liz Lochhead's and Cherrie Moraga's plays as adaptations or rewrites but also calls attention to the non canonized Scottish Aztec and Mayan mythologies Following an innovative approach she discusses the question in which ways Lochhead's and Moraga's adaptations of myths are challenges to the canon and further suggests a feminist version of Augusto Boal's *Theatre of the Oppressed* The study appeals to readers of mythology drama and comparative literature Those interested in postcolonial and feminist theories will also gain valuable new insights

Remapping the Humanities Mary Garrett, Heidi Gottfried, Sandra F. VanBurkleo, 2008 An innovative collection demonstrating the rich potential for interdisciplinary learning found within the network of university based humanities centers *Remapping the Humanities* celebrates the tenth anniversary of the Wayne State University Humanities Center by bringing together essays that illustrate the richness of public conversations developed in interdisciplinary humanities centers The contributors to this collection represent more than a dozen disciplines including philosophy English political science

history law comparative literature and Spanish and taken together their essays illustrate an ongoing remapping of the intellectual landscape as scholars from across university departments engage one another in unpredictable ways This volume is divided into four thematic sections Identity and Community Remembering and Forgetting Nationalism and Globalism and Toward Post Modernity Yet the essays deliberately represent a range of theoretical perspectives that interact synergistically such as feminism and postcolonial studies or literary criticism and art history They also tackle topics as varied as the formation of the modern family in France and the inculcation of civic virtue in American cities and they draw freely from different sources of evidence like newspaper accounts popular literature paintings and diaries Remapping the Humanities includes unique touches such as a portfolio of full color images and an audio CD of Celtic inspired jazz In addition a preface by Walter Edwards academic director of the Humanities Center at Wayne State University gives some background on this institution and the work being done there The importance of Remapping the Humanities ultimately lies in its refusal to say that learning has ended and the example it provides of the value of calculated ferment and intellectual instability Educators involved with or wanting to learn more about interdisciplinary research will appreciate this unique collection

Neglected Social Theorists of Color Korey Tillman, David R. Dickens, C.C. Herbison, 2022-10-12 Neglected Social Theorists of Color Deconstructing the Margins provides a novel contribution to the ongoing debates concerning the canon in contemporary sociological theory In particular the editors argue that many scholars whose work may hold significant potential for contributions to contemporary debates in social theory go unrecognized Still others while not completely ignored have fallen victim to a cultural and political climate not receptive to their work Feminist scholars have been in the forefront of these debates arguing that many insightful social theorists have been marginalized because of their gender More recently studies of individual theorists of color have appeared but these have been limited to African American scholars such as W E B Du Bois In the present text the editors extend this approach to include a broad diversity of theorists of color including those of African American Afro Caribbean Latinx Asian Asian American and Native American backgrounds In addition the editors also include the work of authors who come from academic fields outside of sociology and others who are journalists activists or independent writers The work has a unique format where the authors of each chapter provide a theoretical analysis of their subject and a discussion of the contemporary significance of their work lending to a rich discussion of underappreciated sociological scholars
